

Would you like to access grades on-line?

1. You can get your child's grade passcode from one of his or her core team teachers. The same passcode is used for all classes.
2. Connect to the Mirror Lake School page and choose a teacher's link.
2. Check the teacher's school web page and look for the [Click Here For Grades](#) link. Not all teachers post grades on-line, and this option may not be available.

[Click Here For Grades](#)

Welcome to my homepage! I teach 8th grade Integrated Science for team H.

I am available for extra help or to make-up labs before school from 7:30- 8:15, at lunch or after school. For make-up labs, please schedule with me ahead of time so that the materials can be made available.

3. Follow the link to the Grade Reports page. You will need to know the class name (usually the hour), the Last name and the passcode.
4. Click the View Report button and you are in.

If you are having problems accessing all class grades, you may need to check your passcode. If you are having problems accessing an individual teacher's grades, email the teacher and let them know.
