A possible exception may occur with the June payment: if the reconciliation for June indicates the District needs to take a credit, it will be deducted from the June transmittal of the deductions taken from members' checks.

- Failure to meet the deadlines for District contributions more than four times in one fiscal year will subject the District to a late payment penalty of one hundred ten (\$110.00) dollars per day for each day beyond the 5<sup>th</sup> District working day of the month for the remaining contributions deadlines in that fiscal year.
- Deductions from AEA members' checks for health insurance will be transmitted within five District working days following the issuance of the members' checks.

The details of the health plan for members shall be determined by the Association, in accord with its agreement with the PEHT.

1. During open enrollment, the District shall make available to members the enrollment/waiver form as supplied by the Association.

Members who chose to waive health insurance benefits during open enrollment must provide proof of insurance coverage through another plan to the PEHT and the District. The waiver will go into effect the first of the month following receipt of the waiver from the Trust by the District.

5. Members who are retiring prior to the start date of a new contract year, but who will not reach retirement age until July or August following the end of a contract year, will have their health care coverage continued up to the month they begin receiving retirement medical coverage – but no later than August 31<sup>st</sup> – provided they submit a Notice of Resignation for the purpose of retirement, effective at the end of the month in which they reach retirement age, by 5:00 p.m. on the last District workday in March of that contract year.
6. Members who notify the District of their resignation after the last ASD workday in March but before the last workday of the school year, will retain coverage through the end of the month in which their last workday occurs.

Members who submit their notice of resignation to the District after the last work day of the school year will lose their coverage at the end of the month in which their notice of resignation was submitted. Said members shall then be responsible for both the employer and employee contribution for any months of coverage received after May. Emergency Leave days may only be used from the individual's personal sick leave accrual.

If more than one hospitalization in the immediate family should occur at different times in the school year, each event will be treated under this provision as a separate occurrence. For leave requested under the Family Medical Leave Act (hereinafter FMLA), more

Unused personal leave days in excess of five will be cashed out at the end of the school year at the member's per diem rate for that year. Leave requests that are supported by the committee after the Bank is exhausted may be granted to a member willing to pay the cost of their substitute with the approval of the principal and Professional Learning Department. Following the committee process the candidate who was awarded days will formally apply through the District identified process. This process will confirm principal and District approval, as well as allow members to combine school allocation, District Bank, and paying the cost of a substitute when appropriate and approved.
- B. Days and stipends from the District Bank shall be awarded by the Professional Learning Department in accord with criteria established below.

The criteria established for the award of requested days and stipends shall be, in priority order:

Those denied requests may appeal to the Chief Human Resources Officer or designee. Twenty-five percent of the allocations to the District Bank shall be reserved for the second semester. These selection criteria shall apply to all members of the bargaining unit but days granted to those for whom no substitute is secured shall not count against the school allocation or District Bank.

### **345 SICK LEAVE**

- A. Members shall accrue paid sick leave without limit at the rate of one and one-third days for each calendar month or each major portion of each calendar month of actual service. Part-time members shall accrue prorated sick leave in accordance with the full-time

- B. Cumulative sick leave earned by a member in an Alaska public school is transferable to the District as provided in Department of Education and Early Development and Early Development Regulations. Newly hired members shall be notified of the Regulations. Leave used for immediate family shall be available only until a person can be obtained to care for the immediate family member.
- F. For purposes of Article 345, conditions related to childbirth shall be considered the same as any other medical condition. A member may use six weeks of sick leave for recovery, subject to accrued leave. Leave shall be extended by two weeks if delivery is cesarean. - G. In the case of emergency or sudden member illness where medical service is not locally available, reasonable travel time to the nearest competent medical service will be allowed as sick leave.
- H. Members are encouraged to arrange routine medical or dental visits outside the workday.
- I. If abuse of sick leave is suspected or if the District wants to verify that a member is sufficiently well to perform teaching duties, the District may require a statement from the member's physician or may require the member to submit to an examination by a physician of the District's choosing. If the District requires a physician's examination and statement all costs will be paid by the District.
- J. A false statement by the member regarding sick leave is sufficient grounds for cancellation of the contract and recommendation for revocation of the teaching certificate.

### **346 CATASTROPHIC LEAVE**

The Sick Leave Bank Committee shall be responsible for reviewing and approving requests for sick leave withdrawal from the Bank, consistent with use restrictions contained in this Agreement. A member who has exhausted personal and sick leave may apply for reasonable withdrawals, provided sufficient leave time is available in the Bank. Withdrawals from the Sick Leave Bank shall be used exclusively for personal illness of the member. Awards in a given school year shall be limited to no more than twice the number of sick leave days accrued by the member as of the start of the school year in which the application is submitted.

The District and the Association are committed to providing the best possible education for all students, including those with disabilities who are not eligible for Special Education services. To

help prepare members to address the great variety of student needs found in regular classrooms the following is provided as a supplement to what is included in Article 403:

- A. If a child is covered by an accommodation plan, pursuant to Section 504 of the Federal Rehabilitation Act (1973), it must be determined if disruptive behavior that is the basis for the disciplinary action is related to the disability. This should be determined by the 504 Plan Team. If the disruptive behavior is related to the disability, a plan for behavior management should be addressed in accord with established District standards. If the behavior is not related to the disability, the normal school discipline policies apply.
- B. The District will make every effort to ensure that student accommodation plans be reviewed often enough to ensure that appropriate service be provided, in the appropriate setting. Specifically:

#### **413 ASSIGNMENT AND TRANSFER**

- A. Assignment  
Assignment specifies teaching duties in terms of subject matter and/or grade level(s). Change of assignment specifies an adjustment in the subject matter and/or grade level of the member. Unit administrators will consider all of these criteria in the following order of importance: 1) educational program needs of students; 2) academic preparation, certification and highly qualified teacher designation; 3) experience; 4) seniority. When making assignments, voluntary applicants will be considered first, including those who

have expressed interest in a particular assignment by whatever means has been employed by the principal for determining that interest.

Student scheduling and/or enrollment permitting, the unit administrator will provide tentative assignments for the following year prior to the end of the school year. If the unit administrator exercises the right to change a member's assignment and the member's assignment is changed, the member will be notified immediately and will be given a minimum of one school day without students to prepare for the new assignment. Assignment changes for the second semester should be made at least 14 workdays prior to the end of the first semester.

Elementary art, music, and physical education teachers affected by multiple assignments and the principals of affected schools shall meet within the first month of the school year to discuss assignment options, within parameters established by the District. The purpose of the meeting is to address program needs in the most effective and efficient way possible.

The District shall provide, upon written request, a written statement of the reason(s) for a member's assignment being involuntarily changed.

**B. Voluntary Transfer**

Transfer is defined as a change to another building by a member who is assigned to one building or is also defined as a change to another program by an itinerant member who is assigned to one supervisor.

