## **100 PREAMBLE**

The Anchorage School Board, hereinafter the "Board", recognizes the Anchorage Council of Education/American Federation of Teachers, Local 4425, represented by Alaska Public Employees Association/AFT, (AFL-CIO), hereinafter "ACE", as the exclusive collective bargaining agent for all employees below the level of director; in new positions created during the term of this Agreement with like or similar job functions and/or employees at the same organizational level; or in positions previously represented by ACE below the level of director. Positions previously represented by ACE shall not be assigned to another bargaining unit or to the Exempt employees' group, without the approval of ACE. Disputes regarding bargaining unit composition shall be resolved by the Alaska Labor Relations Agency.

## **200 STATUS OF AGREEMENT**

### **201 INTENT**

This Agreement shall modify, replace, or add to any policies, rules, regulations, procedures, or practices of the District that shall be contrary to or inconsistent with its terms. Only Letters of Agreement and Memoranda of Understanding generated during the life of this Agreement shall have force and effect.

### **202 COMPLETE AGREEMENT**

- A. The parties acknowledge that each has had the unlimited right and opportunity to make demands and proposals with respect to any matter deemed a proper subject for collective bargaining. The result of the exercise of that right and opportunity are set forth in this Agreement. This document contains the full and complete agreement on all bargainable issues between the parties hereto and for all whose benefit this Agreement is made and no party, except as otherwise expressly provided for in this Agreement, shall be required during the term of this Agreement to negotiate or bargain any issue.
- B. This Agreement constitutes the entire agreement between the parties; and no oral statement shall add to or supersede any of its provisions. Individual employees shall have no authority to add to, modify, or agree to supersede any provision found in this Agreement. Nothing in this section shall prevent either party from introducing new subjects for collective bargaining in future negotiations. The parties may elect, from time to time, to enter into agreements that supplement or clarify the terms and conditions of employment contained herein. Such agreements shall be in writing and be signed by both parties. A copy of any agreement shall be distributed by the District to the Human Resources Department and all supervisors directly affected by the agreement.

### **203 SEPARABILITY AND SAVINGS**

In the event that any provision of this Agreement is or shall at any time be determined to be contrary to law, all other provisions of this Agreement shall continue in effect. Only the subject of the deleted provisions and the affected provisions shall be subject to further collective bargaining during the term of the Agreement with respect to the period covered by this Agreement. The parties hereto agree that negotiations for changes in the Agreement to conform with federal or state laws shall commence within 30 days of the date of the changes.

- F. Student interns are exempt from this article.

### **305 MEMBERSHIP PAYROLL DEDUCTIONS**

#### **A. Membership Dues**

#### **B. Membership Payments**

The District will make monthly payments to ACE for authorized initiation fee, voluntary service fees, and voluntary membership dues. The union agrees to defend, indemnify, and hold the Board harmless against any liability and pay all costs and attorney's fees which may arise by reason of any action taken by the Board in complying with the provisions of this article. The Board retains the exclusive right to select its own counsel and theories of defense. This indemnification shall not apply to any claim, demand, suit, or other form of liability which may arise as a result of willful misconduct by the Board.

### **306 NON-DISCRIMINATION**

ACE and the District agree to comply with all local, state, and federal laws, rules, or regulations prohibiting discrimination against any person with regard to employment because of a protected class. This prohibition relates to hiring, placement, transfer, promotion, upgrading, recruitment, advertisement, layoff, termination, and all other kinds of employment. Employees have the right to use the District's internal discrimination complaint procedure to resolve any disputes that may arise from this section. This Article (306) is not subject to the grievance procedure.

### **307 PROFESSIONAL WORKPLACE**

The District and ACE agree that harassment between co-workers is inconsistent with the effective and efficient conduct of District business and professional workplace expectations. Behaviors that contribute to a hostile, humiliating, or intimidating work environment will not be tolerated. Employees who believe they are subject to harassment should report the incident to the immediate supervisor, or the appropriate department director, manager, or supervisor, or to an ACE representative, without fear of reprisal. The initiation of a complaint in good faith about harassment shall not adversely affect the terms or conditions of employment or the work environment of the complainant. There shall be no retaliation by the District against any person who, in good faith, reports, files a complaint, or otherwise participates in an investigation or inquiry.

### **400 GRIEVANCE**

#### **401 GRIEVANCE PROCEDURE PURPOSE**

The purpose of this procedure is to provide a framework within which employees may work toward solving problems that assert violation of rights conferred by this Agreement. Parties to a disagreement shall initially attempt to resolve such problems at the lowest possible level through informal and free communication.

De-certification of a JROTC Instructor, for any reason, by the U.S. Department of Defense (DOD) is not subject to the following grievance procedures.

#### **402 GRIEVANCE DEFINITIONS**

- A. "Grievance" shall mean any allegation filed under the terms of this section that there has been a violation, misapplication, or misinterpretation of the terms and conditions of employment, as defined in this agreement.
- B. "Grievant" shall mean an employee, group of employees, their independent representative, or ACE who initiates a complaint alleging that the employee or group of employees has been directly injured through a violation, misinterpretation, or misapplication of this Agreement. The term "grievant" also includes ACE with respect to grievances growing out of an alleged violation of its organizational rights under this Agreement. Independent representation (as applied above) shall only be authorized if in writing by ACE.
- C. "Parties" shall mean the grievant(s), the District, and ACE.
- D. "File" shall mean the date sent by mail/electronic mail/faxed/or hand delivered.

