It is requested that the Anchorage Assembly approve local property taxes in the amount of \$255,406,416, a decrease of \$474,188 from the prior year, or about 0.19 percent, and the upper limit spending authorization of \$841,318,521 for FY 2021-22, a decrease of \$40,881,653 from the prior year.

Additionally, the District is requesting \$37,786,086 in property taxes to pay costs associated with the Governor's 100 percent reduction in State bond debt reimbursement that is tied to bonds passed prior to 2015.

The total tax request to fund the District's FY 2021-22 budget and repay prior bond debt is \$293,192,502. The associated mill rate is expected to increase to 8.49 for calendar year 2021, an increase of about 9.77 percent.

PROPERTY TAXES AND ENROLLMENT

The chart below shows the amount of taxes the District is requesting by both fiscal year (FY), which is July 1 through June 30, and calendar year (CY). Fiscal year taxes are collected over the course of two calendar years, e.g. the second half of the FY 21 tax request (January 1, 2021 – June 30, 2021) and the first half of the FY 22 tax request (July 1, 2021 – December 31, 2021) makes up the total calendar year 2021 request.

Additional information regarding changes in revenue and expenditures specific to each fund as well as programmatic and staffing changes specific to academic programs and support services can be found in the budget document.

The FY 2021-22 Proposed Financial Plan and Budget continues the Anchorage School Board's commitment to improving the education of all students.

1 The Anchorage School District requests the full support of the Anchorage
2 Assembly for this budget and in the ongoing efforts to continue a community
3 dialogue that focuses on building on the momentum ASD has started to achieve.

The Anchorage School Board is the governing body of the Anchorage School District and is composed of seven members. The Board meets twice a month unless noticed otherwise. Work sessions begin at 4 p.m., executive sessions at 5 p.m., and regular sessions at 6 p.m. The work and regular session meetings are held in the board room of the ASD Education Center located at 5530 E. Northern Lights Boulevard. Executive sessions, when needed, are held in the Executive Session conference room 150. In addition, special meetings and additional work sessions are scheduled throughout the year on an as-needed basis. Regular sessions may be watched live on ASD YouTube and are also available on-demand online after the meetings are over. Work sessions and committee meetings have a Zoom link posted for online viewing.

Office of the Superintendent

District Profile

The Anchorage School District (District) was established by the Home Rule Charter of the Municipality of Anchorage (municipality) on September 16, 1975. The most recent State of Alaska Department of Labor estimate of population in the Municipality of Anchorage was 291,845 (2019) – a decrease of 1.2 percent from the prior year. The District primarily serves 41,962 students from pre-kindergarten through the 12th grade.

The District is a component unit of the Municipality whose eleven-member assembly approves the District's total budget. The District is operated under a Superintendent-Board system with a seven-member school board elected at-large from the community. The Superintendent acts under the direction of the School Board and is responsible for running the day to day District activities. The School Board serves as the governing body of the District and approves memorandums, significant contracts, budgets and all personnel appointments and terminations as well as creating and approving policy and District strategic vision and goals.