Members who desire a transfer shall submit an employee's transfer request using the electronic transfer request tool provided by the Human Resources Department. Transfer requests will only be accepted for areas in which the applicant is qualified. Transfer requests can be submitted any time after January 1 and will remain active until December 15 of the same calendar year. Submission or revocation of a transfer request must be completed a minimum of one (1) workday prior to a staffing meeting, if a staffing meeting is held.

The unit administrator will interview, if available, a minimum of three current member transfer applicants for a vacant position. Prior to the interview, the applicants shall provide a current resume and any supportive information in their transfer request. Principals will form and chair a committee of members and parents to review adopted school goals, discuss desirable characteristics for teachers, and collaborate in the development of interview questions. At the secondary level, appropriate subject area department representatives may be included in the committee(s). The committee, or representatives from the committee, shall be invited to participate in actual interviews, when practicable. The committee may recommend a desired course of action and the principal will consider any recommendation given when making a selection decision. The administrator, in deciding which members shall be interviewed and in ultimately deciding who will be selected, shall consider certification and instructional requirements, endorsement(s), highly qualified designation, educational program needs, educational attainments, teaching experience, seniority, personal qualifications as determined during the interview, and EEO

requirements. A member who is granted a voluntary transfer will stay at the school he/she is transferred to for a minimum of one (1) school year unless agreed to by all parties.

When vacancies occur after the start of a school year, principals will review the electronic transfer requests to make certain that interviews are offered to at least three applicants, if available. No new-hire for a specific vacancy will be processed by the Human Resources Department until required interviews are completed. A member selected for a position while school is in session will transfer only at the beginning of the next school year unless the immediate transfer is approved by the District. In the interim the position may be filled by a term appointment who will be employed within the terms of this agreement only for the balance of the school year. At the end of the school year, the term appointment will be terminated, not non-renewed, and will not be eligible for recall under 449. If another vacancy becomes available in the same building to which the term appointment is assigned and the unit administrator requests to employ the term appointment for that position, the position shall be offered without a vacancy announcement. In such case the term appointment agreement shall be replaced with a regular member contract, and the member shall have all rights of this agreement effective with the hire date as a term appointment.

If a building must reduce staff beyond existing vacancies, the member who has been awarded a position but has not moved shall be considered the displaced member for the purposes of involuntary transfer.

C. Special Education Transfer Requests

1. Transfers of Special Education members out of the Special Education Department may be denied by the District during the members' first four (4) years in Special Education with the District unless the District is adequately staffed in Special Education and able to fill the position created by the members' transfer.
2. Transfers by Special Education members who have taught in Special Education with the District for four (4) or more years will be allowed provided the transfer is completed at least thirty (30) calendar days prior to the start date for members. The District may allow transfers to occur after that time period with approval from the Executive Director of Special Education.

D. Procedures

In order to clarify the intent of the parties with respect to Article 413 the following procedures are adopted:

1. Since the scheduling of general staffing meetings varies each year, based upon District needs, it is agreed that principals with known or anticipated vacancies will review the list of transfer requests and displaced members prior to the staffing meeting. The principal will conduct interviews, following the language of Article 413, during the week prior to the meeting. Members who have submitted a request for transfer will make every effort to cooperate with the principal to ensure timely completion of required interviews.
2. When a staffing meeting is held, transfer requests shall be considered in the following order: 1) members transferred as a result of reduction in staff; 2) members making transfer requests; 3) members on the recall list; 4) members returning to the bargaining

- unit; 5) members returning from leaves; 6) members new to the District. Transfer applicants known to the principal, either through a prior interview or prior supervision, may be selected by the principal during the staffing meeting without re-interview. If an unanticipated vacancy occurs during a staffing meeting and the principal does not know or has not interviewed an acceptable candidate from the transfer list, the vacancy must remain unfilled until the required interviews have occurred.
3. Members who have received “Intent to Hire” notices shall be placed in a vacancy only after three (3) transfer applicants (provided three (3) are available) have been interviewed.
  4. The District will provide the following remedy in the event that Article 413 is violated by the District.

The District shall provide AEA and the affected members (members on the transfer list who listed the affected school as their first or second choice at the time the violation occurred) a letter explaining how the violation occurred and how the District plans to prevent the violation from occurring in the future. The affected members shall be guaranteed an interview for the next vacancy that occurs at the affected school within the next two (2) years.

E. Involuntary Transfer

Human Resources will notify AEA of involuntary transfers. An involuntary transfer is a change of location that was not requested by a member. Examples of involuntary transfers include displacements due to reductions in staffing allocations, members returning from leave, and members who are being involuntarily transferred due to program relocation.

Criteria to be followed in involuntary transfers shall be, in order of importance:

1. effect on the District’s program (including impact on both sending and receiving schools);
2. the member with the least continuous service in the bargaining unit from an elementary school or the High School/Middle level department affected who fulfills the demonstrated program need; and
3. distance from the member’s domicile to the new assignment.

When the transfer of a member is to be made without relation to any member transfer request, consultation and notification shall be attempted as soon as possible and in no event later than two weeks prior to the effective date of the transfer. The above time requirement may be waived for the purposes of balancing staff after school begins as a result of changes from projected enrollment; however, a substitute teacher may be employed at the District’s discretion to provide the member time for new assignment preparation.

F. Teacher Exchange Intra-District

The District shall allow currently contracted tenured teachers who have the appropriate academic preparation the opportunity to exchange assignments within the District for a

period of one year. Such intra-district teacher exchanges shall be made only under the following conditions:

1. All teacher exchanges must be in writing and approved by the teachers and the principals. The documentation of the exchange must be submitted to Human Resources prior to April 15 for the following school year.
2. All teacher exchanges of assignments shall be voluntary;
3. Teacher exchanges shall be for a period of one year;
4. Teacher exchanges may only be made with the approval of the sending and receiving unit administrators;
5. A teacher may exchange with another teacher, under this provision, no more than once every three years;
6. Teachers in exchange assignments shall be evaluated according to the provisions of Article 464;
7. If both teachers in exchange assignments wish to remain in their exchange school units following the one year exchange, with the approval of the sending and receiving unit administrators, they shall be permanently transferred into their exchange units so long as the exchange assignments are within the areas of academic preparation of both teachers;
8. If only one of the teachers involved in a teacher exchange wishes to return to the previous school, the teacher shall be allowed to do so; and the other teacher shall return to the previous school. Nothing in Article 464 C. shall preclude the involved teachers from applying for transfer consideration.

#### **414 CHANGES IN STUDENT PLACEMENT**

To support continuity in instruction and minimize disruptions to student learning, the District shall finalize all student placements and staffing decisions (which affect regular classrooms) as soon as possible after the actual number of students to be served in a given school is known and the final authorization for necessary teaching staff has been received by the principal. This commitment does not preclude changes in individual placement that may become necessary during the school year, for a variety of reasons. In such cases, affected teachers will be consulted before a decision is made by the principal.