#### **403 GRIEVANCE PROCEDURE**

- A. A grievance must be filed within twenty (20) workdays of the occurrence or such time the grievant knew or should have known of the alleged act(s) or action(s) on which the grievance is based. The grievant must be present at Level 1 and may be present at all other steps. The grievant may be represented by ACE, APEA/AFT representatives, or by a representative authorized in writing by the ACE President. Any grievance settlement reached in the absence of involvement by a representative of ACE shall apply to that grievance only and shall not be a precedent. All such settlements must be immediately communicated to ACE, in writing.
- B. If time limit extensions become necessary, the extensions are to be kept to a minimum and must be mutually consented to in writing by ACE and the District prior to the expiration of the time limit.
- C. No reprisals shall be taken against an employee for processing a grievance or participating in the grievance procedure. On the other hand, participation in a grievance shall in no way absolve an employee from responsibility for performance or misconduct before or after the filing of a grievance.
- D. Grievances and materials created from the grievance process shall not be filed in official personnel files.
- E. A party to a grievance may call and present witnesses at any grievance level. Witnesses shall be released from work as necessary without loss of pay or benefits if the hearing is scheduled during the workday of the witnesses. The District retains the right to avoid unusual costs or loss of productivity by scheduling hearings outside the regular workday.
- F. If both ACE and the District agree, a grievance may be heard by the Superintendent prior to arbitration.

#### **404 GRIEVANCE LEVELS**

- A. Level One (Departmental)
  - 1. A grievant and/or ACE representative with a grievance may initiate the grievance procedure by filing a written statement of the grievance to the immediate supervisor with a copy sent to ACE. If the grievance is the result of a decision beyond the authority of the immediate supervisor, the grievance will be initiated at Level Two within the same time limits of Level One.
  - 2. The immediate supervisor shall meet with the grievant and/or ACE representative within five (5) workdays of receipt of a statement of a grievance. The immediate supervisor shall set the time of the meeting at a

mutually convenient time. A minimum of one (1) workday's notice shall be given ACE to provide a representative.

3. An ACE representative may accompany the grievant at the Level One meeting. The ACE representative may speak on behalf of the grievant if requested to do so by the grievant or ACE.
4. The immediate supervisor shall render the decision in writing within ten (10) workdays of the Level One meeting to the grievant and ACE.

#### B. Level Two (Labor Relations)

1. If either ACE or the grievant is not satisfied with the disposition of the grievance at Level One, ACE may file the grievance in writing to the Labor Relations Department within five (5) workdays of the Level One decision or due date of that decision.
2. Within five (5) workdays of receipt of the written appeal, the Labor Relations Department shall meet with the grievant and/or representative(s) or any other persons in an effort to resolve the grievance.
3. The Labor Relations Department shall render a written decision within ten (10) workdays of the Level Two meeting to the grievant and ACE.

#### C. Level Three (Arbitration)

1. If the grievance is not satisfactorily resolved at Level Two, ACE may file, within twenty (20) workdays of the Level Two decision or due date of that decision, a request for arbitration with the Labor Relations Department.
2. The District and ACE shall mutually select the arbitrator within ten (10) workdays of the arbitration request by ACE. If agreement cannot be reached, the arbitrator shall be selected from lists of arbitrators supplied by the American Arbitration Association and/or the Federal Mediation and Conciliation Service and/or the National Arbitration Association. ACE and the District shall alternately strike an equal number, not to exceed five (5) of the names from the lists until an arbitrator is selected. The side to strike first shall be determined by the toss of a coin.
3. The arbitrator's function is to interpret and apply this Agreement and render a decision on alleged violations thereof. The arbitrator shall have no power to add to, subtract from, or modify any terms of this Agreement nor shall they have any authority to make any decision which requires the commission of an act prohibited by law, or which violates the terms of this Agreement.
4. All communications to or from the arbitrator must be shared equally and at the same time between ACE and the District.
5. The decision of the arbitrator shall be final and binding on the District, ACE, and the represented employee(s).
6. Costs of the arbitrator's services including expenses, if any, shall be borne by the losing party, or if the arbitrator determines that neither party is the losing

party, then the arbitrator shall assign arbitrator's fees and expenses proportionally to the parties as judged equitable.

D. Default

The time limits set forth in this article are important. The failure of the supervisor or the Labor Relations Department to adhere to the time limits shall result in the grievance being automatically advanced to the next step. Time limits may, however, be extended at any time by mutual written agreement of the parties. Neither party will unreasonably refuse to grant a legitimate request for an extension of time.

## **500 WORKING CONDITIONS**

### **501 POSITION DESCRIPTION**

1. New employees shall have access to a copy of the applicable Job Posting/Job Description. Current employees shall receive a copy of the applicable Job Posting/Job Description upon request to the Human Resources Department. A copy of the Job Posting/Job Description shall be placed in the employee's official personnel file. The District will review job descriptions periodically or when specifically requested by an affected employee.
2. If clarification is needed, the employee may request a review meeting with the supervisor to outline the specific duties and responsibilities of the work assignment, including other related duties that may be assigned (duties associated within normal work scope as described in the job description).

### **502 PROBATION**

The probationary period for new employees shall be five (5) months or one-hundred (100) workdays, whichever is longer.

### **503 VACANCIES AND PROBATION**

- A. Unless otherwise mutually agreed, position vacancies in the ACE bargaining unit will be advertised internally with an electronic posting, for current employees in the ACE bargaining unit only, for not less than three (3) workdays.
- B. The District will make an effort to fill vacancies from within the bargaining unit. Qualified internal applicants who have submitted a completed application as specifically outlined in the job posting shall be considered, on merit principles, prior to acceptance of applications outside the bargaining unit. Qualified internal applicants will be interviewed.

