

Chester Valley Family Compact

Teachers, Parents, Students - Together for Success

Chester Valley Elementary will...

- ☐ Communicate with you on a weekly basis via class newsletters, email, text messages, phone calls, or in-person regarding your child's behavior and/or academic progress.
- ☐ Use academic language regularly to increase vocabulary skills within the classroom.
- ☐ Regularly assign **homework** to practice important Common Core State Standards skills learned in school.

Our family will...

(Please check off the ways you are willing to help your child reach his/her goals.)

- ☐ Communicate with the classroom teacher to stay informed about my child's behavior and/or academic progress.
- ☐ Talk to my child daily about newly learned skills.
- ☐ Encourage my child to use classroom vocabulary in our conversations.
- ☐ Make sure my child sets aside 15-30 minutes daily to read books, magazines, and/or newspapers.
- ☐ Set aside time for my child to complete **homework** daily.
- ☐ Volunteer to support the learning community.

As a student, I will...

(Please check off the ways you will participate in working towards your goals.)

- ☐ Talk with my family about what I am learning at school.
- ☐ Share stories with my family using classroom vocabulary.
- ☐ Read every day for 15-30 minutes.
- ☐ Complete **homework** when assigned.

Communication about student learning, school announcements, and activities

Chester Valley Elementary is committed to communicating regularly with families about children's learning. Some of the ways you can expect to communicate are:

- Classroom newsletters, texts, emails, phone calls, and/or in-person conversations.
- Grades will be posted weekly. (You can access these by logging into [Q-Parent Connect](#).)
- Parent-Teacher Conferences will be held twice a school year or upon request, as needed.
- Regular [Facebook](#) and [Chester Valley Elementary](#) website posting.

Families are warmly welcomed and invited to our monthly family events! We are planning numerous family nights this school year. Family nights will include movies, games, mini-lessons, and/or raffles! Check the school website, Facebook account, and/or the school newsletter to stay up to date on all of our events. Come see how math, reading, science, and much more comes alive at Chester Valley Elementary! To join our planning team call us at (907) 742-0335.