#### **416 GRADE DETERMINATION**

- A. The teacher has the initial right and the responsibility to determine grades within the grading policy of the District. No teacher shall be requested to sign a report card or to give credit for a class if the teacher believes that the student has not successfully completed that grade or class. Initial discussion of student pass/fail rates shall be based on factual data, e.g., grading statistics as compared to similar classes, student attendance, completion of assignments and classroom participation.

- B. No course grade, report card, cumulative record, or decision to promote or retain a student shall be changed unless the principal making the change notifies the teacher, prior to the change when possible. If the principal decides to promote the student or give credit for the class in spite of the teacher's judgment, the principal's name shall appear on the transcript in lieu of the teacher's name. A teacher may appeal a grade change to the principal's supervisor.
- C. When the District proposes major changes in the report card or grade reporting system, the District shall involve teachers on change committees, pilot changes before full implementation, utilize a feedback system, notify teachers of changes, and provide training sessions on the change.

## **417 IN-SERVICE PLANNING AND CALENDAR**

The District retains the right to determine the number of in-service days to be offered in any year.

### **IN-SERVICE**

- A. State-release time planning for building level in-services shall include teachers. Principals, supervisors and/or teachers shall be invited to provide topics for discussion and review prior to creation of the training calendar by the principal/supervisor. Adopted plans will be required to address District goals or instructional issues defined by the School Board or Superintendent.
- B. The last day at the end of the first, second and third quarters shall be a student-release, day for the purpose of assessment, planning and evaluation by members.
- C. The District shall submit a proposal for these state in-service days. Implementation of these days is subject to approval of the proposal by the State Department of Education and Early Development.

### **CALENDAR**

- A. A committee including Association Representatives shall meet for the purpose of studying alternative calendars for subsequent year(s). Recommendations shall be submitted to the Superintendent no later than December 1.

### **B. FLEXIBLE WORK CALENDARS**

1. Flexible work calendars will be available to:

- Teacher Experts
- Counselors
- Nurses
- iSchool Staff
- Site-Based Tech Collaborators
- Instructional Coaches
- Special Education Department Chairs
- Other positions mutually agreed upon by the Chief Human Resource Officer and AEA

2. For those employees opting to utilize a flexible calendar, calendars will be collaboratively developed and mutually agreed upon by the member and his/her immediate supervisor. Flexible work calendars may begin or end up to 21 calendar days before or after the school board adopted calendar. Beginning and ending dates outside the above listed calendar range will be by mutual agreement. A member's flexible work year will be 182 workdays, normally Monday through Friday.
3. Supervisors will provide a work calendar with parameters to members by May 1 of each year. Work calendars will be completed by the member and submitted to the supervisor for approval by May 10. The supervisor approval process is to be completed by the last workday of the school year. A member's approved work calendar may be changed by mutual agreement.
4. Employees utilizing a flexible work calendar option will receive pay on the same schedule as other AEA employees.

#### **419 DISCIPLINE PROCEDURE FOR STUDENTS**

- A. The administrator and the staff shall collaboratively develop and/or review building discipline procedures annually in the fall, to include procedures for compliance with Article 419. Copies of Board policies pertaining to student behavior will be made available to staff. Duties, responsibilities and relationships of all personnel regarding the enforcement of discipline policies shall be discussed with all staff involved with student discipline. Copies of the proposed discipline procedures shall be shared with the PTA for discussion. The procedures established shall be followed and enforced by the administrator(s) and staff.
- B. Members shall be informed prior to entry into the member's classroom of a student with known behaviors that could present a safety problem to students or staff. The protocol for informing those with a need to know regarding students with a known history of violent behavior shall include an alert in the student information management system, as outlined by the Chief Academic Officer. The list of those with a need to know shall include librarians, nurses, and other specialists who are assigned responsibility for managing the behavior of such students. Members shall be provided with suggested strategies for managing student behaviors.
- C. Building procedures for maintaining student discipline shall address standard methods utilized by the member before administrator referral (such as conferences with a student, discussions with parents/guardians and counselor referrals) as well as procedures for cases of extreme or unusual breaches of discipline including but not limited to physical assault and possession of weapons.
- D. The primary responsibility of members is to provide comprehensive educational opportunities for their students. A member may exclude a student from the classroom for the class period or activity when the member judges the student's behavior to be disruptive to the instructional program. Such exclusions may include sending the student to the office or calling for assistance. If a member and the administrator concur that the learning environment has been severely disrupted by a student(s), the student(s) shall be suspended from that classroom. The student(s) shall only be returned to that classroom after appropriate disciplinary action has been taken and a member, administrator and parent (unless member and administrator agree otherwise) conference has been held. The member

and the administrator may collaboratively develop an agreement specifying future behavior expectations and consequences.

- E. Members will report immediately to the administrator or designee the details of all instances of assault. Incidents of verbal and physical assault of members shall be documented by the principal. When physical assault of a member has occurred, the administrator shall remove the student from the member's classroom unless the member requests otherwise. The student shall only be returned to the member's classroom after a suspension from that classroom has been served, a conference has been held with the member, administrator and parent (unless member and administrator agree otherwise) and appropriate action has been taken to prevent future occurrences. Consistent with Workers' Compensation Law, the District shall assume full liability for job related member injury. Protection against damage to property shall be limited to the terms of the District's existing liability policy. Generally, personal property is not the responsibility of the District unless damage to such property is the direct result of District action or due to assault while a member is engaged in a duty-related activity.
- F. A member may use reasonable and necessary physical force on a student to protect the member, a student(s) or others from physical injury; to obtain possession of weapons or other dangerous objects from a student; in any extraordinary case of breach of discipline; to restrain a physically disruptive student; or to protect property from serious harm.
- G. Members may request a special faculty meeting or in-service training session to review applicable federal, state and local laws and District policies and procedures pertaining to student rights, member rights, due process and the processing of student discipline. When requested, the Association may assist in the development and presentation of materials to be used during the meeting.
- H. The Safety Committee of each school shall develop and annually review a plan for providing emergency support to any member who calls for assistance when facing a potential danger from violence, either to students or to self. Such plan must identify an effective method of communication to be used as well as the prescribed response.
- I. With the goal of reducing disruptive and violent behaviors and improving school decorum, each school site shall establish a committee charged with developing and/or reviewing action plans in response to building level data that cites the number and disposition of disciplinary referrals to the principal.

## **420 JUST CAUSE**

No member shall be disciplined or deprived of an employment right or benefit without just cause. It is intended that the just cause standard will apply in instances such as involuntary transfers, reassignments, and other employer actions if these job actions are taken for disciplinary reasons but do not include non-retention from added duty assignments.