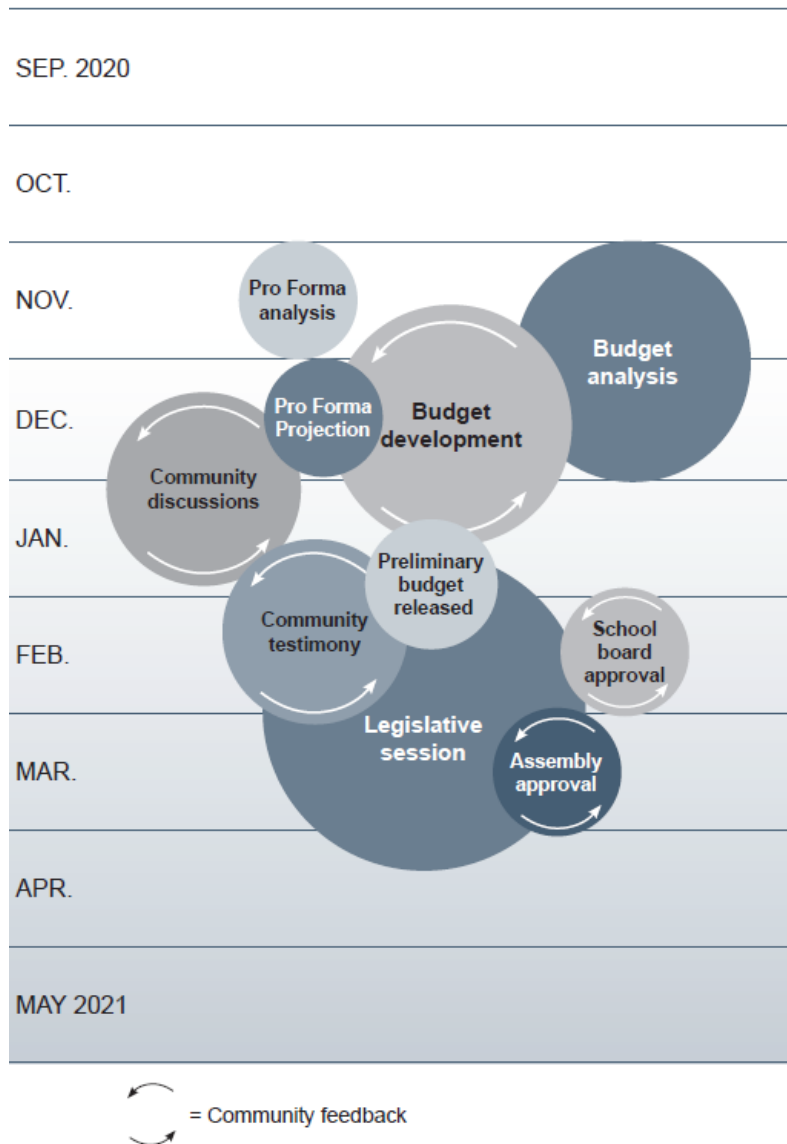

The District provides a full range of educational and certain community services. Educational opportunities within the District include a wide range of schools and programs to prepare students to be ready for college and careers. The schools range from traditional local neighborhood schools to specialized schools and programs that draw upon students from across the District. The District has a number of educational alternatives and programs such as Montessori, back to basics ABC learning, language immersion, ASD Virtual and self-paced instruction. In addition, the District offers special education services, gifted, career and technical as well as multi-cultural education programs. The District offers community use of District facilities such as tracks, fields, playgrounds, ice rinks, classrooms, and libraries.

The District operates nine charter schools, which have been approved by the School Board and the State Board of Education. Charter schools are primarily funded through the State of Alaska Public School Funding formula. Each charter school in the District is guided by an Academic Policy Committee, whose purpose is to “supervise the academic operation of a charter school” (AS 14.03.290). Charter schools remain under the purview of the superintendent and governance of the school board.

The School Board approves the Superintendent's budget for the General Fund, Grants, Student Nutrition, Pupil Transportation and Student Activity Special Revenue Funds, Debt Service Funds and Capital Grants. The District is required to submit the budget to the Assembly on (but not later than or prior to) the first Monday in March each year for the subsequent year's budget. The Assembly must approve the District's total budget and appropriate the funds within 30 days after receipt. If the Assembly fails to approve the budget within this time, the budget as submitted becomes the budget for the District. Legislative changes subsequent to the passage of the budget may result in revisions to the Adopted budget.

The District's timeline for budget development, community engagement, and approval is below:

**Budget development process
for the 2021-22 fiscal year**

Budgetary control is maintained by the District by fund, organization, and object in the General Fund, Student Nutrition Special Revenue Fund, Grants Special Revenue Fund, Pupil Transportation Special Revenue Fund, and Debt Service Fund only. The Capital Project and Student Activity Funds are controlled based on the amount of revenue generated, where expenditures and encumbrances cannot exceed revenue.

Additional information regarding the District, its programs, services, facilities, events and other statistics can be found on the District's website at www.asdk12.org.

Long-term Financial Planning

The District saw no increase to the Base Student Allocation of \$5,930 for fiscal year 2020-2021, staying the same as the previous four years. The State did not provide any additional funding as the Governor vetoed one-time contributions included in the Legislature's approved budget. Additionally, approximately \$41 million intended to pay a portion of Anchorage's previously incurred bond debt was vetoed. These vetoes were both made under the assumption that proceeds from the CARES Act grant would replace lost State revenue, however, restrictions on the use of CARES Act money did not ultimately allow that to happen and the Municipality of Anchorage taxpayers must now bear the cost of the bond debt.

