Effective Instruction	School Wide Index Score '18-'19 = 27.49	Increase '19-'20 school index score by 2 points to 29.49	August 2020

### **Results:**

**Partially Met** - 2019-2020 PEAK Scores were waived due to the COVID19 crisis. PEAK scores are part of how a school's Index Score is calculated. However, Winter MAP scores can be used to predict the same school year's PEAK scores proficiency/results.

### **Chester Valley Winter 2019-2020 MAP scores projected the following achievement results:**

Math proficiency increase - from **7.5%** to **19.8%** a total increase of **164%**.

English Language Arts proficiency increase - from **14.8%** to **24.1%** with a total increase of **62.8%**.

English Language Learner ACCESS scores will be released in the fall to complete Chester Valley's 2019-2020 index score.
