PREAMBLE

The main purposes of this Agreement are to ensure the efficient and uninterrupted operation of the District and to establish fair and reasonable compensation and working conditions for the employees covered by this Agreement. If there are any conflicts between the terms of this Agreement and policies of the District, the terms of this Agreement shall be controlling.

SECTION 100 ASSOCIATION RIGHTS

101 ASSOCIATION REPRESENTATION

The Anchorage School District, hereinafter referred to as the District, recognizes the TOTEM Association of Educational Support Personnel, APEA/AFT (AFL-CIO), hereinafter referred to as the Association or TOTEM, as the sole and exclusive bargaining representative for its full-time and part-time employees filling the job titles covered by the Agreement, and who have not been declared Exempt, for the purposes of collective bargaining with respect to wages, hours, and work conditions.

Exempt positions are defined as positions that have been assigned duties that include routine access to files and/or information that could create a conflict in the collective bargaining process between loyalties to the District and loyalties to the Association. When the decision has been made to declare a position Exempt, the District and the Association shall in good faith exhaust all reasonable means to reach agreement before the District implements the change and such agreement shall not be unreasonably withheld by either party. If after such efforts have been made, agreement cannot be reached, the disagreement may be submitted to the Alaska Labor Relations Agency for resolution.

Employees covered by this Agreement who apply for and are selected for positions outside of this bargaining unit shall forfeit TOTEM affiliation and seniority. All non-represented employees in the TOTEM Association's community of interest will be accepted as part of the TOTEM bargaining unit by the District upon proof that the TOTEM Association has been requested to be the bargaining agent by such employees.

102 EMPLOYEE REPRESENTATIVES

The Association President and/or a duly authorized representative shall be empowered to speak for the Association in all matters covered by this Agreement, and shall be permitted to visit any unit during work hours after advance notice to the unit principal/supervisor.

No more than fourteen (14) Employee Representatives, (not more than one (1) per location), including the Association President, shall also be appointed from among bargaining unit members and shall be the last employees terminated unless discharged for just cause. Employee Representatives shall be allowed, upon notification made to the immediate principals/supervisors, to represent employees in disciplinary conferences and investigate/administer grievances during work hours. Employee Representatives shall not suffer any loss of compensation for reasonable time spent in pursuit of Employee Representatives' duties. The District may take appropriate action for excessive use of time by an Employee Representative. The Association shall have access to all employees covered by this Agreement on a not-to-interfere basis.

The Association shall designate to the District in writing Employee Representatives and the District shall not be required to recognize or deal with any employees other than those designated.

103 EMPLOYEE DUES/FEES

103.1 Employment Provisions and Payroll Deduction Authorization

Employees voluntarily electing payroll deduction, shall indicate in writing to the District their authorization to have the normal uniform Association initiation fees, and Association membership dues or professional service fees to be deducted from the employee's paycheck.

103.2 Association Member

Employees who voluntarily join the Association shall pay Association membership dues as described in Section 103.1. The District will not restrain an employee from belonging to the Association or from taking an active part in the Association's affairs, and will not discriminate against an employee because of Association membership or lawful organizational activity.

103.3 New to Bargaining Unit Employees

The District shall provide to the Association a list of all employees, to include date of hire, title, school/department, address and phone number, covered by this Agreement on or before the 1st and 15th of the month.

103.4 Dues/Fees Payment

The District will make monthly payments to the Association for authorized initiation fees, Association membership dues and professional service fees.

104 EMPLOYEE INFORMATION

104.1 Membership Reporting to Association

The District shall furnish to the Association a twice-monthly report listing the names, location, home address, telephone number, job title, hire date, months per year, and hours per week of all employees covered under this Agreement.

104.2 New Bargaining Unit Members – Onboarding

The District will allow an Association representative to offer an orientation during normal business hours to new bargaining unit members, of a duration not in excess of thirty (30) minutes. This orientation will occur as part of the District's regular new employee orientation and onboarding and is to be coordinated with the District's Talent Management representative.

104.3 Employee Access to Personnel File and Building Unit File

An employee shall have the right, upon request of an appointment, to review any or all materials originating subsequent to employment with the District and placed in the employee's official personnel file and/or building unit file. The review of the personnel file must occur in the presence of a Human Resource representative. The review of the building unit file must occur in the presence of the principal/supervisor. At the employee's request, a TOTEM representative may accompany the employee. The District shall maintain only one (1) official

personnel file for each employee. Upon an employee's written request to the Labor Relations Department, letters of warning and reprimand will be removed from the official personnel file after three and one half (3.5) years, provided that no similar subsequent entries have been made into that file, except in cases of serious misconduct, e.g., sexual impropriety, violence, insubordination, etc. This opportunity shall not be given in cases of suspension, termination, or disciplinary demotion.