- C. Vacancies not filled as a result of the internal posting will be filled in accordance with established District procedures regarding advertising, interviewing, and selection.
- D. Employees who are interviewed and not selected may request from a Human Resources representative, in writing, through an ACE representative, the reasons for selection of the successful candidate and why they were not selected. Employees may confer with the representative about suggestions to enhance future promotional opportunities.
- E. Employees reclassified to a non-bargaining unit position shall not lose accrued ACE longevity established prior to such reclassification if returned to ACE within twelve (12) months.

#### **504 PROBATIONARY PERIOD FOLLOWING PROMOTION**

Employees who are promoted to a position in a higher range shall serve a seventy-five (75) workday probationary period for the higher position. In the event that the employee does not perform satisfactorily in the higher position, the employee shall be entitled to return to the former position held or, if filled, the first available position for which the employee is qualified. Unpaid leave for up to one year shall be granted to employees who do not complete their probationary period under this provision. Disputes over performance during these probationary periods are not grievable.

#### **505 TRAINING AND PROFESSIONAL DEVELOPMENT**

- A. The District, through their Teaching and Learning Department, will work with the ACE Training and Professional Development Committee to address the needs of ACE members.
- B. The District will hold First-Aid/AED/CPR and Crisis Prevention Intervention (CPI) Certification trainings during employee work hours to enable employees who are required by the District to obtain the certificates to do so.
- C. Safety Security employees shall receive annual training on District procedures and expectations specific to the safety and security of students, staff, and facilities.
- D. Employees who are required by the District to have an "S" endorsed Commercial Driver's License (CDL) and renew their CDL during their employment will be reimbursed for the cost of renewal. The driver must produce their renewed CDL.

#### **506 EVALUATION**

- A. An evaluation is an ongoing process of communication between the supervisor and the employee. This process should provide constructive dialogue and feedback about work performance; i.e., workplace effectiveness and efficiencies, service, employee goals, and supervisor expectations. The purpose of the annual evaluation is to provide candid and direct feedback to the employee regarding the degree to which performance expectations are being met and provide the employee an opportunity for improvement. The employee's work performance rating shall be based on duties and responsibilities as outlined in the job description/job posting and other normal performance expectations of all District employees.
- B. Supervisors should meet with employees by October 31 each year to discuss expectations and goals for the year. Supervisors and employees are expected to continue performance discussions throughout the work year.
- C. Employees will be formally evaluated at least once per year. Employees shall have their electronic evaluation completed prior to the end of their work year.
- D. The supervisor and employee shall meet and discuss the draft evaluation at least five (5) workdays prior to the end of their work year. The employee may request a follow-up meeting to include an ACE representative. Following the meeting and consideration of the employee's input, the supervisor shall finalize the evaluation. The employee shall have access to a copy of the completed evaluation.
- E. The employee shall acknowledge the evaluation and note whether they agree or disagree with the evaluation. An employee who disagrees with the evaluation may prepare a written response to the evaluation which shall be attached to the evaluation. The employee will have five (5) workdays from the date of the finalized evaluation to respond to the evaluation. All evaluations will be electronically filed in Human Resources by July 1 each year.
- F. Evaluation of ACE employees whose position requires them to have a certificate shall be in accordance with state statute and District certificated evaluation procedures.
- G. ACE shall be involved in any revision of employee evaluation forms.
- H. Continuing and significant performance concerns will be addressed through progressive discipline.
- I. Evaluations are not subject to the grievance procedure.

An employee shall have the right, upon written request, to receive copies of any or all materials originating subsequent to employment with the District and placed in the employee's official personnel file. The District shall maintain only one official personnel file for each employee.

Upon an employee's written request to the Labor Relations Department, letters of warning and reprimand will be removed from the official personnel file after three-and one-half (3.5) years, provided that no similar subsequent entries have been made into that file, except in cases of serious misconduct, e.g., sexual impropriety, violence, insubordination, etc. This opportunity shall not be given in cases of suspension, termination, or disciplinary demotion.

The District shall provide an employee with a copy of any materials placed in the official personnel file, at the time of placement, which relate to work performance. An employee shall have the right to respond in writing to any material placed in such file; the response shall become part of the file. Anonymous derogatory materials shall not be placed in the official personnel file.

## **508 WORK YEAR PLANNING AND DAILY WORK SCHEDULE/SHIFT**

### **A. WORK YEAR PLANNING**

The District reserves the right to establish restrictions for the selection of workdays based upon operational needs and declared closure periods.

Prior to the end of the current work year, the employee and their supervisor shall develop a plan for the upcoming school year. The plan may be in writing and should include, at a minimum, the employee's start and end dates.

It is the employee's responsibility to seek and obtain supervisor approval for their work year plan, to identify an appropriate number of non-workdays based on the number of workdays in their work year, and to timely request non-workdays in the District's leave reporting system.

Approval or non-approval of requested non-workdays by the supervisor shall occur within five (5) workdays of the request. After approval through the leave reporting system, modifications must be mutually agreed to by the supervisor and employee.

In the event of natural disaster, flood, fire, or other unforeseen compelling reason, and the employee and supervisor are unable to agree on changes to the employee's scheduled workdays, ACE and the District shall mutually agree to any changes.