## **421 HAZARDOUS AND UNSAFE CONDITIONS**

- A. Members shall bring to the immediate attention of the supervisor any situation considered to be unsafe or unhealthy. If the District determines that the situation is unsafe or unhealthy, alternative work locations will be arranged. Unsafe conditions will be remedied as soon as practicable. If the Superintendent determines that an emergency closure of schools is necessary because of conditions posing a threat to the health or safety of students, members in the closed school(s) shall not lose their regularly scheduled salary because of the closure. The District will comply with and shall provide a copy of Alaska Statute Chapter 60 (AS 18.60) in each unit.
- B. A member may refuse to carry out an order that threatens health (excluding normal childhood diseases including but not limited to colds, flu, mumps, measles, chicken pox) or physical safety; or which is a violation of federal or state statutes. If the member refuses, the member shall have the burden of proof.
- C. Members shall be represented on school safety committees.
- D. The principals or their designees shall inform members immediately when they are potentially exposed to contagious diseases and illness, and shall instruct members about prevention and protection from diseases and illness. No information shall be released in violation of privacy acts.
- E. No member shall be required to search for a bomb. The District shall provide a copy of bomb threat procedures in the staff handbook.
- F. The District shall establish and adhere to a consistent anti-violence policy. A provision in this policy will require the District to notify members, prior to student placement in the classroom, about any student who has, within two years, been expelled from any school for weapons possession or incidents of violence.
- G. The District will facilitate and support the filing of a criminal complaint against any adult, not employed by the District, who physically assaults a member while on duty. Legal counseling shall be available, through the Employee Assistance Program described in Article 212, to any member who has been a victim of physical assault. Counseling and assistance in the filing of a Worker's Compensation claim shall also be provided.
- H. If an administrator believes a student poses a threat to staff or student safety because of past behavior, the administrator will notify the appropriate staff in a timely manner.

## **422 NATURAL DISASTER OR CATASTROPHIC EVENT**

- A. In the event of a natural disaster or other catastrophic event, only members who volunteer will work beyond the duty day. They will be covered by the District's liability insurance. Members who volunteer shall be granted reasonable duty-free recovery time before resuming normal contractual responsibilities with no loss in pay or benefits.
- B. Disaster procedures shall be established in each unit, discussed/revised annually with staff and placed in the staff handbook. These procedures shall be available to the substitute teacher.

## **423 EMERGENCY CLOSURES**

- A. The Association and the District agree that the professionalism of members is of mutual importance. Members shall have flexibility in selecting a reporting location on emergency closure days. If an emergency closure day requires the member to make up the day, AEA members will be notified on or before the closure day that it is a non-working, non-paid day.
- B. The District recognizes that member preparation efforts when students are not present may just as easily, and more efficiently, be served at a non-school location, including the member's home. This procedure would not prohibit the member from working at the regular school, but gives the member the professional choice as to where the preparation work for the day will be performed.
- C. In the event of an emergency closure, members on leave will remain on leave unless that leave is canceled prior to the Superintendent's or Designee's announcement of school closure.

## **425 PROGRESSIVE DISCIPLINE**

- A. Without limiting the District's right to impose an appropriate level of discipline, the District agrees to follow a policy of progressive discipline. Any disciplinary action taken against a member shall be appropriate to the behavior which precipitates said action.
- B. Members shall comply with rules, regulations, and directions as adopted by the Board or its representatives, which are not inconsistent with this agreement.
- C. An investigation shall be conducted prior to any disciplinary action being taken by the District. The specific incident must be cited, and the member must be given an opportunity to respond to the incident if the member desires.
- D. When a member is required to meet with an administrator for disciplinary action, the member shall be given 48 hours prior written notice of the time and nature of the meeting and shall be apprised of the right to have an Association representative present. When a principal requires a meeting of a disciplinary nature, the principal will first attempt to schedule the meeting outside the student contact day.
- E. When an administrator disciplines a member for some infraction of rules or delinquency in professional performance, the member shall be entitled, upon request, to have an Association representative present. When a request for representation is made, no action shall be taken until a representative can be present. The meeting shall be held as soon as possible.
- F. Any form of discipline including verbal reprimand of a member by an administrator shall be made in confidence (not in the presence of students, parents, other employees or in public gatherings).

## **428 TIME AT DUTY STATION**

The District and the Association recognize and agree that the members' responsibility to the students, community, and profession generally entails the performance of duty and the expenditure of time and service beyond classroom duty hours.

- A. Members shall be on duty for a combined total of 60 minutes before and after the student day, exclusive of the duty-free lunch period unless specifically excused by the principal. A member's flexible schedule shall not interfere with regularly scheduled school related meetings or assigned duties but discretion in adjusting schedules following work-related evening commitments, consistent with safety and professional responsibility, is expected. Breakfast in the classroom shall not begin more than 10 minutes prior to the start of the student day. (e.g. Elementary 8:50am)

This provision allows members to best utilize their planning and conference times to meet the needs of the individual member and parents of the students served. Members shall notify parents each fall regarding available hours when conferences may be most easily scheduled. Other times may be arranged as necessary to assure parents opportunities for discussion with members regarding student performance. Time at duty station for double-shift or schools with shortened schedules shall be negotiated with the Association and implemented subject to approval of the plan by the Commissioner of Education.

- B. Members shall be provided a duty-free lunch period of at least 30 consecutive minutes as defined in AS 14.20.097 exclusive of up to a total of 10 minutes passing time, as determined by the principal. Members assigned to more than one building shall be provided schedules that include at least 30 consecutive minutes for duty free lunch, and sufficient time to travel between assignment locations. Whenever possible, the schedules for itinerant specialists will be structured to allow set-up and take-down time.
- C. A committee, including classroom teachers, specialists (e.g. art, music) and building principal, will be established in each elementary school to collaboratively create the elementary master schedule. Transition times will be considered with the development of the schedule. The principal has the ultimate responsibility for determining the elementary schedule.
- D. The 60 minutes beyond the student day shall be utilized in such a manner to maximize the efficient use of time for planning and conferences (i.e., 45/15 or 15/45). In no case shall the normal member workday begin or end less than 15 minutes before or after student day. This provision allows members to best utilize their planning and conference time to meet the needs of the individual member and parents of the students served. A member's flexible schedule (45/15 or 15/45) shall not interfere with regularly scheduled staff meetings or assigned duties. Upon request, members will provide unit administrators their planned flexible schedules.

Members may leave the building at any time during which they are not assigned duties, providing they sign out when they leave and sign in when they return.

- E. Consistent with Article 428 A., members are expected to give precedence to faculty meetings, curriculum development meetings, professional development or assigned school duties. A full faculty meeting or professional development will normally be scheduled no more often than twice per month and not exceed the student day by more than one and one-half (1 ½) hours. So long as their personal schedules allow, members are expected to give precedence to education-related District meetings.
- F. Members shall be expected to attend one open house per year unless the member has a legitimate reason to be excused.

#### **431 NON-INSTRUCTIONAL DUTIES**

- A. No members shall be required to:
  - 1. perform duties normally performed by another employee group during a labor dispute;
  - 2. transport students to off-campus activities.
- B. Members with split assignments shall have one site designated by the District as a “home school” for purposes of this article. Non-instructional duties shall be performed only at the home school.