The District shall provide an employee with a copy of any materials placed in the official personnel file and/or building unit file, at the time of placement, which relate to work performance. An employee shall have the right to respond in writing to any material placed in such file; the response shall become part of the file. Anonymous derogatory materials shall not be placed in the official personnel file and/or building unit file.

Unless otherwise mandated by law or court authority, the District shall not release information on past or present employees without the employee's written release, except the employee's hire and termination dates, and job title(s).

104.4 Information Requests

All formal requests from the Association for information pertaining to the District's compliance with this Agreement, or which may be necessary to investigate grievances or prepare for arbitration, shall be in writing to the Chief Human Resources Officer or designee with a copy to the appropriate supervisor, principal or department manager. The District shall respond in writing to such information requests as soon as reasonably possible, but in no event later than fourteen (14) calendar days from the date the request was received by the District. If timely compliance by the District is not possible, the District shall explain in writing why, and indicate a date certain when compliance will be completed.

105 ASSOCIATION USE OF DISTRICT FACILITIES

Upon request, the Association will be provided reasonable space for the posting of Association notices on bulletin boards specified by the District.

105.3 Inter-school Mail Usage

The Association Office shall be a stop on the District mail route. The Association shall be permitted to use the interschool mail system for the purpose of distributing information to employees only when the District has determined that the information pertains to the business of the District. The Association agrees to place the Association's heading on all communications that it distributes and to address all communications to a particular individual. It is the exclusive right of the District and Association to utilize the interschool mail system for communication with bargaining unit employees.

105.4 Electronic Mail Usage

The Association may utilize the electronic mail system for the purpose of conducting regular business with District management and employees.

106 ASSOCIATION SPONSORED WORKSHOPS

These two (2) days will be considered part of the normal work year. Employees, other than those on leave under Section 408, will receive regular pay on submission of attendance verification for the workshop hours they attended. Twelve-month employees will be allowed and encouraged to attend these workshops as long as the necessary functioning of the District offices can be accommodated.

107 EMPLOYEE TRAINING

When the requirements of an employee's present job duties change requiring new procedures or new equipment, the employee will receive orientation or training, when appropriate, as determined by the District. Training shall also be provided in order to orient new employees as well as to promote improved employee skills and heightened competency. When the District conducts training for the benefit of classified employees, there will be notification posted for availability to all employees. Where applicable, notification of training opportunities will be posted in advance, identifying the types of employees eligible for the training.

The District will provide fourteen (14) hours of training for Association members employed six (6) hours or more per day, and seven (7) hours of training for Association members employed less than six (6) hours per day. The training will be provided, either through release from normal work time or by paid additional time, to complete the training outside normal work hours. No compensation will be provided for travel to attend training programs which are conducted within the boundaries of the Anchorage School District. The employer and the employee have the shared responsibility to identify relevant training opportunities and provide each other with timely notification. The principal/supervisor will make every effort to support employee requests.

107.1 Tuition Reimbursement

The District may reimburse the cost of tuition, textbooks, registration fees, and other related materials for District approved or directed external training or education designed for job enhancement. All participants in external training programs, upon course or class approval by their principals/supervisors, shall submit their requests for reimbursement to the appropriate District representative.

The District will provide de-escalation training to employees who have regular contact with students. Employees are encouraged to collaborate with other staff and communicate with their principal/supervisor about any additional support or resources required to better manage student behaviors.

107.4 Special Training Opportunities for ELL Tutors

The District has implemented and shall maintain a program designed to encourage career development for ELL Tutors, leading to a degree in Bilingual Education or an endorsement in ESL. Each year the District shall deposit a minimum of \$10,000 into a training account to fund tuition reimbursement for ELL Tutors engaged in a bona fide program of education. Employee participation in the program will require proof of acceptance into a course of study designed to result in the tutor's attainment of an advanced certificate or a degree in Bilingual Education. All employees interested in participating in the training program must notify the District no later than May 31 for the upcoming school year. If less than \$10,000 is required to fund the training commitment, the District may allocate the funding to another program within the ELL Department. The District commits to maintain the availability of funds for tuition reimbursement at a reasonable level, except in the case of emergency conditions which mandate severe budget cuts for staff training programs District-wide.

Available funding will be distributed fairly among applicants, in such a manner as to ensure maximum participation.

108 ASSOCIATION LEAVE BANK

There is hereby created an Association Leave Bank administered by the District, with a semi-annual report of the balance and withdrawals provided to the Association. Employees accruing leave shall contribute annually three (3) hours to the Bank through payroll deduction during the first thirty (30) calendar days of employment and/or when the amount of Association leave time in the Bank is less than 750 hours.