#### B. DAILY WORK SCHEDULE/SHIFT

1. Split shifts shall not be scheduled as regular employee work shifts unless the employee is agreeable and/or the vacancy is posted in that manner.

Employees working more than six (6) hours per day shall be allowed two (2) relief breaks, not to exceed fifteen (15) minutes each, during their workday. Relief breaks shall not be used for making up time nor shall an employee arrive late or leave early in lieu of taking the relief break. An employee shall remain on the building grounds during the relief break.

### **510 EMERGENCY CLOSURE**

When District facilities are closed to students due to inclement weather conditions, employees will telephone the supervisor if arrival will be late, unless phone contact is not feasible. When an employee arrives within 90 minutes of the normal starting time, full credit will be given for the day's attendance.

If travel to the workplace is hazardous, the absence will be charged in the following order: (1) non-work days; (2) if the employee has no non-work days, annual leave; (3) if the employee has no annual leave, unpaid leave. By mutual agreement between the supervisor and the employee, the employee may be allowed to utilize flexible scheduling to make up work missed or may work from an alternative work site.

Initial probationary employees dismissed under this section do not have recourse through the grievance procedure.

The District shall offer to a laid-off employee the highest range existing vacant position previously held. If a vacant position is not available, the District shall offer to the laid-off employee the highest range position previously held or supervised within the last thirty-six (36) months, if the employee is senior to the incumbent in that position, provided the employee is qualified. If more than one such position is available, the District will select the position to be offered. A laid-off employee assigned to a position previously supervised but not held shall serve a probation period of three (3) months. At any time during the three (3) months probationary period, the employee may be placed in layoff for the remainder of the recall period or until recalled.
- B. An employee whose position is to be eliminated due to budget restrictions, reorganization, and/or position redefinition will be notified in writing a minimum of ninety (90) calendar days prior to the elimination of the position. In the absence of such timely notification, the employee will receive their full monthly salary, per diem rate, and benefits they would have received had the member been given the proper notice.
- C. Accrued annual leave shall be cashed out at time of layoff unless the employee requests their annual leave to be held for up to twelve (12) months from the effective date of layoff, at which time such leave shall be cashed out. Employees who choose to return to a different job title shall retain their recall rights as identified in Article 516 to the job title from which they were laid off, until refusing to accept an offer in the job title from which laid-off.
- D. Recall shall be by telephone as long as the District personally speaks to the laid-off employee. If the District does not speak directly with the laid-off employee, the District shall send written notice by certified mail, return receipt requested, to the employee's last known address on file with the Human Resources Office. The employee shall accept or reject recall by 9:00 a.m. on the fourth workday after personal phone notification, or the delivery date or proof of attempted delivery. Should special circumstances prevent a return to work within two (2) weeks, the employee shall notify the Human Resources Office and arrange a return date that is agreeable to the District. Failure to return to work within the agreed upon time or respond to the certified letter shall be considered a voluntary termination. It shall be the employee's responsibility to keep the Human Resources Office informed of current phone number and address.
- E. Employees who are recalled from layoff within four (4) months shall be placed at the step they would have earned had the employee not been in layoff status. Employees

  2. Provide legal defense against any allegations, litigation, or arbitration at no cost to the employee.
- B. An employee may use approved methods of physical restraint if a student's behavior poses an imminent danger of physical injury to the student, oneself, or others and less restrictive interventions would be ineffective at stopping the imminent danger. Restraint must be limited to that necessary to address the emergency and must be immediately discontinued when the student no longer poses an imminent danger or when a less restrictive intervention is effective to stop the danger.
- C. The District shall not be required to indemnify an employee under this article if the employee's actions are found to be willful or malicious.

#### **704 WORKERS' COMPENSATION**

- A. In an effort to avoid Workers' Compensation claims, employees shall notify their immediate supervisor in writing, with a copy to ACE, of any unsafe working conditions. The supervisor shall investigate the concern and rectify the problem, as appropriate.
- B. The District will provide Workers' Compensation benefits in accordance with the Alaska Workers' Compensation Act for injuries or illnesses sustained in the course and scope of employment.
- C. The employee on Workers' Compensation shall also continue to be paid full salary until all sick leave and annual leave are exhausted, in that order. This section shall be implemented at the sole option of the employee.
- D. As long as an employee continues to draw regular salary under Article 704 C, benefits will continue as if the employee were actively at work.

- E. After an employee exhausts all annual leave, sick leave, non-workdays, and Family Medical Leave if applicable, the employee may apply for unpaid medical leave not to exceed one (1) year total for all leave.
- F. Return rights for these employees shall take precedence over other employee unpaid leave provisions.
- G. If an employee returns to work from unpaid leave within ninety (90) calendar days from the last day worked, the employee may return to the same facility and job title held before the unpaid leave, subject to the requirements of the Family Medical Leave Act (FMLA). If an employee returns to work between ninety-one (91) calendar days and one-hundred eighty (180) calendar days from the last day worked, the employee shall return on a position available basis. If the employee is unable to return because a position is not available, the employee's leave shall be extended for up to six (6) months. If no position is available within that timeframe, the District shall have no further obligation to reinstate the employee. Refusal to accept a position at the same or greater salary as previously received shall terminate the employee. The District and ACE may mutually agree to extend these deadlines.
- H. If an employee fails to return to work from unpaid leave on the agreed upon date for any reason except emergency situations beyond the employee's control, the employee shall be considered as having voluntarily terminated. Employees who terminate and are rehired within one (1) year will retain the same step, union seniority, and benefits tied to their union seniority, as held prior to the separation. Employees who terminate under this article may apply for rehire as internal candidates for up to one (1) year from the date of their termination.
- I. An employee on Workers' Compensation shall not be subject to layoff; however, should layoffs occur in the employee's job title, the employee's rights to return to work shall be governed by the recall provisions.

