

PTA Membership

The PTA welcomes you and your children back to another school year at Nunaka Valley. We know it will be a great one with lots of fun and learning. This year our meetings will be held on the first _____ of each month in the library.

Our membership drive will be going on throughout the month of September. Please consider joining the PTA, even if you are unable to attend the meetings. Your membership helps support school programs and our volunteers throughout the year and also helps pay the liability insurance for most of our fund raising and family events.

Thanks for your support!

Rosemary McDonald President