Requests for withdrawals from the Bank shall be made by the Association President in accordance with District procedures with a copy of the request sent to the Association. Such requests shall be approved and shall not be unreasonably denied. Leave transferred to the Bank is final and not recoverable for re-credit to an employee's annual leave. Bank accumulation is not transferable to any other bargaining unit.

108.1 Association President

The Association President shall be appointed to the position of TOTEM Labor Liaison with the District. The position is on a full-time, benefit bearing basis, forty hours per week, twelve months per year. The President shall be paid by the District in accordance with Sections 502

and 507 of the Agreement at the appropriate range and at the highest step on the salary schedule during the time the President serves in this capacity.

At the conclusion of the term of office, or upon voluntary severance as President, the employee shall be reassigned to a position equivalent to the position held prior to becoming the TOTEM Labor Liaison and will be placed on the salary schedule at the range for the position in accordance with Article 501. Step placement will be at the employee's previous step and with step movement being granted for the year(s) of service as TOTEM Labor Liaison, in years the contract grants step movement, and in accordance with Article 503. The employee may apply and be considered for other vacancies during the term of office.

The Association agrees to defend and hold the District harmless from any suit or claim of any sort that might be asserted against the District arising out of the actions of the President during the term of this Agreement.

109 ASSOCIATION LEAVE

109.1 Negotiation Leave

The Association in contract negotiations will be represented by the employees in the bargaining unit, not to exceed six (6). Those employees who work less than an eight (8) hour day shall be paid at their regular rate of pay until their work day exceeds eight (8) hours. An employee who works in split locations shall not be entitled to overtime compensation until eight (8) hours have been worked. When figuring compensation, a reasonable time increment for travel from one work location to the other shall be used and shall be figured into the employee's total time worked for purposes of time computations for that day.

603.4 Non-Contiguous Work

If a supervisor/principal requires an employee to return to work after the completion of their regularly scheduled workday, the employee will be compensated a minimum of two (2) hours in accordance with Article 603.

603.5 Alternative Schedule

Significant life events, or verification of travel scheduled before the change in the school calendar will be approved when leave is requested for these purposes. In the event of a dispute concerning whether or not the request for leave is a significant life event, the District will confer with the Association before a final determination is made. In the event that any employee is required, or is clearly expected by the principal/supervisor, or with approval of the principal/supervisor elects to work during the lunch period, the employee will be entitled to compensation for the lunch period which has been missed, or the opportunity to reduce the work day accordingly, at the principal/supervisor's discretion.

In adjusting work schedules under this section, the principal/supervisor and the employee will work together cooperatively to ensure that both employee preference and the unit's operational need are fairly accommodated. Additionally, the Association will make the Labor Relations Department aware of areas in which there are any concerns.

- E. Vacancies not filled as a result of the internal posting will be filled in accordance with established District procedures regarding advertising, interviewing and selection.
- F. Principals/supervisors shall document why a candidate was selected for a bargaining unit position.

606.3.2 District-Initiated Transfer

- A. Staffing Reallocations

When an employee transfer based on the need for staffing reallocations is initiated by the District during the employee's work year, consultation and notification shall be attempted with the employee at least two (2) weeks prior to the transfer date.

- Employees at affected work locations will be selected for transfer based on job title, part-time/full-time status and union seniority, in that order. The least senior employee in the selected part-time or full-time job title at each affected location will be transferred first.
- The District and the Association will work together to place employees at locations convenient for the employee that also meet the program needs of the District.
- Employees rejecting a District-initiated transfer to the same job title at a different location shall relinquish all rights provided in this agreement and will be separated from employment with the District.

B. Program Need

When an employee transfer based on Special Education Paraprofessional Educator reallocation is initiated by the District, consultation and notification shall be attempted with the employee at least two (2) weeks prior to the effective date of transfer.

- Employees at affected work locations will be selected for transfer based on job title, part-time/full-time status and union seniority, in that order. The least senior employee in the selected part-time or full-time job title at each affected location will be transferred first.
- The District and the Association will work together to place employees at locations convenient for the employee that also meet the program needs of the District.
- Employees being displaced from their current work location will be notified in writing, if possible, prior to the end of the school year.
- In March/April, displaced employees will receive a list from the Human Resources Department of schools having position openings in the job titles from which they were displaced, along with the supervisor or principal contact information. Displaced employees must return the list that was provided them to the Human Resources Generalist with their choice of position openings prioritized in order of 1st choice, 2nd choice, etc., by the Human Resources Department established deadline.

- Supervisors and principals will receive a list from the Human Resources Department of employees who have been displaced from position titles for which they now have openings. The list will show the employee's preference of location if available.
- Supervisors and principals will have at least three (3) working days to schedule and conduct interviews. Employees may also contact supervisors and principals to request an interview.