## **705 HOLIDAYS**

The following District holidays shall be observed by employees as non-paid days:

Independence Day	Day Before New Year's
Labor Day	New Year's Day
Thanksgiving Day	Martin Luther King Jr. Day
Day after Thanksgiving	President's Day
Day before Christmas	Memorial Day
Christmas Day	Juneteenth

When a recognized holiday falls on a Saturday, the preceding Friday shall be considered a District holiday. If the holiday falls on Sunday, the following Monday shall be considered a District holiday.

An employee who is in a pay status on the workdays immediately preceding and following a designated holiday and who is required to work on that day shall receive double pay.

## **706 EMPLOYEE ASSISTANCE PROGRAM**

The District shall provide an Employee Assistance Program (EAP), available without charge to the employee and dependents. The District reserves the right to modify the program as it deems appropriate. The employee's use of the EAP shall remain confidential and not be disclosed to the District or ACE by the service provider without the employee's written consent. The decision to utilize the EAP cannot be used against the employee in evaluations, memoranda, or any other record that refers to employee performance. Client lists shall not be available to the District or ACE from the service provider.

## **707 MILEAGE REIMBURSEMENT**

Employees required by the Superintendent to use their private motor vehicles to conduct school business shall be reimbursed at the approved Internal Revenue Service rate.

Requests for mileage reimbursement must be submitted no later than quarterly.

Employees shall be required to carry the minimum liability insurance specified by statute. Employee liability insurance coverage will be primary and District coverage secondary in case of accident. In all cases, employees will incur the cost of damage to their own vehicles.

## **800 SALARY**

### **801 SALARY CONDITIONS**

- A. Except as described in Article 803, employees shall be paid on a salary basis by direct deposit. Employees shall receive annual written notification of salary, or hourly rate, as applicable.
  1. 180-day and 182-day employees will continue to be paid as ten (10) equal payments, with their first paycheck in September.
  2. 188-day employees receive twelve (12) equal payments starting in August. Two (2) checks will be issued in May and one (1) in June.
  3. 198-day and 205-day employees will receive their first paycheck in August, with a second payment in June, paid as twelve (12) equal payments.

4. 215-day certificated positions will receive their first paycheck in August. 215-day classified positions will receive their first paycheck in July.
  5. All other employees will be paid as twelve (12) equal payments with the first payment made in the same month as it started for the 2023/2024 school year (either July or August).
  6. JROTC pay practices will continue as detailed in 801G.
- B. Annual salary shall be calculated by multiplying the per diem times the number of workdays times the percentage of FTE worked.
- C. Each year on July 1, employees shall move one step within their assigned range. An employee whose salary exceeds the range maximum shall be held at the current salary until the salary schedule exceeds current salary. Employees returning to the same job title from an unpaid leave of more than half of the number of workdays in the work year shall retain the step held previous to the leave.
- D. Service credit shall be earned at the following rates:
- 5 years through 9 years of service: 1.5% of annual salary
  - 10 years through 19 years of service: 2.25% of annual salary
  - 20 years through 29 years of service: 2.75% of annual salary
  - 30 plus years of service: 3% of annual salary

Conditions: Service credit payments shall be earned on a fiscal year based upon the employee's full years of service in ACE as of June 30, and as defined in Article 513. To be eligible, ACE employees must complete their full work calendar on or before June 30 of a fiscal year.

Service credit payments shall apply to all wages earned by the employee. Service credit payments will be applied to a fiscal year salary covering the total gross wages earned during the period from July 1 through June 30 of a given fiscal year. Annual service credit payments will normally be paid in July of the following fiscal year.

- E. Employees who are recalled from layoff into a lower range shall be placed at the step of the lower range closest in dollars to, but not more than, the step held at layoff. Placement at the higher step in the lower range will continue only so long as the employee remains in that position. If the employee returns to a position in the range held before layoff, the employee will return to the step held before layoff, adjusted for any movement secured through bargaining. Any change of assignment

between the lowest range held as a result of recall and the position held before lay-off will result in no change in compensation.

Employees who return from long-term unpaid leave into a lower range shall be placed according to previous experience, as determined by the Human Resources Department, except as provided in Article 611 A.

F. Employees who are reclassified to positions in higher ranges, or accept a position in a higher range, shall receive a minimum 5% increase in their per diem amount.

G. Pay Practices for JROTC Instructors

1. JROTC Instructors shall be contracted for 200 workdays between July 1 and June 30 each year. That amount of annual salary shall be equal to the monthly Minimum Instructor Pay (MIP) required under the District's agreement(s) with the Department of Defense (by appropriate branch), plus a \$4500 addenda. The annual salary for JROTC Instructors shall be projected each year, based upon the actual MIP for the first quarter of the calendar year. The annual salary for newly hired JROTC Instructors will be based on the estimated MIP notice received from the Department of Defense multiplied by the remaining pay periods in the current year.
2. JROTC salaries shall be paid in thirteen (13) payments. Twelve (12) payments will occur monthly and coincide with the District's regular payroll schedule beginning in July; or for the number of months actually employed during the school year. The thirteenth (13) or final payment will be paid as a \$4500 addenda on or before July 15th of the following fiscal year. Any necessary adjustments in annual salary that are necessitated by changes in the Minimum Instructors Pay requirements shall be reflected in the thirteenth payment. If employment with the District ends prior to the end of the work year, the District reserves the right to retrieve any overpayment and shall submit any under payment.