The District initially projected a budget shortfall of approximately \$28 million in fiscal year 2021-2022 and used a combination of budget reductions and shifting expenditures to the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA) to close the gap and maintain continuity of services. For fiscal years 2022-2023 and 2023-2024, the District expects to contend with the same current revenue challenges as well as medical and liability insurance cost increases above the rate of inflation and normal inflation on salaries, benefits, services and supplies. The District is also contending with aging facilities and classroom technology that are falling further behind replacement schedules. The budget shortfall over the next three years is expected to be between \$60 and \$70 million and result in the elimination of up to 750 positions in order to close the fiscal gap and balance the budgets if additional revenue sources are not provided.

Enrollment

The majority of the district's funding is derived from the State of Alaska Public School Foundation Program, which provides formula funding based on adjusted average daily membership (ADM). The District's ADM decreased by 4,091 students (9.1 percent) from the prior fiscal year to 41,375 for fiscal year 2020-2021 as a result of uncertainty surrounding the COVID-19 pandemic. The projection for fiscal year 2021-2022 anticipates an increase in enrollment to 45,266 as school returns in-person and staying at a similar number for fiscal year 2022-2023.

Facilities

Under Alaska law, the District cannot legally hold title to real property, therefore, all constructed or purchased school facilities are owned by the Municipality of Anchorage. The Municipality has delegated the construction management of school projects to the District.

2021-22 Proposed Budget

Educating All Students for Success in Life

A message from the School Board

This past year has pushed our community and school district to implement changes at lightning pace! Although the pandemic has caused unprecedented changes, the Anchorage School

Board and District Administration remain committed to providing a quality education to prepare our 42,000 students for success in life. The arrival of available vaccinations are making our community safe again, and we look forward to fully reopened school buildings in the 2021–22 school year. The staff and students are also excited that Eagle River Elementary and Gruening Middle School are on track to have their buildings completely repaired and renovated prior to the first day of school.

Through an extensive public process, the Anchorage School Board developed and adopted goals to inform and shape the District's new strategic plan. These

goals emphasize early literacy and promote equity across the District; a reflection of the community's vision and values. The Board's legislative priorities and budgetary guidance focus on prioritizing these new goals:

- Reading Proficiency
- Math Proficiency
- Life, College, Career Ready.

We appreciate the support of the Anchorage community and our state legislators. ASD continues to engage with state and local elected officials to keep them informed of the District's successes and challenges and to encourage their support for education funding.

The success of our students helps build a better community.

Elisa Vakalis, President

A message from the Superintendent

The Anchorage School District is now in its fifth budgeting cycle under my tenure. The November 30, 2018 earthquake jolted our staff, students, and buildings. The COVID-19 pandemic continues to affect our entire community and the manner in which education is delivered. Through these circumstances, we have ultimately created new district systems that will allow us to be more nimble and prepared for the future.

State funding is expected to be relatively static for the next school year, yet we are very fortunate that the federal government is providing additional Elementary and Secondary School Emergency Relief (ESSER) funds. These funds will allow the District to focus all efforts on reopening our schools, helping students recover from shortfalls experienced during the pandemic, and prepare them for a brighter future.

The FY22 budget is the first time, since I have been ASD superintendent, in which we did not have significantly reduced staffing at our schools. The

budget meets numerous priorities across the District, redirects resources to meet student needs, and takes advantage of the additional funding provided by the federal government. Equity within our system, closing learning gaps, and preparing students for success in life are on the front burner of the FY22 budget.

I am honored to serve this community and incredibly proud of the entire ASD team as we faced new challenges while aggressively focused on improving educational outcomes for students – our State's most valuable asset. As we plan for all school doors to be open for the coming year, I am very excited the staff and students at Eagle River Elementary and Gruening Middle School will be returning to their newly repaired and renovated buildings!

Sincerely,

Deena M. Bishop, Ed.D.

Building the ideal student experience

Student learning, achievement, and lifelong success are the focus of the Anchorage School District. Within the District, families have many academic choices to meet a variety of student needs. Equitable access and opportunity are keys to building a successful learning path for each student. ASD celebrates our differences and is committed to inclusion of all our community's languages, cultures, and perspectives.

Transportation

ASD partners with Reliant to transport students safely to and from school as well as activities.

ASD Transportation...