- Employees rejecting a District-initiated transfer to the same job title at a different location shall relinquish all rights provided in this Agreement and will be separated from employment with the District.

607 DISCIPLINE AND DISMISSAL

607.1 General Rules

Discipline action may be imposed by the District for just cause. The principles of progressive discipline shall be followed. Generally, that progression will include (1) oral reprimand, (2) written reprimand, (3) unpaid suspension from duty, and (4) termination of employment. Other actions like demotions, reassignment, etc., may also be taken. In cases of serious misconduct, serious disciplinary action may be taken directly. When an administrator disciplines an employee for some infraction of rules or delinquency in professional performance, the employee shall be entitled, upon request, to have an Association representative present. Disciplinary action may be appealed as a grievance as specified in Section 800. Initial probationary employees whose performance does not meet required job standards, however, may be dismissed at any time during the probationary period; such dismissal shall not be grievable. Unless an employee waives the right to Association representation, a copy of all disciplinary actions taken shall be forwarded to the Association's business office within three (3) workdays of the date such action was taken. The Association shall be notified and shall be given the opportunity to discuss any dismissal contemplated by the District before the employee is terminated.

607.2 "Just Cause"

For the purpose of providing a guide to principals/supervisors and employees "Just Cause" is generally defined as follows, although special circumstances may warrant exceptions:

1. The employee had or should have had forewarning of the probable disciplinary consequences of the employee's conduct;
2. The rule, directive, or expectation imposed by the District was reasonable;
3. The application of the rule, directive, or expectation was fair, reasonable, and applied even-handedly;
4. A fair and objective investigation was conducted prior to the imposition of discipline;
5. The evidence of wrongdoing on which the District relied was credible;
6. The employee was given reasonable opportunity to respond to the allegations of misconduct, prior to the imposition of discipline;

7. The level or degree of discipline was reasonably related to the seriousness of the offense and considerate of the employee's past record.

608 VEHICLE USAGE

An employee who is required to use a personal car for school district business shall be compensated at the current federally established rate after properly submitting the District mileage reimbursement form in accordance with District timelines. The employee shall be required to carry the minimum liability insurance specified by statute.

609 LAYOFF AND RECALL

609.1 Seniority

TOTEM seniority dates are determined by the date they began their current term of continuous employment with the District in the TOTEM bargaining unit.

Seniority lists shall be maintained for full-time employees employed for thirty (30) or more hours per week and for part-time employees employed for at least fifteen (15) hours and up to thirty (30) hours per week. Employees employed in more than one position shall be listed on the appropriate seniority list for each position.

Seniority ties shall be broken by drawing lots. The drawing will take place with an Association representative present. The name of each employee involved shall be placed on a separate sheet of paper. The papers will then be placed in an opaque container. After thorough mixing, the papers shall be withdrawn one at a time. The first name drawn shall be considered the most senior continuing to the last name drawn, who shall be considered the least senior. This procedure shall apply in all determinations of seniority.

609.2 Meet and Confer

The District will meet and confer with TOTEM at least ten (10) working days prior to the issuance of layoff notices to employees. Employees scheduled for layoff shall be given preferential consideration for transfer into vacant TOTEM positions for which they qualify.

609.3 Layoff Procedures

A regular employee whose position is to be eliminated for the following fiscal year or a portion thereof, due to budget restrictions, reorganization, position redefinition or other reasons beyond the employee's control shall be given at least twenty (20) calendar days written notice of layoff. Time outside of the normal work year shall be included in the twenty (20) calendar day notice period.

If the District determines to layoff positions within TOTEM, the least senior employee within the job title, based on the maintained seniority lists, shall be laid off first and the most senior employee within a job title shall be laid off last.

The District will make reasonable efforts to notify employees of an impending layoff prior to the end of the employee's work year.

If a layoff notice must be sent during the summer months or during periods that the employee is not normally working, the notice will be sent by certified mail.

No substitutes nor temporary hires shall be utilized at a given work site to augment the work force at that site during such time that any Association members assigned to that site are on lay-off or have had their hours reduced, until such work has been offered and accepted or refused by such Association members, who are qualified for the work.

609.4 Recall Procedures

- A. Employees who are notified of layoff, apply for, and secure another TOTEM position prior to the effective date of the layoff, will not be considered in layoff status and will not have recall rights.
- B. Employees in layoff status shall be entitled to return to their former job title, when available or if reestablished. Recall shall occur in inverse order of layoff by job title and full or part-time status from which they were laid off.
- C. Once a recall offer is made by the District, the employee has until 9:00 AM on the second workday after receipt of official notification to accept.
- D. Employees who reject recall to the job title from which they were laid off shall relinquish all rights provided in this Agreement.
- E. Employees accepting recall shall have two (2) weeks from the offer to return to work.
- F. Employees who had medical and/or life insurance benefits at time of layoff and who are recalled to a medical and/or life insurance benefits eligible position, shall receive benefit coverage on the first day of the month following their return to work from layoff status.