#### **432 INNOVATIVE SITE-BASED ACTIVITIES**

- A. In light of the increasing demands for innovation in public schooling, the District and Association are jointly committed to supporting experimentation to improve student performance. The district will continue to explore various operational options for schools and may elect to sponsor pilot projects.
- B. If pilot projects are undertaken, detailed plans shall be prepared which delineate the structure of the decision-making process within the school. Such plans should support and depend upon the broad participation of members, with appropriate training and support programs for staff assigned to pilot sites.
- C. Any variance from the Collective Bargaining Agreement must be approved in advance by the District and the Association.

#### **440 ASSAULT OF MEMBERS BY AN ADULT**

- A. Members shall report in writing as soon as possible to the administrator instances of verbal or physical assault by an adult. The District shall report instances of physical assault of staff by an adult to the police department. If an assault results in injuries or in cases of repeated verbal or physical assaults, the District shall take further action, examples of which may include: the administrator being present at meetings between the adult and member; having the police present when the adult is in the building; notifying the adult of the consequences of failure to meet District requirements; requesting a temporary restraining order.
- B. The District will facilitate and support the filing of a criminal complaint against any adult, not employed by the District, who physically assaults a member while on duty. Legal counseling shall be available, through AEA’s Employee Assistance Program, to any member who has been a victim of physical assault. Counseling and assistance in the filing of a Workers’ Compensation claim shall also be provided.
- C. Nothing contained in this Article will restrict a member’s right to file a police report.

#### **441 COMPLAINTS AGAINST MEMBERS**

- A. Members and administrators shall cooperate in the resolution of any formal parent or student complaints that may be filed against members.
- B. Complaints against members shall not be solicited by principals or by members against principals; however, the administrator may respond to specifically expressed parental concerns. The administrator shall respond to specifically expressed concerns by encouraging the individual(s) to speak with the member first and shall notify the member of the concerns expressed unless confidentiality is requested. The administrator shall provide the member with a copy of any written complaint as soon as practical.
- C. A member may have an Association representative present at meeting(s) regarding a complaint against the member. Whenever possible, the representative shall contact the administrator for discussion of the issues prior to the meeting.
- D. If the parent refuses to meet with the member concerning the written complaint, the administrator will request a meeting with both the parent and the member. In the event this meeting cannot be arranged, the administrator will hold separate meetings with the member and the parent prior to taking action on the complaint.
- E. Disciplinary action taken against a member as a result of the District's investigation of a formal complaint may be contested through the grievance procedure.

#### **442 ABUSE ALLEGATIONS**

A member must be notified within five workdays of the District's knowledge of an allegation of abuse unless directed otherwise by a law enforcement agency. If an allegation against a member is unfounded or unsubstantiated, the unit administrator will so note and attach to the "Referral for Suspected Child Abuse or Neglect" form. No unfounded or unsubstantiated allegations will be referred to in an evaluation. Investigations will be conducted in a confidential manner.

The member has the option of having the District notify employees of the investigation or its results. The method of notification and the message to be communicated shall be authorized by the member.

#### **443 PERSONNEL FILE**

- A. The personnel file at the District central office shall be the one official file relating to a member's employment. All materials originating subsequent to District employment and placed in the permanent central office personnel file shall be available to the member or a representative authorized in writing by the member for inspection. A request to inspect the file shall be accommodated within 24 hours. Inspections shall be in the presence of the Human Resources administrator or designee. When the member has acquired District tenure, all references and evaluations obtained on the basis of confidentiality prior to employment with the District shall be destroyed.
- B. References and information originating outside the District on the basis of confidentiality (and information obtained within the District in the process of evaluating the member for initial employment) shall not be available for inspection or response by the non-tenured teacher.

- C. Material that is derogatory to a member regarding that member's conduct, performance, character or personality shall not be placed in the file unless the member has had an opportunity to read the material first. This material will clearly state that a copy is being placed in the central office personnel file. The member shall acknowledge that such material has been read by signing the actual copy to be filed. Such signature does not necessarily indicate agreement with the content of the material. If the member refuses to sign the statement, the principal or supervisor shall so note and send the statement to the Human Resources Office for filing and provide a copy to the member. The member shall have the right to challenge or respond in writing to material filed under Article 443 within 25 workdays of the member's acknowledgment or refusal to sign (except that formal evaluations must be responded to within 10 calendar days). When the member and the District agree that an item in the file is inaccurate or improperly placed in the file, the item shall be modified or destroyed immediately. Furthermore, no material from an anonymous source may be placed into a member's personnel file, except to support critical comments made by a supervisor in an evaluation document. Anonymous material shall be dated upon receipt by the principal before it is attached to the evaluation document.
- D. Evaluation forms and other documents pertaining to member performance and character shall remain a permanent part of the member's personnel file, and no such items shall be removed without written notification to the member. By request of the employee and approval of the District, the District shall remove any derogatory material from the personnel file after a period of two years.
- E. Members may have commendations placed in their personnel files. Members may request attachment to their annual evaluation summaries of positive input forms received from students, parents, or colleagues.
- F. All documents, communications, records and computer files dealing with member termination or non-retention shall be removed if the member is reinstated or absolved. These materials shall be maintained in a separate confidential file.

#### **444 UNIT FILE**

A unit file may be maintained from year-to-year and may contain only the following: copies of information filed in the central office personnel file; classroom observation notes; memoranda presented to the member to which the member has had the opportunity to respond; material which has been mutually agreed for placement by the member and the administrator. This file shall be available for inspection by the member in the presence of the unit administrator during the workday and shall not be retained beyond the end of the current school year. If a unit administrator deems it necessary to retain unit file material beyond the end of the current school year, the member must be informed of the specific material to be retained on or before May 15; the member shall have 20 workdays to respond to such material. Unit file material written after May 15 may be retained until the end of the next school year. Anecdotal records and non-evaluation objective information such as member's name, address, phone number, and leave slips may be maintained indefinitely.

#### **446 PUBLICATIONS**

- A. The District shall provide each member with access to a current copy of the following:
  - 1. School calendar;

2. Certificated Employee Evaluation Document;
3. Professional Teaching Practices Commission Code of Ethics;
4. District student discipline procedures outlined in Board policy and student/parent handbook.
5. Compiled School Laws of Alaska and Alaska Education Regulations;
6. School Board Policy;
7. Appropriate Curriculum Guides;
8. Alaska Special Education Handbook;
9. Anchorage School District Substitute Teacher Guidelines;
10. Elementary or High School/Middle level Administrative Manual;
11. Life Insurance Benefits booklet;
12. List of substitute teachers.
13. District Adopted Financial Plan (Budget)
14. Six-Year Capital Improvement Plan

- B. The District shall provide the Association President with access to all of the items listed in Article 446 A. plus the following:
1. Agenda packet for scheduled and special meetings including official Board minutes;
  2. Copies of all mass correspondence sent to all bargaining unit members.
  3. Proposed changes to Evaluation System documents.
  4. Monthly reports of Public Education Health Trust Participants.
  5. Monthly updated list of members.
  6. Monthly updated list of bargaining unit members indicating work location, range, and step placement on the salary schedule, sorted by Range and Step.

