

Anchorage School District Student Internet User Agreement

5530 E. Northern Lights Blvd.
Anchorage, AK 99504-3135

Dear Parent or Guardian,

We are pleased to offer students in the Anchorage School District access to the District computer network for Internet access. ASD requires this agreement form be filled out annually for students to obtain Internet access.

District Internet Use Responsibilities

Students are expected to act in a considerate and responsible manner when accessing network services.

Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply. The network is provided to students for educational use only. Parent permission is required and students who do not have such permission are responsible for not accessing the Internet at school. Access is a privilege, not a right, and entails responsibility.

Individual users of the District computer networks are responsible for their behavior and communications over those networks. It is expected that all users will comply with School Board policy E 6161.4 *Resources, Access and Internet Use Agreement* and will honor the agreements they have signed.

Network storage areas may be treated like school lockers. Network administrators may review files and communications to maintain system integrity and ensure that students are using the system responsibly. Students should not expect that files stored on District servers will always be private.

Within reason, freedom of speech and access to information will be honored. During school, teachers of younger students will guide students toward appropriate materials.

The following are not permitted:

- Sending or displaying offensive messages or pictures
- Using obscene language
- Harassing, insulting, or attacking others
- Violating copyright laws
- Using another's password
- Trespassing in another's folders, work or files
- Employing the network for commercial purposes
- Deliberate damage to hardware or software
- Use of District computers for illegal activities
- Use of AI to complete assignments without teacher permission

Violation may result in a loss of access as well as other disciplinary or legal action. For more information, see the School Board Policies and the ASD Student Rights and Responsibilities document.

District G Suite Access

All students with permission to access the Internet are also given a G Suite account. This account does not include a district email but does give students access to:

1. Google Drive
2. Google Docs
3. Google Sheets
4. Google Slides
5. Google Classroom

This account is intended to give students the ability to seamlessly work between home and school. More info about G Suite security and privacy can be found at <https://edu.google.com/k-12-solutions/privacy-security/>
