

About Comets Bread Co and how to order

The Comets Bread Co was started in 2008 to help fund the needs of the classroom. Each order placed with the Comet's Bread Co gives GV's Life Skills students the opportunity to develop work maturity skills. Skills include the following: food service, money management, budgeting, and interacting with their Goldenview school community.

The Comet's Bread Co wants to thank Goldenview's PTSA for all their support and generosity.

How to order:

Fill out the order form, attach cash or check (made out to GVMS), and bring it to room 410, the office or send order via email to Mrs. Gresham. Students can turn order forms in before school, at lunch, or after school. Parents can email or call any time.