- Owns and operates 117 buses inside the Municipality of Anchorage
- Transports approximately 24,000 students daily
- Runs more than 225 daily routes and in partnership with Reliant
- Completes more than 5000 activity trips each year
- Delivered more than 20,000 Chromebook computers
- Operated 13 food service routes, delivering about 3,200 meals daily
- Assisted in distributing thousands of meals at 28 schools

Sustaining the Graduation Rate

ASD's upward trend in the graduation rate the last five years is a testament to our students' hard work and dedication, our educators' unrelenting pledge to their students, and the community's staunch commitment to educating all children for success in life.

Student Achievement Across Groups of Interest

Over the past five years, from 2016 to 2020, ASD has made steady improvement in the graduation rate for students across several groups of interest.

Anchorage School District

2021–26 Board Goals and Guardrails

Goals

Reading Proficiency

Beginning September 2020, the percentage of third-grade students proficient in reading on the state summative test (currently PEAKS) **will increase from 40% to 80% by May 2026.**

Math Proficiency

Beginning September 2020, the percentage of students in grades 3–9 proficient in mathematics on the state summative assessment (currently PEAKS) **will increase from 40% to 55% by May 2026.**

Life, College, Career Ready

Beginning with the Freshman Class in September 2020, the percentage of **high school students Life Ready and College and/or Career Ready will increase from Spring 2021 to Spring 2026.**

Guardrails

Guardrails are based on the community’s values and are aligned with the vision and goals. A guardrail is an operational action or class of actions, usually strategic not tactical, which the Superintendent may not use or allow in pursuit of the District’s student outcome goals.

- Superintendent will not leave student groups underrepresented in lottery/application-based programs.
- Superintendent will not operate without a diverse or culturally responsive workforce.
- Superintendent will not allow unsatisfactory employee performance to go unidentified or unaddressed.
- Superintendent will not operate elementary schools without mental health services.

Inputs for FY 2022

Inputs

Reading

- Resource and redesign additional supports (including summer programs), focused on learning attainment to support reading achievement and “catch-up” growth
- Implement *Reach for Reading* priority plans in grades K-5 with integrity within a multi-tiered system of supports (MTSS)
- Ensure evidence-based reading instruction is embedded in PreK-3 classrooms
- Provide professional development (PD) in evidence-based reading instruction

Math

- Implement *Ready Mathematics* in grades K-8 within a multi-tiered system of supports (MTSS)
- Provide PD on math content standards, standards of math practices, and new instructional materials
- Provide enhanced coaching in math instruction and data-based decision making (Funded by Title I and Title IIA)

Life, College, Career Ready

- Redesign courses to meet financial literacy requirement
- Increase dual credit opportunities for high school students within CTE programs
- Develop framework of CTE lessons grades 6-12
- Develop and implement PD for staff to increase career development instruction
- Develop outreach plan to families and students on pathway/career planning

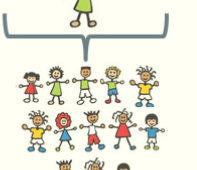

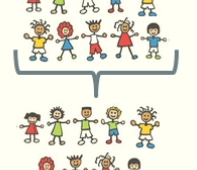

Guardrails

- Increase employee engagement to identify equity issues within the District
- Revamp diversity recruitment to attract new talent
- Implement benefits platform to meet diverse needs of employees
- Ensure equitable representation in gifted education
- Expand Reset Zones and other behavioral and mental health supports

General Fund Revenue

General Fund Budget by State Function

FY 2021–22 General Fund Expenditures by Type

FY 2021–22 Proposed Budget Highlights

General Fund Revenue

Anchorage Schools are primarily funded through the State of Alaska Foundation Funding Formula, which includes associated local property taxes. Additional Federal revenues come from Federal Impact Aid and reimbursements for Medicaid and JROTC instructors. Other local revenues include interest earnings from the municipal investment fund, user fees, facility rental, and E-rate. E-rate is a program that reimburses some telecommunication costs. The state is not expected to significantly increase K-12 education funding for next year, though several bills will be presented during this year’s legislative session to increase funds in some areas. The District will receive \$50.1 million in Elementary and Secondary School Emergency Relief (ESSER II) funds, which will be used during FY22 and FY23 to assist in efforts to fully reopen schools and recover from impacts of the Covid-19 pandemic. Enrollment in FY21 was significantly lower than projected, as many families moved their students out of the District for home school or private school programs. FY22 enrollment is still projected to be lower than FY20, as some students may not return from correspondence or private school programs. This lower enrollment, compared to FY20, is expected to result in decreased state and local revenue.