## **802 WORKDAYS**

Employees shall work the number of days as currently assigned or as established by the District for new positions and amended to this Agreement by Letter of Agreement.

Unless otherwise specified in this Agreement, nothing in this Article shall be construed to prohibit the adjusting of an employee's work schedule or workdays during a pay period to

meet the operational needs of the District. If this section is applied, the affected employee's work plan calendar should be adjusted accordingly.

### **803 OVERTIME ELIGIBLE POSITIONS**

#### **Ranges A-D**

- A. Employees who occupy position titles in Ranges A-D in Article 807 shall receive overtime when work beyond eight hours in a day or forty (40) hours in a week is required. Overtime work shall be paid at the rate of one-and-one-half (1.5) times the regular hourly rate. Work in excess of twelve (12) hours in any continuous work period shall be paid at two (2) times the hourly rate. Overtime hours worked shall be submitted to Payroll in accordance with written Payroll procedures.
- B. Through mutual agreement, employees eligible for overtime may elect to receive compensatory time instead. Compensatory time will be computed in the same manner as overtime. Compensatory time off can be accrued up to 240 hours (not more than 160 hours of actual hours worked). This time must be used by the end of the fiscal year in which it is earned. In lieu of this, the employees' supervisor must report any unused amount that remains on the books to the Payroll Department for payment.
- C. No work beyond the specified shift will be performed without prior written supervisor approval. Employees, who willfully cause the District to incur overtime obligations without obtaining proper supervisory approval, shall be subject to disciplinary action.
- D. An employee who is notified prior to the end of the regular shift to report early to the next shift, will be paid time and one-half for actual hours worked prior to the start of the regular shift. An employee notified at home to report back to work or prior to starting the next regular shift, will receive compensation at one and one-half times the regular rate of pay for actual hours worked, with a minimum of four hours overtime.
- E. Employees will accurately record time worked in accordance with District procedures.
- F. Leave will be tracked on an hourly basis using the District's leave recording system. Leave will be submitted on an hourly basis. Documented leave usage records are to be maintained in the District's leave recording system.
- G. All hours worked will be tracked on a daily basis. Time will be reviewed and submitted by the employee in the District's time recording system on a daily basis.

- H. Overtime eligible employees hired after June 30, 2024 shall be paid biweekly based on accurately recorded time in the District's time recording system. All other overtime eligible employees may elect to transition to biweekly pay at any time. Once an election is made the employee may not return to the prior pay election.

#### **804 OVERTIME INELIGIBLE POSITIONS**

- A. Normal workweeks for ACE overtime ineligible positions typically require a minimum of forty (40) hours, and individuals in these positions are expected to be available during the normal workday to meet the needs of the District. Employees in these overtime ineligible positions are expected to take responsibility for their own schedules and can, on occasion, take time off from work in order to meet personal needs. This time off from work must be approved in advance by the supervisor and must not conflict with District operations. On these infrequent occasions, a leave request is not required for absences of less than four (4) hours.
- B. For each workday, salaried employees are required to "presence punch" or submit paid leave requests according to District procedures.
- C. Employees working less than full-time will not be expected to regularly work hours over their FTE. Duties and responsibilities shall be adjusted to accommodate the assigned FTE.
- D. Employees may, at any time, request an additional review of their positions, if they believe their positions to be overtime eligible. Additional reviews shall be conducted by an outside consultant, agreed upon by the District and ACE. Any disputes regarding eligibility for overtime shall be determined in accordance with the Fair Labor Standards Act.

#### **805 STANDBY**

Standby assignments may be implemented upon agreement between ACE and the District.

#### **806 SPECIAL PROJECTS**

- A. Special project agreements may be written for amounts not necessarily related to regular pay rates. Acceptance of such agreements shall be at the employee's option, without recrimination for refusal to accept. These time-specific projects shall be paid by addendum and based on organizational need, project complexity, estimated length of time required to complete project, and qualifying skill factors. Special projects are for duties performed outside of the employee's regular workday.

- B. Addenda in excess of \$5,000 per project shall be negotiated with ACE and agreed to by Letter of Agreement. ACE will respond to any special projects request in a timely manner. A Letter of Agreement is not required for ACE employees who voluntarily elect to coach, perform coaching duties, act as gym managers, work the King Tech High School third session, or work summer school outside of their normal work. The members shall be paid in the amount as set by the standard District practices.
- C. Overtime eligible employees who accept special project assignments outside of a scheduled shift shall be paid their regular rate of pay or overtime wages as appropriate.
- D. If an ACE employee is offered and accepts a summer school or extended school year position, employees will be paid via addenda at the range and step of their regular school year position, including retirement contributions. Employees do not accrue additional leave and cannot use leave while performing summer school work. If the position for which the ACE employee is hired falls within a higher range, the employee may negotiate to be paid at the higher range for the summer assignment.

**807 CLASSIFICATION PLAN**

The District shall maintain a classification system, based upon the principle of like pay for like work. The following criteria shall be used to determine the appropriate classification, to include but not limited to: Education, Knowledge, or Know-How; Accountability or Systemic Impact; Problem Solving; Supervisory Authority; Market Factors; and Internal Equity.

Employees may request a review of classification of their positions in accordance with District procedures.