#### **449 REDUCTION-IN-FORCE**

- A. When possible, reduction in force shall be accomplished through attrition. The District may attempt to lessen the impact and extent of a reduction in force by encouraging unpaid leave, early retirement, or other means agreed to by the Association and District.
- B. The District shall notify the Association by May 14 of a need for lay-off of tenured teachers and by the last day of the school term for lay-off of non-tenured teachers. Accompanying the notice shall be data supporting the need for a lay-off and member seniority lists by content area. One list will include all members by seniority sorted by date from least to most senior and clearly indicating who is tenured or who is non-tenured. Another list will include those tenured members identified for lay-off with their highly qualified content qualifications (if hired prior to July 1, 2017) or endorsements separated into secondary and elementary and clearly indicating all subjects/content and levels they are eligible to teach. A third list will be created for non-tenured teachers identified for lay-off indicating their date of hire and the content area of their predominant current assignment.
- C. Seniority shall be defined as length of continuous service in the bargaining unit, part-time or full-time, or a combination of both, measured from initial date of contract employment. Paid or unpaid leave or lay-off shall not be considered as interruption of service and shall be counted toward seniority. When members have identical hire dates, seniority shall be determined by:
1. Date of employment acceptance, or if a tie still exists;

2. Time of employment acceptance, or if a tie still exists;
3. Date of submission of the Summary of Hire to Human Resources;
4. The drawing of lots by the affected members.

Seniority rights within Article 449 shall be retained for a period of three years following the date a member leaves the bargaining unit to accept employment in another District position for which certification is required. No out-of-unit certificated experience will be counted toward seniority. After three years, seniority rights of former members shall be forfeited.

- D. For purposes of this section, a tenured teacher is considered qualified for a position if the position is in
1. the elementary division, and the member has a teaching certificate, possesses an ASD documented Elementary Content Knowledge HQ, or endorsement, and meets the District's performance standards;
  2. the middle level of the secondary division, and the member has a teaching certificate, possesses an ASD documented Middle School Content Knowledge HQT designation in the specific content area or endorsement, and meets the District's performance standards;
  3. the high school level of the secondary division, and the member has a teaching certificate, possesses an ASD documented High School Content Knowledge HQT designation in the specific content area or endorsement, and meets the District's performance standards;
  4. A member not covered by the qualifications listed above is qualified for a position if the member holds a valid Alaska teaching certificate with the proper endorsement or meets District standards for teaching experience and/or course credits. Changes in District standards shall be distributed to the Association upon implementation.
  5. Qualifications will be defined as those held by the member at the time of lay-off.
- E. Only information in the personnel file shall be considered for determining qualifications.
- F. Lay-offs
- If lay-off becomes necessary, the District shall, consistent with applicable statutes, employ the following procedures:
1. Non-tenured members will be laid off before tenured members when a qualified tenured member is available to replace a non-tenured member. Members shall then be laid off in the inverse order of their seniority provided qualified members are available to replace those laid off;
  2. Members on leave at the time of lay-off shall be treated as if they were currently teaching. Notice shall be given at the same time as other members;
  3. A member who has received notification of lay-off may elect to take unpaid leave for up to one year if they complete leave request paperwork by June 30th of their lay-off notification year;
  4. Full health and/or life insurance benefits shall be available to any laid-off members according to Articles 205 and 210;

5. A laid-off member shall be granted “preference” notification in the substitute system once the member completes the required substitute paperwork.
6. Lay-off status does not constitute a break in service for retaining tenure rights and accrued sick leave.

G. Recalls

Recall shall be processed according to the following procedures, consistent with applicable statutes:

1. Recall shall be in inverse order of lay-off, as qualified, and specific to the content area and FTE status of the assignment they were in immediately prior to their lay-off in accordance with AS 14.20.177. A position will not be filled with a new hire if a qualified lay-off remains on the list.
2. Laid off AEA members will be required to complete a short online application form to allow for consistency of communication and documentation. A member will indicate their current FTE percentage and other acceptable FTE percentages.
3. Human Resources (HR) will communicate the lay-off recall order, based on inverse recall in the content area associated with the member’s layoff.
4. When a position is posted in a content area which has a lay-off member, HR will communicate the opening to the lay-off member associated with that content area via email, relative to the acceptable FTE percentage identified on the lay-off application.
5. The member to be recalled first will have five (5) calendar days from the time of the recall offer email to confirm their acceptance or rejection of the position.
6. If the laid off member does not respond within those five (5) calendar days, HR will send a certified letter to the member giving the member an additional twenty-five (25) calendar days from the time the letter was available for pick-up to respond to the recall offer and the District will notify the Association.
7. If the member does not respond to either the email or certified letter within the defined time periods, the District will consider it a rejection of the opening, the member will be removed from lay-off status, and the District’s obligation to that employee will have been met. A member who is sick shall notify the Human Resources Department of the intent to return as soon as possible after the offer. If unable to perform at the time of offer, the member will not lose recall rights.
8. If at any time the member rejects an FTE equivalent position, s/he will be removed from lay-off status and the District’s recall obligation to that member will have been met, unless the member declines the offer because the member is contractually obligated to other certificated teaching employment. The member will not lose recall rights for the following year.
9. When a position has been rejected by the first recall member, HR will initiate the same process with the next laid-off teacher in that content area.
10. A member may reject a recall offer that is greater or less than the FTE allocation previously held by the member, without penalty to her/his lay-off status, if they have documented their acceptable FTE percentage as identified in their lay-off application.

11. The member may voluntarily accept an open position outside the lay-off content area if a summary of hire is submitted by a principal for another certificated AEA position. Doing so ends the lay-off status.
12. If a member voluntarily accepts an open recall position that does not match the previous FTE, the District has no obligation to return them to the previous FTE.
13. The experience of a member who secures teaching employment elsewhere while in recall status shall be counted toward salary schedule step movement as if the experience was accrued with the District. Members on the recall list shall retain previously accrued leave benefits but shall not accrue leave days.
14. Members who elected to take unpaid leave in lieu of lay-off shall be considered for recall following the expiration of such leave in accordance with Article 413 E.

  - E. **Association appointed member representatives.**
2. **The Committee shall be tasked with making program and curriculum recommendations to the Superintendent.**

#### **452 INSTRUCTIONAL PLANNING**

- A. Instructional Planning Time is member-directed and shall be free from student supervision. It is time designated for members to address a variety of assigned professional responsibilities. These responsibilities include, but are not limited to, assessment of student learning, individualized lesson planning, collaborative team planning, conferencing with parents or colleagues, preparation/grading of instructional materials, and professional research or development. Instructional Planning Time shall be in blocks of no less than thirty (30) minutes during the student day. Infrequently, administration may conduct meetings during this time. Instructional Planning time is important. Administration will work to minimize disruptions to this time.