Expenditures

District expenditures are apportioned for personnel costs (86.1%), utilities/rent (5.1%), purchased services (4.5%), supplies & equipment (3.3%), and insurance/other items (1%). Eagle River Elementary School and Gruening Middle School will reopen their doors for the FY22 school year, requiring some previously reduced staff to be added back at those schools.

Budget Development

Student enrollment, or membership, drives the State's funding formula. Projected enrollment numbers and current law are used to develop the budget. Enrollment data during the first 20 school days in October is used to develop the Average Daily Membership (ADM); this confirms the State/local revenue

for the school year. The State hasn't changed the Base Student Allocation (BSA) since 2017, and it is expected to remain unchanged for FY22. The following chart depicts ASD's per-student revenue during the past 10 years.

General Fund Revenue per Student (ADM)

	ADM	Revenue per Student
FY13	48,493	\$11,371
FY14	47,770	\$11,410
FY15	47,562	\$11,966
FY16	47,756	\$11,709
FY17	47,685	\$11,754
FY18	46,964	\$12,000
FY19	46,748	\$12,086
FY20	45,466	\$12,592
FY21	45,180	\$12,693
FY22	45,266	\$12,491

Budget Assumptions

The State's legislative session is scheduled to end in late April, requiring some assumptions to be made in order to develop the budget within required timelines. The budget must be balanced prior to submission to the Anchorage School Board in February and to the Anchorage Assembly no later than the first Monday in March. The following assumptions were used for the proposed budget:

- No increase to the State's Base Student Allocation (BSA) at \$5,930. The BSA has remained unchanged since FY17.
- No changes to the State's Foundation Funding Formula.
- No decrease in the State's portion of ASD's debt reimbursement.
- Additional block grant revenue might be available for targeted educational improvements.

Personnel Reductions

Nearly 90% of the District's budget is used to pay salaries and benefits for employees. As a result, the District's revenue determines whether the workforce increases or contracts. The District is able to balance the budget with no change to the pupil-teacher ratio (PTR) due to the availability of ESSER II federal relief funds. The charts below indicate that the

ESSER II funds will be used to maintain staffing levels for FY22. The PTR formula divides the total number of students in the school, by grade level, by a ratio (e.g. 1 teacher to 25 students in 1st grade); this determines the total number of teachers allocated per school.

School Type	FY 2022 <u>GENERAL FUND</u> PTR–Grade Level Groupings							
	K	1	2	3	4–5	6	7–8	9–12
Secondary Schools								34.25
Middle Schools						34.25	34.25	
Elementary Schools	25	26	28	29	30	31	31	

School Type	FY 2022 <u>GENERAL FUND + ESSER II</u> PTR–Grade Level Groupings							
	K	1	2	3	4–5	6	7–8	9–12
Secondary Schools								30.25
Middle Schools						30.25	30.25	
Elementary Schools	21	22	24	25	26	27	27	

- Pupil to Teacher Ratio (PTR) is a budget staffing formula, not a class size, nor a class cap.
- ESSER II funds used to maintain present class size reducing PTR by 4.

School Reductions

The following series of charts depict proposed staff allocations, at all grade levels, needed to standardize the number of staff positions at each school. Some schools with unique

requirements may be allocated additional staff and other resources.

Elementary Schools

The elementary school teacher allocation is being reduced by 38.5 FTE teachers overall. Initiatives will be initiated or accelerated in order to meet Board goals in reading and math outcomes, along with efforts in many areas to increase access to choice programs and schools. Eagle River Elementary students

will begin the FY22 school year in their newly renovated building. It was damaged during the 2018 earthquake and all efforts are being made to assure a smooth and timely reopening. ASD will continue to focus and redirect resources toward creating better student outcomes.

Middle Schools

The middle school teacher allocation is being reduced by a total of 5.2 FTE due to enrollment. Gruening Middle School is scheduled to relocate from Chugiak High School back to their newly renovated building at the start of the FY22 school

year. Repairs from the 2018 earthquake are on track and the staff and students are excited to start the year in their own school building.