Employees will be eligible for recall for a period of one (1) year from the effective date of layoff. The employee in layoff status has the responsibility to ensure the District has the correct address and phone number. Failure to keep this information current will release the District from any recall obligations.

Employees who were laid off and then recalled pursuant to this section shall not lose seniority. Employees who return to work from recall status shall be placed at the same step as occupied at the time of layoff. To be eligible for step movement the following July 1, an employee must be recalled prior to December 31 of the year preceding the year in which the contract grants step movement, unless the parties negotiate otherwise.

The requirements of this section supersede the provisions of Section 606 Vacancies whenever there are employees on layoff status eligible for vacancies.

610 EMERGENCY CLOSURE

If the Superintendent determines that an emergency closure of school(s) and/or other District facilities is necessary, Association employees may or may not be required to report to work. Compensatory time, annual leave or unpaid leave (in that order) will be used by those employees who do not report to work. Employees on unpaid leave may modify their regular scheduled workday, with principal/supervisor approval, to make up the lost time. With principal/supervisor approval, employees may be allowed to telework to include participation in District-sponsored professional development, during an emergency closure.

If the emergency closure is due to inclement weather, employees may come into work later in the day of the closure if they feel it is safe to do so, but will only be paid for hours worked. Any hours that were not worked on the closure date will be handled in the same manner as described in the first paragraph above.

If the Superintendent delays the opening of the school/workday by up to ninety (90) minutes, any employee reporting to work by the rescheduled start time will receive pay for the time between the regular start time and the rescheduled start time.

611 NATURAL DISASTERS / CATASTROPHIC EVENTS

In the event of a natural disaster/catastrophic event, Association employees may or may not be required to remain at or report to work. Established Emergency Disaster Procedures would be initiated and followed. At the request of a principal/supervisor, Association employees may choose to work beyond the duty day and shall be paid at the appropriate rate.

612 SAFE WORKPLACE

Employees have the right to expect a workplace that is not detrimental to their health or safety. Employees will bring to the attention of their principal/supervisor any situation that they believe will place them or others at risk.

Employees will be given applicable information regarding behavioral issues relating to the students they support.

Applicable workplace safety codes adopted by the State of Alaska will be the minimum standards for employee workplaces. Safety aids, devices, and equipment which are reasonably necessary to ensure the safety and health of employees will be furnished. Any concerns about safety and health are to be directed to the principal/supervisor. Additionally, the Association will make the Labor Relations Department and/or Operations Division aware of areas in which there are any concerns.

613 HEPATITIS B IMMUNIZATIONS

The Occupational Safety and Health Administration (Federal OSHA) mandates that employers provide free immunization to those employees who may have an occupational exposure. Hepatitis B immunizations will be provided by the District in accordance with OSHA standards.

614 EVALUATIONS

Notice of the Anchorage School District policies and procedures concerning the evaluation of classified employees shall be available to all employees.

- A. Principals/supervisors are encouraged to have a meeting with the employee no later than October 15 to discuss the evaluation process and set goals for the current fiscal/school year.
- B. Evaluations will be completed by principals/supervisors on an annual basis by no later than May 15 each year. At the employee's or TOTEM's request, any evaluation that

does not meet this timeline shall be removed from the employee's personnel file. It is recommended that evaluations be completed by May 1st.

- C. If the evaluation indicates that an employee does not meet standards the evaluator will, in writing:
- give specific examples of where the employee did not meet standards;
 - outline the evaluator's expectations regarding improvement;
 - indicate a time frame for improvement.
- If significant and continuing performance concerns persist, the issue will be addressed through progressive discipline.
- D. Employees are required to acknowledge their evaluation by electronic signature within seven (7) calendar days of receipt. If an employee has not acknowledged the electronic evaluation within the seven (7) calendar day time period, the evaluation shall be continued through the normal evaluation process without the employee's electronic signature. The employee has the right to add comments to the evaluation before signing it. The employee's electronic signature on the evaluation does not indicate the employee's concurrence unless so noted. All evaluations will be electronically filed in Human Resources by July 1 of each year.
- E. The employee may request that the evaluation be formally reconsidered. If a request for reconsideration is made within thirty (30) calendar days of the principal's/supervisor's dated email notice of the completed evaluation, the employee shall be entitled to a meeting with the evaluator and the evaluator's supervisor for the purpose of determining whether or not reasonable grounds exist to warrant a rescission or modification of the evaluation. If such grounds are found to exist, the evaluation will be revised accordingly; otherwise, there are no further appeals available.
- F. At the request of the employee, an Association representative may be in attendance whenever meetings or discussions between the principal/supervisor and the employee occur relative to performance expectations for improvement.
- G. The evaluation cannot be grieved.
- H. District and TOTEM representatives will meet prior to the start of the 2022-2023 school year to review evaluation procedures. Any adopted changes to the evaluation process or documents will be implemented as soon as is practicable.