On days identified on the school calendar that includes parent teacher conferences and testing, planning time missed will not be rescheduled. It is a professional responsibility to structure schedules to accommodate instructional planning time requirements.

- B. The District shall provide an instructional planning period for all secondary members, except as indicated in Article 452 D.

#### **463 MENTORING AND EVALUATION SUPPORT COACH PROGRAMS**

- A. The Anchorage School District and the Anchorage Education Association agree to the importance of mentoring and Evaluation Support Coach support in order to strengthen educator recruitment, retention, and student achievement. The Educational Excellence Joint Committee (EEJC), consisting of representatives from the District Professional Learning Department and AEA, shall develop and oversee ASD/AEA Mentoring and Evaluation Support Coach Programs. The AEA/ASD EEJC agrees to the ongoing design and implementation of the following components:
  - a Mentor Program for who, independent of any deficiency in performance, request support and guidance from ASD/AEA trained Mentors. An educator choosing to work with a Mentor does so voluntarily in an effort to reflect on his/her own professional practice. Mentoring partnerships are collaborative. AEA and ASD believe that both the educator and the Mentor have skills and qualities to contribute. A decision by the educator to participate in this program does not imply a weakness or deficiency in the educator's performance;
  - an Evaluation Support Coach Program, only for those who have been evaluated, and are on either Professional Support or a Plan of Improvement. If an educator has not met standards on his/her evaluation and wants an Evaluation Support Coach, he/she may request an AEA trained Evaluation Support Coach from AEA. Although the program is to assist the educator in meeting the Performance Standards within the evaluation system, those involved in providing this service cannot guarantee the standards will be met. That responsibility lies solely with the educator on the Plan.

- Mentor and Evaluation Support Coach training. The application process, approval and training documentation will be maintained by the EEJC and the Professional Learning Department.
- B. Mentor and Evaluation Support Coach relationships are most effective when built upon trust. Candor and open discussion are essential to success. Member trust is encouraged by an assurance that all communication regarding performance issues, all observation reports, will be kept confidential. To provide this assurance, we agree to the following:
- Mentors/Evaluation Support Coaches will not be asked to
- participate in the evaluation of the member;
  - report to either the Association or to the District regarding member progress on a Plan of Improvement, or about the performance in general of an assigned member;
  - be called as a witness in any proceeding related to the non-retention or discipline of the member.
- C. The AEA and ASD agree to the importance of members having the opportunity to work with a trained Mentor or Evaluation Support Coach. Should a supervisor want to assist an educator in furthering his/her opportunity in obtaining a mentor or Evaluation Support Coach, the supervisor may recommend that the educator request mentoring support through the online application/request process or contact the AEA for Evaluation Support Coach support. It is recognized that these opportunities must be provided through the EEJC-approved process with trained Mentors/coaches.
- D. The District shall provide up to \$10,000 per year to provide mentoring and/or Evaluation Support performance support. An additional \$25,000 shall be made available for Mentors working with new-to-District educators.

#### **464 EVALUATION PROCEDURE**

- A. Members will be evaluated annually in accordance with the District's evaluation procedure and the requirements of State Law and the Regulations of the Department of Education and Early Development.
- B. The schedule for evaluations shall be as follows (unless mutually agreed otherwise in writing by evaluator and evaluatee):
1. Non-tenured members shall receive a minimum of one formal written observations, with pre- and post-observation conferences, no later than the end of the first semester. The evaluation shall be completed no later than February 15. Such evaluations may contain Plans for Improvement that extend until May 15, in order to provide maximum opportunity for retention;
  2. The evaluation of tenured members shall be completed no later than May 5. Evaluations which express concerns with member performance shall be based on a minimum of two formal written observations;
  3. A formal observation is an observation within the workplace, based on educator performance. It is prearranged according to a mutual date/time, includes a pre/post observation conference, is documented, and the documentation is shared with the employee;

4. Members will be given the opportunity to provide input on the performance of colleagues and administrators using a form developed by the District that includes a section for open comments. Participation in these evaluations by the member is at the member's option and must be completed no later than May 5.
- C. The evaluation of members shall include the following:
1. District-approved teacher evaluation documents will be used for both tenured and non-tenured members.
  2. The evaluation must clearly indicate when information other than specific observations by the evaluator has been used and clearly identify the source of the information;
  3. An acknowledgment of content signed by both the evaluator and the evaluatee must appear on evaluations. Acknowledgment by the evaluatee does not imply concurrence with the evaluation contents. The evaluatee must be informed of the right to review the written evaluation prior to final submission and comment in writing on any matter contained in it. Following receipt of the written evaluation, a period of 10 calendar days shall be allowed for the evaluatee to respond in writing to the evaluation. Such response will be placed in the evaluatee comments section of the document or attached to it if space does not permit. The evaluatee waives the right to written comments if not exercised within 10 calendar days. The fact that the evaluatee exercises the right to comment on the evaluation in the manner described may not be used against the evaluatee.
  4. A member has the right to request one additional written observation by a mutually acceptable different evaluator;
  5. All observation and evaluation documents are confidential (4 AAC 19.040). Unless mutually agreed otherwise by both the member and the District, no portion of an evaluation may be made public, except as evidence in a proceeding relative to a member's certification or employment, or as otherwise allowed or required by a court of law;
  6. For evaluations to be useful, principals must be free to express performance concerns candidly. Furthermore, it is expected that principals will share performance concerns as they arise, in order to provide an informal opportunity for a member to address and correct any problems. Members may submit written rebuttals to evaluation comments with which they disagree.
  7. The District, in meeting its statutory obligation to provide various stakeholders with an opportunity to offer input into the evaluation of members, will work to assure that a full range of such input is secured, in order both to maximize involvement and to insure balanced reporting thereafter. Principals will be expected to keep track of input received and to weigh carefully its significance in promoting excellence in performance.
- D. If the purpose of an evaluation conference is to place a member on Professional Support or a Plan of Improvement, the member has the right to request Association representation. If the member elects Association representation, he/she shall be given at least 48 hours to obtain such representation.
- E. Need for Professional Support

1. Principals may indicate a need for professional support at any time, following at least two formal written observations of the employee within the performance of his/her duties.
  2. An indication of need for professional support is intended to provide the member with an opportunity to address performance concerns in a collaborative manner. It is not a necessary precursor to a formal Plan of Improvement.
- F. **Plans for Improvement**  
No member shall be placed on a plan for improvement without prior observations by the evaluator. When a member is placed on a plan for improvement, the following shall be established in writing: the areas needing improvement; the program to be followed which shall include expectations, activities and prescribed time lines; the monitoring system; duration; and the member's right to have Association representation. Plans for Improvement shall represent the best efforts of the principal to define expectations, identify performance deficiencies, and recommend activities that may support improvement in member performance. The preparation of the Plan for Improvement shall be discussed with the member, while completion of the final document is the responsibility of the principal.
- G. Members who are placed on Professional Support or a Plan of Improvement may choose to request an Evaluation Support Coach through the AEA Evaluation Committee or its representative. If available, a trained Evaluation Support Coach will assist the teacher in working towards meeting the areas indicated on the Plan of Professional Support or the Plan of Improvement. The member requesting assistance is ultimately responsible for meeting the expectations of the evaluation plan.
- H. If a change in the evaluation procedure is to be considered, the Association shall be involved. That involvement will include full opportunity for the Evaluation Committee of the Association to review proposed changes to any part of the evaluation system and to collaborate with District representatives about how best to meet common needs. The Association reserves the right to petition the School Board to intervene in disputes over proposed changes to the evaluation system which cannot be resolved administratively.
- I. Additional evaluation information and procedures are found in the AEA/ASD Certificated Employee Evaluation Document available on the ASD website.