Governmental Funds Overview

Governmental funds are used to account for governmental activities and focus on near term inflows and outflows of spendable resources as well as on balances of spendable resources available at the end of the fiscal year. The District maintains seven individual governmental funds and adopts an annual appropriated budget for its General Fund, Grants, Student Nutrition, Pupil Transportation, Student Activities Special Revenue Funds, and Debt Service Fund. Additionally, the District adopts an annual budget for the Capital Projects Fund to account for monies received outside of voter approved, bond funded projects such as State Legislative Grants or Capital Contributions from the General Fund. The combined governmental funds budgets are approved and set the Upper Limit Spending Authority in accordance with Municipal Charter.

[3] Capital Projects includes capital Legislative grants and General Fund contributions only; voter approved bond projects that are repaid through debt service have been excluded

The District is projecting a total decrease for all Governmental Funds of approximately \$40.882 million, or 4.6 percent. This decrease is primarily due to eliminating the 2021-22 State grant of \$71.9 million as well as decreases in The General and Debt Service Funds by \$10.52 million and \$11.82 million, respectively. These decreases are partially offset by increases in Federal Grants for the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA) of \$50.1 million.

General Fund Overview

The General Fund is the general operating fund of the district. It is used to account for all financial resources traditionally associated with school districts except those required to be accounted for in another fund.

Funding Sources

Anchorage schools are primarily funded through the State of Alaska and local property taxes, with additional Federal revenues coming from Federal Impact Aid (FIA). FIA is a program to help offset lost local tax revenue for students living on Joint Base Elmendorf Richardson and other federally connected students. Other reimbursements for JROTC instructors and Medicaid are also included in Federal revenue. Other local revenues include interest earnings, user fees, facility rentals, and E-rate, a program which reimburses some costs of telecommunications.

State Revenue

The District's revenue from the State is generated through the Alaska Foundation Formula Program which uses each district's average daily membership (ADM) to calculate State revenue and, in turn, set the amount of local property taxes that a district can collect.

The ADM is based on the District's average enrollment during the first 20 days of October in the fiscal year in which funding is to be provided. Once the ADM is calculated, it is run through the six steps of the Foundation Formula to generate an adjusted daily membership (AADM). The six steps to determine the AADM through the foundation formula are as follows:

1. Adjusts the ADM at each school based on the school's size
2. Apply the District Cost Factor to the total adjusted ADM from step 1.
3. Apply the Special Needs Factor
4. Apply the Career Technical Education (CTE) Factor
5. Adds adjustment based on Intensive Needs (IN) count
6. Adds adjustment based on correspondence schools ADM

Once the AADM is determined, it is multiplied by the Base Student Allocation (BSA) to determine Basic Need. Basic Need is then reduced by an amount that is required to be funded by the local borough or municipality and reduced for a portion of Federal Impact Aid funds that are received.