## APPENDIX I

### Article I TESTING OBJECTIVES

**Section 1.** A drug is defined as any substance which may impair mental or motor function, including but not limited to, illegal drugs, controlled substances, designer drugs, synthetic drugs, and look-alike drugs.

**Section 2.** The use of drugs, which are lawfully obtained and properly used, shall be permitted provided their use does not interfere with the individuals proper and safe work performance.

**Section 3.** The District will provide training of no less than (1) one hour duration by an entity agreed to by ACE of its supervisors in recognizing the signs and symptoms of drug abuse and an additional one (1) hour training in recognizing the signs and symptoms of alcohol abuse.

### Article II PROBABLE SUSPICION, POST-ACCIDENT, AND RANDOM TESTING

**Section 1.** Probable suspicion means suspicion based on specific personal observations that a District representative can describe the appearance, behavior, speech, and breath odor of the employee. Probable suspicion must be documented at or near the time of observation on the Impaired Behavior Report Form, attached to this Policy. Observation shall be by two (2) supervisors trained in the detection of probable drug use and alcohol misuse by observing behavior. If observation by two (2) supervisors is unfeasible, observation shall be by two (2) individuals, one of whom must be a supervisor trained in the detection of probable drug use and alcohol misuse by observing behavior. Being in an accident does not, in and of itself, constitute cause for testing. Being in an accident may be considered, along with the circumstances of the accident and the supervisor's personal observations of the employee's appearance, behavior, speech, and breath odor, to establish probable suspicion. Probable suspicion will subject the affected employee to testing as outlined in this policy.

**Section 2.** Employees will be subject to post-accident testing without a finding of probable suspicion only if the employee is involved in an accident as defined in Section 390.5 of the Federal Motor Carrier Safety Regulations and has received a citation for a moving traffic violation in connection with the reportable accident. Urine samples for post-accident drug testing must be obtained within thirty-two (32) hours of the accident. Breath samples must be obtained within eight (8) hours of the accident. An employee who is directed to undergo a post-accident test for drugs and/or alcohol must report for testing as soon as possible after the accident. NOTE: Employees are forbidden to drink alcohol within eight (8) hours after an accident unless they have already submitted to post-accident testing for the accident, or the District has determined they were not at fault. Employees having a positive

test result due to post-accident testing for drugs or alcohol, either with or without probable suspicion, will be terminated.

**Section 3.** Employees will be subjected to random drug and alcohol testing only to the extent required by applicable federal regulations. Pursuant to current regulations, the District will randomly drug test its employees who are performing functions with a Commercial Driver's License (CDL drivers) as required at an annual rate sufficient to equal 50% of its total number of CDL drivers. The District may choose any reasonable method of randomly selecting employees to be tested but must retain records regarding the method used and employees selected and must provide that information to ACE upon request. Pursuant to current regulations, the District will conduct random alcohol testing at any annual rate sufficient to equal 25% of its total number of CDL drivers.

**Section 4.** An employee consenting to drug testing will be transported to the hospital or laboratory by the District, or at District expense. If alcohol testing on other than a random basis is conducted away from the employee's work site, the employee consenting to alcohol testing will be transported by the District, or at District expense, to the location of such testing. After a non-random test is completed, the employee will be transported by the District, or at District expense, to his/her residence, or if appropriate, back to the workplace.

An employee subjected to random testing shall be paid for all time required for travel to and from testing, and for time at the testing location, regardless of the outcome of the test.

**Section 5.** If the test results are negative, the employee will immediately be reinstated in his/her previous position with full back pay for any time lost for transportation to testing and awaiting test results, based on the employee's regular work schedule, and no further action will be taken.

**Section 6.** Should the result be negative for drugs, but positive for alcohol at a level of at least .02, but less than .04, the employee shall be held out of driving for twenty-four (24) hours beginning from the time the test was requested and shall be required to test at or below the .02 level before returning to duty. The employee shall be assigned to non-driving duties, if possible, during that twenty-four (24) hour period. An employee who has tested at or above the .02 level in a second occasion, shall be subject to the same treatment as an employee testing at or above the .04 level.

**Section 7.** Should the test results be positive for drugs or positive for alcohol at or above the .04 level, the employee shall not be permitted to return to work until the employee has been evaluated by a Substance Abuse Professional (SAP), approved by ACE and the District. If the SAP recommends treatment that prevents the employee from working or requires that the employee be held out of service while the treatment is pursued, the employee will be placed on medical leave without pay, except sick leave, vacation, and disability, if available, until the SAP authorizes the employee's return to work. Subsequent reinstatement will be without loss of seniority. Any employee testing positive will be permitted to return to work only if the employee has signed the Agreement for Continuation of Employment, a copy which is attached to this policy.

The District shall be required to apply the rehabilitation provisions of this Agreement to an employee on only one occasion. Positive drug or alcohol tests thereafter may result in immediate termination.

**Section 8.** Under no circumstances will the District or ACE be informed beyond a negative or positive outcome of any drug or alcohol testing conducted unless a grievance is filed. In which case, all relevant information regarding the test results, testing methods and chain of custody will be provided to both ACE and the District upon receipt of a release by the employee. If the employee requests the presence of an ACE representative at the time of alcohol breath testing, ACE shall be entitled to observe the testing procedure and observe the result displayed on the breath testing device.

**Section 9.** Any employee with an alcohol and/or drug dependency problem who identifies themselves prior to a positive substance test, shall be permitted, and is encouraged, to take leave of absence for the purpose of undergoing an approved program for treatment of a dependency problem. The leave of absence must be requested in writing from the District. Leave of absence under this section shall be granted on a one-time basis and shall be for a maximum of thirty (30) days unless extended by mutual agreement of the District, the employee and ACE. The District shall notify ACE of any leaves of absence applied for under this provision.