## **470 CLASSROOM COVERAGE**

- A. A principal or designee may request a High School/Middle level member to cover a class. The member may refuse the assignment unless the District is unable to obtain a substitute. A member covering the class shall be paid for the substitute work so long as the absence is for a District-approved activity or is a legitimate medical emergency. Compensation shall be at the rate of \$30 per High School/Middle level class period.

- B. When an elementary member covers for a teacher-in-charge or when substitute teachers are unavailable in an elementary school and the principal must assign coverage responsibility, the rate of compensation for the affected member or members shall be as follows: one member, full class, \$30 per hour of coverage; two members split class, \$20 per hour of coverage for each member; three members split class, \$15 per hour of coverage for each member; four members split class, \$10 per hour of coverage for each member; more than four members split class, no additional compensation.

#### **510 GRIEVANCE PROCEDURE**

- A. **Grievance Purpose**  
The purpose of this grievance procedure is to provide a framework within which both parties shall work toward solving problems as they arise and to guarantee fair treatment.
- B. **Grievance Definition**
  - 1. A “grievance” is a claim by a grievant that there has been a violation, misinterpretation, or misapplication of this Agreement.

2. A “grievant” is a member, group of members, or the Association that files a grievance.
  3. In order to provide the District with a fair opportunity to respond to issues, any new information or evidence to be added to existing grievances already heard at Level II will be heard again at Level II before advancing to arbitration.
- C. **Grievance Representation**  
The Association may be represented at any scheduled hearings, appeals or other proceedings relating to a grievance. Nothing contained herein shall be construed as limiting the right of any member having a complaint to discuss the matter via administrative channels or the grievance procedure and to have the problem adjusted, as long as the disposition of the problem is not inconsistent with the terms of this Agreement. No other employee organization shall have the right to represent members in any grievance proceeding. Moreover, the District shall not be required to meet with non-Association representatives in the completion of the grievance process.
- D. **Grievance Non-Reprisals**  
No reprisals shall be taken against a member for processing a grievance or participating in the grievance procedure.
- E. **Grievance Time Limit**  
A grievance must be received by the District within 25 workdays of the knowledge of the occurrence or non-occurrence of the act(s) or action(s) on which the grievance is based. The grievant or representative shall inform the unit administrator or the next administrative level with the authority to resolve the grievance that a grievance is being initiated.
- If the District refuses to proceed with a grievance on the grounds that the alleged violation is not grievable, the cost of arbitration or court proceedings shall be assessed against the District if it is determined that the District was unreasonable or acted in bad faith.
- Grievances shall be processed as rapidly as possible; therefore, time limits shall be considered as maximums. The time limits specified may be extended by mutual consent. The extension agreement shall be in writing and signed by both parties.
- F. **Arbitrator List**  
The Association and the District will establish a standing list of 11 arbitrators from the American Arbitration Association Western Region by September 30 of each year unless both parties are satisfied with the list.
- G. **Grievance Records**  
No written or printed matter dealing with the processing of a grievance shall be filed in the central office personnel file of any participant(s). A report of the final resolution of a grievance, however, shall be filed in a separate confidential file. The grievant’s name shall not be shared without the consent of the grievant except that the final report of a grievance may be used in subsequent proceedings of the Association, District or grievant as evidence of the interpretation of this Agreement. The grievant’s name shall be blanked out if the arbitration report is distributed in the District.
- H. **Grievance Participants**  
A grievant may call and present witnesses at any level of the proceedings.

When the District and the Association agree to hold grievance hearings (including arbitrations) during the workday, the grievant(s) in the hearing shall be released from regular duty for the time necessary to participate in the hearing without charge to their own leave or Association Leave. Witnesses and Association representatives will be charged Association Leave at one-half day for full day of leave to cover their missed time.

I. Grievance Forms

Grievance forms that are required for processing and filing of grievances shall be available to all members only through the Association office or an Association representative in each unit.

J. Informal Grievance Level

The parties will attempt initially to resolve problems at the point of origin through free and informal communication.

K. Grievance Level One

2. The immediate supervisor shall meet with the grievant within five workdays of the filing date. The meeting time shall be set by mutual agreement.
3. An Association representative and/or another member may accompany the grievant at the Level One meeting and may speak on behalf of the grievant. The immediate supervisor may have another person present if the grievant is accompanied by a representative.
4. The immediate supervisor shall submit a written decision within five workdays of the Level One meeting to the Association and grievant(s) unless completion of an adequate investigation requires more time. If no response has been received to the Level I grievance within ten (10) working days of the hearing, the grievance shall move to the next level.

L. Grievance Level Two

1. If the grievant is not satisfied with the disposition of the grievance at Level One or if no written decision has been submitted within 10 workdays of the Level I hearing, the grievance may be appealed in writing to Contract Administration. The Contract Administration representative shall immediately notify the Association as to the nature of the grievance, if the Association is not involved.
2. Within 10 workdays of the receipt of the grievance or appeal, however filed, the Contract Administration representative shall meet with the grievant, the defendants named in the grievance-and the grievant's representative, if requested, in an effort to resolve the grievance at a time mutually acceptable to the Association and District.
3. The Contract Administration representative shall submit a written decision within ten workdays of the Level Two hearing to the grievant(s) and the Association.

M. Grievance Level Three

1. If the grievant and the Association are not satisfied with the written disposition of the grievance at Level Two or if no written decision has been submitted within 10

workdays of the Level Two hearing, the grievance may be submitted to final and binding arbitration only by the Association. Within 10 workdays from the notification date that arbitration will be pursued, the parties shall meet to choose an arbitrator or alternately strike names from the list of 11 arbitrators selected through Article 510 F. until the arbitrator is identified.

The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement. Both parties agree to be bound by the decision of the arbitrator. The fees and expenses of the arbitrator shall be borne equally by both parties.

2. Written notice of the intent to appeal to arbitration must be made to the Contract Administration representative within 20 workdays of the receipt of the Level Two decision by the grievant and the Association or within 25 workdays of the Level Two hearing, whichever is more.