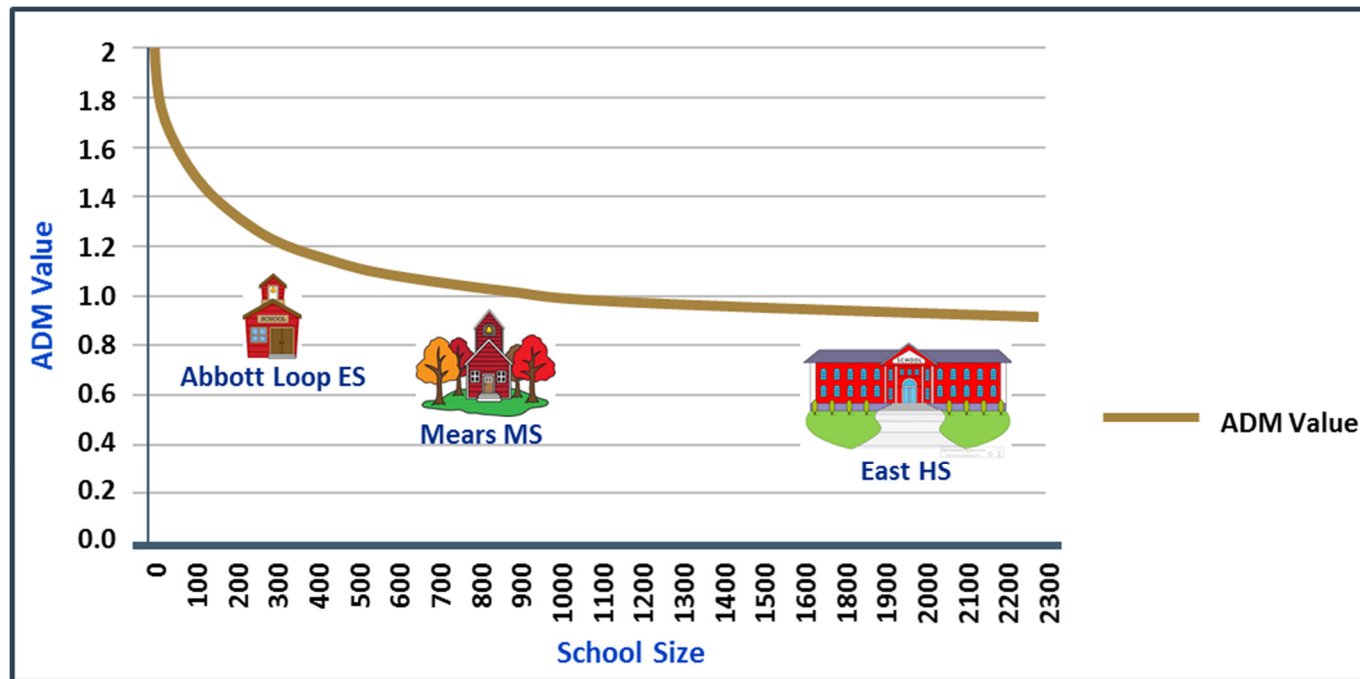

The detailed calculations to determine State revenue and local contributions for fiscal year 2021-2022 are as follows:

Step 1 – School Size Adjustment

Schools are divided into two categories: regular schools (facilities based) and correspondence (home schools). The school size adjustment applies to regular schools only and correspondence schools are added at step 6, not receiving adjustments for special needs or CTE. The school size adjustment is applied on a school-by-school basis (with the exception of alternative and charter schools under 175 and 150 ADM, respectively, which are included within the District’s school with the highest ADM) and is calculated based on the following formula created by the State of Alaska:

Alaska State School Size Table		
Reference	School Size	Formula
1	10 - 19.99	39.60
2	20 - 29.99	$39.60 + (1.62 * (ADM - 20))$
3	30 - 74.99	$55.80 + (1.49 * (ADM - 30))$
4	75 - 149.99	$122.85 + (1.27 * (ADM - 75))$
5	150 - 249.99	$218.10 + (1.08 * (ADM - 150))$
6	250 - 399.99	$326.10 + (.97 * (ADM - 250))$
7	400 - 749.99	$471.60 + (.92 * (ADM - 400))$
8	Over 750	$793.60 + (.84 * (ADM - 750))$
Correspondence student counts are not adjusted for size (See Step 6)		

The school size table effectively creates a sliding scale where ADM is incrementally less for each additional student that is enrolled in the school. The graphical representation of the school size adjustment is below:

For FY 2021-22, the District is projecting an ADM of 45,266 (42,863 regular and 2,403 correspondence)

Step 1	Regular ADM	42,862.69
	School Size Adjustment	+ 5,355.74
	Total	48,218.43

Hold Harmless Adjustment

State Statute includes a hold harmless provision to assist districts that experience a significant drop in enrollment from one year to the next. The hold harmless provision is triggered when the school size adjusted ADM declines 5 percent or more from the preceding fiscal year. The first year the provision applies, a

district is able to recoup 75 percent of the difference between that fiscal year and the preceding fiscal year, which is set as the base year. The hold harmless provision then provides 50 percent of the difference between the base year and the second year, so long as the school size adjusted ADM remains any amount below the base year. For the third year, 25 percent of the difference from the base year is provided before being completely phased out in the fourth year. The provision was triggered in FY 2020-21 due to the ongoing COVID-19 pandemic in which many students opted to attend private schools or statewide correspondence schools. For FY 2021-22, the District expects to remain below the FY 2019-20 base year and expects to be able to recoup 50 percent of the lost ADM. The hold harmless ADM adjustment is then added to the school size adjusted ADM for FY 2021-22 and continues as part of the Adjusted ADM calculation.

Step 1	FY20 School Size Adjusted ADM	49,610.25
	FY22 School Size Adjusted ADM	- 48,218.43
	Difference	1,391.82
	Hold Harmless (HH) at 50%	695.91

Step 2 – District Cost Factor

The second step of the formula is the District Cost Factor which is an adjustment for cost differentials between districts. Anchorage is set as the baseline and receives no cost adjustment in this step. Cost factors are specific to each district and range between 1.000 and 2.116. It is worth noting that the district cost factors have not been adjusted based on any studies completed within nearly 18 years. In that time, the cost of living in Anchorage has outpaced many other districts and may not be the least expensive place to conduct business any longer.

