

Purpose

- **Online** secure location for ASD trainings in video format
- **On-demand** format providing information for staff when *they* need it
- **Dual screen recording:** letting staff see the presenter and presentation (computer) in separate windows
- **Optimum for trainings when:**
 - Staff are unable to attend face-to-face sessions
 - Staff wish to review information already presented
 - Face-to-face training is not feasible or impractical
 - Information would be helpful for staff but no training currently exists

Requirements

- **Operating Systems:** Windows or OS X v.10.3 or newer
- **Applications:** Silverlight. If you don't have it, the first time you try to play a video a notification will pop up on your screen with free download information
- **Access to ASD Intranet:** via district building or VPN