SECTION 700 BENEFITS

701 HEALTH BENEFITS

For the duration of the Agreement, the District shall contribute to a health plan which meets the requirements of the Patient Protection and Affordable Care Act (PPACA).

- A. Employees assigned to positions of thirty (30) hours or more per week shall be eligible for health insurance coverage. Eligibility is attained after a waiting period of sixty (60) calendar days for employees who do not currently have health benefit coverage with one of the District's employee benefit plans. Coverage shall begin the first day of the month following attainment of eligibility.
- B. Employees who lose their eligibility for health benefits for any reason, such as unpaid leave, layoff, or termination of employment other than retirement or gross

- misconduct, may elect to pay the cost of the health program provided through COBRA, according to its provisions.
- C. The District's monthly contribution for health benefits per eligible employee per month shall be \$1,695 during each year of the contract. Health insurance benefits shall be described in the District's summary plan description as periodically amended. The employee contribution for those electing coverage is the difference between the premium amount and the combined total of the District's contribution and any subsidy from the reserve account.
 - D. The employee contribution will not be more than \$225 per eligible employee per month in 2021-2022. Beginning July 1, 2022, the employee contribution will not be more than \$250 per eligible employee and family per month.
 - E. The Association may have up to two (2) representatives on the District Health Benefits Task Force.

702 LIFE INSURANCE

Eligibility for life insurance benefits for new-to-district employees is attained after a waiting period of sixty (60) calendar days. Coverage shall begin on the first day of the month following attainment of eligibility.

702.1 Employee Life Insurance

The District shall provide on a fully paid basis group term life insurance for each employee in an amount equal to three times the employee's annual salary rounded to the next highest \$1,000 to a maximum of \$50,000 as described in the insurance policy provided by the District's insurance carrier. Accidental Death and Dismemberment (AD&D) insurance will also be provided by the District in an amount equal to the face amount of the life insurance. Employees may purchase, at their expense, and at the then current group rate, supplemental term life and accidental dismemberment and disability (AD&D) insurance in an amount equal to the difference between the coverage provided by the District and three times the salary, to a maximum of \$300,000, rounded to the next higher \$1,000. Evidence of insurability documentation may be required for the purchase of supplemental life and AD&D insurance. Employee contributions shall be made by payroll deduction. Upon termination, an employee may elect to exercise conversion and portability privileges as described in the insurance policy provided by the District's insurance carrier.

702.2 Dependent Life Insurance

The District shall make available dependent life insurance coverage in the amount specified in the table contained in the insurance policy between the District and its insurance carrier, but not less than \$5000. The premiums shall be paid by the employee. Upon termination, an employee may elect to exercise conversion and portability privileges as stated in the insurance policy.

703 WORKERS' COMPENSATION

Employees injured on the job shall be eligible for whatever compensation and benefits are available under the Workers' Compensation Act. Employees are required to complete all Workers'

Compensation paperwork. Further, employees may elect to supplement their income while on leave with a compensable injury by cashing in their accrued leave in accordance with Section 401.

Additionally, up to the first three (3) days of time lost due to an occupational injury which is covered by Workers' Compensation but may not be compensable, shall be paid using employee accrued compensatory time, then annual leave if available. If the employee has no paid leave time available, the time lost shall be unpaid. The employee must notify the principal/supervisor as soon as possible when such time is lost so that the leave request may be submitted promptly on the employee's timecard/record.

The District will continue to make health insurance available while an individual is on Workers' Compensation during that period of time covered by FMLA, and will continue the District contribution during that time provided the employee continues to make the elected co-payments. The premiums for employee life insurance coverage will continue to be paid by the District for the same period, and the life insurance premium for the employee's dependents shall continue to be paid by the employee.

An employee who is disabled as a result of a work-related injury shall have return rights to the former or an equivalent position for a period of one (1) year. If a position is not open at the time the employee is released, the employee will be offered the next open position for which they are qualified. If the employee refuses the position, the District has no further obligation to the individual. The District may require the employee to perform light-duty work with a doctor's release. If the light-duty work is performed, the employee's regular hourly rate shall be paid and medical and life insurance coverage reinstated if they had lapsed.

