7th Grade Elective Selection (2010-11)

It is VERY important you submit this form. If you do not submit an elective selection form, you will be randomly assigned electives.

The school day will consist of 7 periods/classes. Five will be required subjects of science, math, social studies, language arts, and physical education. Students choose the remaining two classes from the choices below.

Directions: Choose 10 electives from the selections below. Place a **1** in front of your **1st** choice, a **2** in front of your **2nd** choice, and continue **all the way through 10**. **Please do not mark less than 10**.

Due to class size limitations and scheduling conflicts, students may not always get their first and/or second choices. **Also, some electives may not be offered due to possible changes in staffing.**

ELECTIVE CHOICES

FULL YEAR
