Anchorage School District
ALLERGY/ANAPHYLAXIS CARE PLAN

PARENT / GUARDIAN AGREEMENT & AUTHORIZATION

I request that the medication(s) selected and allergy/anaphylaxis protocols listed on this plan be provided to my child. I will provide needed medications or supplies for care in school. I understand that, in the absence of the nurse, other trained Anchorage School District (“ASD”) personnel may administer this medication.

Employees and agents of the Anchorage School District (“ASD”) strive to provide treatment consistent with the appropriate standard of care, but are not infallible. I agree to release, defend, indemnify, and hold harmless ASD from any liability for the risks or results of the care, which may include INJURY, ILLNESS, or DEATH, or the manner in which it is administered, including for NEGLIGENCE. I will notify ASD immediately if the medications or protocols change. I give permission for the exchange or release of health information between the medical provider listed above and ASD as part of the provision of my child’s care. I agree for the nurse to share health information with ASD staff on a need-to-know basis for my child’s safety and to foster academic success.

I understand that ANY remaining medication(s) will be disposed of at the end of the school year, unless I pick up the remaining medication(s) by the last school day, as indicated on the ASD school year calendar.

Prescription medication must be in the original pharmacy container labeled with the following information: student name, medication, dosage, route, administration time, ordering healthcare provider, pharmacy, date issued, and prescription number.

STUDENT SELF-CARRY AGREEMENT

I have been trained in the use of my Epinephrine auto-injector and allergy medication. I understand the signs and symptoms of an allergic reaction and agree to have my Epinephrine auto-injector available at all times. I will notify a responsible adult (teacher, nurse, coach, noon duty, etc,) IMMEDIATELY if I use my Epinephrine auto-injector. I will not share my medication with other students or leave my medication unattended. I will use my allergy medication only for the prescribed purpose.

NURSE PLAN REVIEW AND STAFF TRAINING

I have reviewed the Allergy/Anaphylaxis Care Plan for accuracy and ensure that all required fields and signatures are completed before administering medication to a student. I approve of the agreement arranged between the physician, parent, nurse, and student for the management of the student’s health needs. I will conduct training with school staff, as needed, to ensure the safety and well-being of the student in the school setting.