The District shall reimburse the employee for all costs of replacing or repairing their dentures, eyeglasses, hearing aids, or similar appurtenances which are damaged or destroyed as a result of circumstances involving the discharge of their duties including but not limited to, physical assault by students, necessary physical force used by the employee to protect self, another employee, student, or parent from possible injury, and in an extraordinary case of breach of discipline to restrain a disruptive pupil. To be eligible for reimbursement, an employee must notify the principal/supervisor within 48 hours of the occurrence. Damages as a result of an employee's negligence or carelessness, as may be determined by the principal/supervisor, will not be covered by this provision.

704 LIABILITY INSURANCE

The District will indemnify, defend, protect, and save harmless employees who, in the performance of their assigned duties, are alleged to be or become liable for damages. To qualify for this protection, the employee must provide the District with timely notification of any charges, claims, or lawsuits filed. This protection shall encompass at least:

- A. Listing all employees as additional named insureds on the District's comprehensive general liability, automobile liability, and errors and omissions policies, including all excess and umbrella policies, and providing coverage through self-insurance for and deductibles required under these policies;
- B. Providing legal defense against any allegations raised in litigation or arbitration at no cost to the employee;

- C. Indemnifying the employee for any damages assessed against the employee as a result of or due to their performance of assigned duties.

705 FLEXIBLE SPENDING ACCOUNTS

Consistent with applicable statutes, and if the District offers a Flexible Spending Account, employees shall have access to Flexible Spending Accounts which may include a health care reimbursement account and/or a dependent care account for each year of this Agreement. Employees who submit proof of eligible expenses may be reimbursed from such accounts in accord with established rules.

706 EMPLOYEE ASSISTANCE PROGRAM

The District shall provide an Employee Assistance Program (EAP).

SECTION 800 GRIEVANCE PROCEDURE

801 GRIEVANCE DEFINITION

"Grievance" is limited to a complaint or request of an employee, Association, or District that involves the interpretation, inequitable application of, or failure to comply with, the provisions of this Agreement.

801.1 Grievance Representation/Rights

- A. An employee shall be entitled to representation by TOTEM or its designee at each step of the Grievance Procedure set forth in this Agreement. No other individual or employee organization shall have the right to represent a TOTEM employee in any grievance proceeding.
- B. No reprisals shall be invoked against a TOTEM member for processing a grievance or participating in the grievance procedure.
- C. Grievances and materials created from the grievance process shall not be filed in official Human Resources files of any participant(s). Such materials will be in confidential files in the Labor Relations Department and shall not be referred to for any purpose other than one related to the specific grievance procedure for which it was accumulated.
- D. A report of the final resolution of a grievance shall be filed in a separate confidential file in the Labor Relations Department. The grievant's name shall not be shared without the consent of the grievant, except that a final report of a grievance may be used in subsequent proceedings of the Association, District, or grievant as evidence of the interpretation of this Agreement. The grievant's name shall be blanked out if the arbitration report is distributed in the District, except in Executive Session of the School Board meetings.
- E. TOTEM may call and present witnesses on behalf of a grievant during an arbitration. When the District and TOTEM agree to hold grievance hearings (including arbitration) during the workday, the grievant(s), TOTEM representatives, and witnesses shall be released from regular duty for the time necessary to participate, without charge to their own leave or Association leave.

F. TOTEM reserves the right to file grievances on its own behalf.

802 GRIEVANCE STEPS

802.1 Level One Grievance

Within ten (10) workdays of an occurrence or at the time the grievant reasonably should have known of the occurrence of the alleged incident giving rise to the grievance, the grievant shall discuss the complaint with the immediate principal/supervisor, with a TOTEM representative present if so desired. The principal/supervisor has ten (10) workdays to address the issue. It shall be discussed verbally and, if settled, no further action shall be taken.

802.2 Level Two Grievance

If not resolved at Level One or if the issue is outside the authority of the immediate supervisor, the grievance shall be reduced to writing, outlining: the nature of the grievance and circumstances under which it arose; the remedy or correction the respondent is requested to make; and the section(s) of the Agreement claimed to have been violated. A notice of grievance to be accepted and processed must be presented in writing by the Association to the Labor Relations Department within twenty (20) workdays of the occurrence if the grievance was initiated at Level One or within ten (10) workdays of the occurrence if the grievance is initiated at Level Two, or at the time the grievant reasonably should have known of the occurrence of the alleged incident giving rise to the grievance.

The Association and the respondent will discuss the grievance as soon as practical upon receipt by the respondent of the written notice of grievance, but in no event without mutual consent will a period of five (5) workdays beyond receipt of written notice of grievance elapse without such discussion. The decision by the respondent shall be rendered in writing within seven (7) workdays of the Level Two meeting.

