

Updated, January 25th

Great! Here is a short list of what we need...

To start with, the Anchorage Nordic Ski Club would love to have help with the five Anchorage races. If you can help on races days, let me know.

The Mirror Lake Race has been moved to the Jodhpur Loop in Kincaid Park. It is still a classical race, and parent volunteers would be greatly appreciated. Anchorage was not expecting to host this race, so it would be nice if we could help to make it happen.

Want more?

Alright...

We need help with Glide waxing on January 28th, February 2nd, 9th and 13th.

We especially need help with cleaning kick wax off skis on January 28 th this is a messy process and adult help is crucial.
--

Want to help us out at home? With 90 skiers and the amount of school equipment we are using we have an almost constant need for ski and binding repair. If you are interested in working with rebuilding skis and mounting bindings and you have space to work, I will be glad to show you what we need...

But wait, there's more!

We will be having a sledding party the day after the last race. February 20th. We need parents to join us for the event itself, someone to coordinate the collection of firewood, someone to do the shopping run for us, and someone to get the fire started and tended...

Thanks for your support.
