

GOLDENVIEW MIDDLE SCHOOL

Traffic Guidelines

STUDENT LOADING AND UNLOADING

Before and after school drop off occurs in the **North East parking lot by the flagpole** as noted on the signs (see map).

RED ZONE-Emergency Vehicles only and Pedestrian Crossing Area

No parking, stopping, loading or unloading next to the RED curbs in front of the building.

Please park in the **North East parking lot by the flagpole** to wait for your son/daughter after school.

Enter and Exit out the Goldenview Drive main entrance.

South East exit to **Bridgeview Drive** is for **school buses and emergency vehicles only.**

Because of drivers attempting to use Bridgeview Drive, there is a significant potential for accidents with students walking along Bridgeview and pedestrians crossing from the South East parking lot

The Anchorage Police will cite drivers that are speeding or driving in a reckless manner through the Goldenview campus.

There has been a history of **safety problems and near fatal misses** at Goldenview during student drop off and pick up times. Cars were observed racing past the front pedestrian walkway area, weaving through the parking lot dropping off their students, jumping over medians to get around the barricade leading to Bridgeview, and leaving their children to maneuver through parking cards to cross the road and get into the school.

Bridgeview exit is now barricaded and is for buses and emergency vehicles only **except after school on dance days** when 8th graders are picked up on the **lower bus level** at 4:30 and exit via Bridgeview and 7th graders are picked up on the upper level by the **flag poles** and exit via Goldenview Drive.

Please keep our students and staff safe by using Goldenview's traffic guidelines.
