Project: Book Report Cube

Students will receive 6 sheets of colored cardstock, each printed with a tabbed square. Students will do something different on each side of the cube, cut it out, and assemble it with folding and glue to make a large cube.

The cube should contain the following items (one on each side):
1. **Title Page**—Include the title, author, and illustration.
2. **Setting**—Write 3-5 sentences and draw a picture.
3. **Characters**—Draw pictures or write about each of the main characters.
4. **Favorite Part**—Draw and/or write about your favorite event.
5. **Summary**—Use several sentences to describe the main events of the story in order. Make sure to include the problem and solution!
6. **Reflection**—Choose one of the following questions to answer with details:
   a. Did you enjoy the book?
   b. Would you recommend this book? Why or why not?
   c. Who would enjoy this book?
   d. How can you relate this book to your own life?