802.3 Level Three Grievance

If not resolved at Level Two, the Association may submit the issue to binding arbitration. The District and the Association shall attempt to select an acceptable arbitrator within twenty (20) workdays after completion of Level Two. If mutual selection is impossible, the arbitrator shall be chosen from a list of persons certified by the American Arbitration Association or the Federal Mediation & Conciliation Service. Any cost associated with the requesting of the arbitrator list shall be split evenly between the District and the Association.

The decision of such arbitrator shall be final and binding upon all parties. The arbitrator shall not be empowered to rule contrary to, to amend or add to, or to eliminate any of the provisions of this Agreement. The authority of the arbitrator shall be limited to questions directly involving the interpretation or application of specific provisions of this Agreement, and no other matter shall be subject to arbitration hereunder. The arbitrator shall furnish findings of fact and rationale for this decision. Expenses incident to arbitrator service shall be assigned by the arbitrator to the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, the expenses shall be apportioned in the arbitrator's judgment. The arbitration procedure shall be the sole method of settling disputes, differences or controversies referred to arbitration. The parties shall be bound by any decisions,

determinations, agreements or settlements that may be effectuated pursuant to invoking the arbitration procedure.

SECTION 900 AGREEMENT CONDITIONS

901 MAINTENANCE OF STANDARDS

No provisions in this Agreement may be changed, modified or altered during the term of this Agreement except by mutual agreement of the parties. Any amendment to this Agreement shall be in writing and shall be made a part of this Agreement. The District and the Association will take such action by resolution or as otherwise may be necessary in order to give full force and effect to the Agreement provisions.

902 PUBLICATION OF AGREEMENT

The current contract shall be available electronically via the District website, the TOTEM website, or a hard copy may be requested from the Association business office.

903 CONFORMITY TO LAW/SAVINGS CLAUSE

If any Agreement provision or any application thereof is held to be contrary to law, such provision or application will not be deemed valid or enforceable, except to the extent permitted by law, but all other provisions or applications will continue in full force and effect.

If a determination is made that part of this Agreement is in violation of law, the District and the Association will meet not later than twenty (20) workdays following such determination for the purpose of negotiating a satisfactory substitute for the invalidated Agreement portion.

904 STRIKES OR LOCKOUTS

The Association agrees that during the life of this Agreement its representatives or its bargaining unit members will not cause, permit, authorize, instigate, aid or engage in any work stoppage, slowdown, sickout, refusal to work, picketing, or strike against the District. The District agrees that during the life of this Agreement, there will be no lockout. Any violation of this section by the Association or the District is not subject to the grievance procedure, and either party may pursue legal remedies as provided by law.

In the event of a strike or job action by any other bargaining unit, members of this bargaining unit shall not be required to perform work normally assigned to striking employees.

905 SCHOOL BOARD POLICY

If there is any conflict between the terms of this Agreement and Policy of the District, the terms of this Agreement shall be controlling.

906 COMPLETE AGREEMENT

The parties acknowledge that each has had the unlimited right and opportunity to make demands and proposals with respect to any matter deemed a proper matter for collective bargaining. The results of the exercise of that right and opportunity are set forth in this Agreement. It is agreed that this document contains the full and complete agreement on all issues subject to bargaining between the parties hereto and for all whose benefit this Agreement is made, and no party shall be required during the term of this Agreement to negotiate or bargain upon any issue.

The Agreement expressed herein in writing constitutes the entire agreement between the parties, and no oral or written statement, no previous Memoranda of Agreement shall add to or supersede any of its provisions. Any previous Memorandum of Agreement which is not expressly incorporated herein is null and void. Individual employees shall have no authority to add to, modify, or agree to supersede any provision found in this Agreement. Nothing in this section shall prevent either party from introducing new subjects for collective bargaining in future negotiations.

However, the parties recognize that unforeseen problems or new issues not addressed during formal negotiations may arise during the term of this Agreement. The settlement or resolution of these issues may have the effect of changing or altering the terms of the Agreement. So long as the proposed changes are reduced to writing in the form of a Memorandum of Agreement, are dated, signed, and executed by the duly authorized representative of each party, and do not materially alter the intent or purpose of this Agreement, formal ratification of such agreements shall not be required. Memoranda of Agreement may be reduced to tentative agreements and be included in the initial public proposals from the parties for a successor agreement.

907 DURATION OF AGREEMENT

This Agreement shall become effective July 1, 2021, and shall remain in full force and effect through June 30, 2024.

Negotiations for a complete successor Agreement will commence during the month of October 2023. The District agrees that it shall maintain the Agreement in its entirety in full force and effect until agreement on a successor Agreement has been reached or until a bona-fide, legal impasse is reached and all statutory requirements have been met.