### **Article III CONSENT PROCEDURES**

**Section 1.** The District shall inform the employee that he/she is subject to testing and will state whether the testing is probable suspicion, post-accident, or random testing.

**Section 2.** If the testing is for probable suspicion, the District shall give the employee a copy of the Impaired Behavior Report prepared pursuant to Article II, Section 1. Both of the observing witnesses shall complete an Impaired Behavior Report form. An ACE representative shall not be required to complete the form. In completing the Impaired Behavior Report form, the witnesses shall be as accurate and detailed as possible recording their observations of the employee's behavior which leads to their decision to require a test. The District shall explain that because of the observation of the employee's behavior, it is necessary to verify the employee's physical capability at that point in time.

**Section 3.** In each and every case the District shall read the applicable Drug Screen Consent form and/or Breath Alcohol Testing Consent form to the employee prior to obtaining the employee's signature authorizing the test and release of positive or negative test results. No changes are to be made on the Consent forms.

If the employee refuses to take the test promptly or sign the requested Consent form the District shall:

1. Make it clear to the employee that the request to sign the form and take the test is a direct order.
2. Ask the employee if he/she understands the order. If the employee responds that he/she does not understand the order, the supervisor shall explain the order again.
3. Explain to the employee that failure to comply with the order will result in the employee being treated as having tested positive for the substance or substances for

which testing was requested and will subject the employee to being taken out of service and subjected to employee evaluation pursuant to Article II, Section 7.

**Section 4.** The District shall use best efforts to immediately notify ACE if the employee requests the presence of an ACE representative at the time of the urine collection or breath testing, or at the time of the request for testing. Urine collection and breath testing shall be delayed no more than one (1) hour from the time of the first request in order to permit an ACE representative to reach the location.

#### **Article IV TESTING PROCEDURES**

**Section 1.** Both drug and alcohol testing will be exclusively by the procedures proved in 48 CFR, Part 40.

**Section 2.** For drug testing, the specimen collection facility testing laboratory shall follow the split sample procedure in 49 CFR 40.25(f) (10) (ii).

**Section 3.** The District shall utilize a Medical Review Officer (MRO) as required by the DOT procedures. The District shall, upon request, provide ACE with the identity of the MRO, and with evidence of the MRO's training in substance abuse diagnosis and treatment.

## AGREEMENT FOR CONTINUATION OF EMPLOYMENT

This Agreement is entered into by and between the Anchorage School District (District), Anchorage Council of Education/AFT Local 4425 represented by Alaska Public Employees Association (ACE) and \_\_\_\_\_ (Employee). The District is committed to providing channels of assistance for employees seeking rehabilitation. However, the Employee seeking rehabilitation must be committed in their efforts to remain drug and/or alcohol free. Therefore, as part of the Employee's commitment to remain free of drug and/or alcohol use it is understood that the Employee's continuation of employment by the District is based upon and constrained by the following terms:

1. The Employee must submit to evaluation of potential drug or alcohol problems by a recognized and certified Substance Abuse Professional (SAP) selected from the attached list or agreed to by ACE and the District. This evaluation should be completed within one week from the date of this document.
2. The Employee must agree to participate in all rehabilitation treatment recommended by the SAP.
3. The Employee must authorize the SAP to provide a copy of the SAP's recommendation to the District.
4. The employee may return to driving duties only when the SAP concludes that the Employee is in compliance with the SAP's treatment recommendations, if any, and the Employee has tested negative for alcohol and/or drugs, as required by the SAP.
5. The SAP will closely monitor the Employee's compliance with the SAP's recommendations. Failure of the Employee to adhere to the program of treatment recommended by the SAP will subject the Employee to disciplinary action by the District, up to and including discharge.
6. The Employee, the District and ACE mutually agree that the Employee's continuation of employment for the next twelve (12) months or during the term of any recommended treatment, should it extend beyond twelve (12) months, is contingent upon the Employee's satisfactorily meeting all the terms outlined in this Agreement, and that failure to do so may subject the Employee to immediate discipline up to and including discharge.
7. During the twelve (12) month period or such period of rehabilitation treatment as outlined by the SAP, should it be longer, the District will test the Employee for alcohol and/or drug use, as directed by the SAP, on an unannounced basis. There shall be no more than six (6) such unannounced tests for alcohol during this period,

unless the SAP specifically recommends a higher number. Unannounced tests for drugs shall not exceed four (4) such unannounced tests during this twelve (12) month period. However, such unannounced tests are in addition to any tests that may be necessitated on a reasonable suspicion or random basis as part of the District's Substance Abuse Program, or any tests performed by the treatment center as part of its program to monitor compliance with its treatment program. The employee will be subject to disciplinary action up to and including discharge if the Employee refuses to submit to testing or if the Employee tests positive for drugs or alcohol during this period.

8. If the Employee successfully completes treatment and has no positive drug and/or alcohol tests within twelve (12) months, the initial positive test shall not be used in any future discipline or personnel action unless it relates to substance abuse.

At the District's discretion, the Employee understands that if the Employee does not meet the above terms of the Agreement, in lieu of discipline and/or termination, the District may require the Employee to submit to in-patient care for rehabilitation and to agree to renewal of this Agreement for an additional twelve (12) month period thereafter.

This Agreement is voluntarily entered into by all parties in consideration for continuation of the Employee's employment with the District.