Step 2	AADM + HH from Step 1	48,914.34
	District Cost Factor	x 1.00
	Total	48,914.34

Step 3 – Special Needs Adjustment

The Special Needs Adjustment is block funded at 20 percent of Step 2 and is intended to assist districts in providing vocational education, non-intensive special education, gifted/talented education and bilingual/bicultural education.

Step 3	AADM from Step 2		48,914.34
	Special Needs Factor	x	1.20
	Total		58,697.21

Step 4 – Career Technical Education Funding

The CTE adjustment is block funded at 1.5 percent of Step 3 and is intended to provide for additional CTE instruction for students in grades 7-12.

Step 4	AADM from Step 3		58,697.21
	CTE Factor	x	1.015
	Total		59,577.67

Step 5 – Intensive Needs Funding

Intensive needs funding is based on the actual number of students with an IEP and are receiving intensive services. The number of IN students is multiplied by 13 and added to the total from step 4.

Step 5	Intensive Needs Count		1,025.00
	Intensive Needs Adjustment	x	13.00
	Subtotal		13,325.00
	AADM from Step 4	+	59,577.67
	Total		72,902.67

Step 6 – Correspondence Funding

Funding for correspondence programs is calculated by multiplying the correspondence ADM by 90 percent. This is added to the total from step 5 to get to the Foundation Formula's total Adjusted Average Daily Membership (AADM).

Step 6	Correspondence ADM		2,403.45
	Correspondence adjustment	x	0.90
	Subtotal		2,163.11
	AADM from Step 5	+	72,902.67
	Total AADM		75,065.78

Basic Need

After the AADM is determined, the State calculates Basic Need, which is the amount of revenue the State has determined each district needs to fund education, by multiplying the AADM by the BSA. Basic Need, however, is not the amount the District will receive from the State.

District adjusted ADM		75,065.78
Base Student Allocation	\$	5,930
Basic need (BSA x AADM)	\$	445,140,075

Adjustments to Basic Need

Once Basic Need is calculated, the State makes adjustments to the amount of each district's funding based on a required local contribution that boroughs and municipalities must make towards education, Federal Impact Aid funds received, and the Quality Schools Grant which was incorporated into the formula in 1998.

Required Local Contribution

The Required Local Contribution (RLC) is calculated as the lesser of 45 percent of the prior year's Basic Need or 2.65 mills of the borough or municipality's tax base for prior tax year (e.g. 2020 tax base used for the 2021-22 fiscal year). ASD has historically used the mill rate as the basis of calculation and is shown at right:

Property Values	\$	42,371,774,970
Mills		x 2.65
Total Required Local Taxes	\$	112,285,204

Federal Impact Aid

Basic Need is then reduced by 90 percent of eligible revenue received from Federal Impact Aid funding that provides an 'in-lieu of local tax revenue' for the children of parents living and/or working on Federal property. For Anchorage, the actual percentage of total Federal Impact Aid receipts that is recaptured in the State Funding Formula is closer to 50 percent.

Quality Schools Grant

The Quality Schools Grant is calculated based on \$16 per AADM and added in to the total funding provided by the State. The total adjustments to Basic Need and the resulting net amount of State aid to ASD are calculated as:

District adjusted ADM		75,065.78
Base Student Allocation	\$	5,930
Basic need (BSA x AADM)	\$	445,140,075
Required local effort (property taxes)	\$	(112,285,204)
Reduction for Federal Impact Aid		(7,168,320)
State Foundation Revenue		325,686,551
State Quality School Grant		1,201,052
Total State Revenue	\$	326,887,603

Operating Grants

State funded operating grants are generally funds appropriated by the State in lieu of a permanent increase to the BSA. For FY 2021-22, the Legislature has not appropriated any funding outside the Foundation Formula.

Total State revenue for FY 2021-22 is expected to decrease from FY 2020-21 primarily as a result of lower overall enrollment, and shifting responsibility to the Municipality of Anchorage through the RLC, which is partially offset by an expected increase in funding for students in correspondence programs. Total State revenue is expected to decrease by approximately \$5.67 million, or about 1.7 percent.

Education Raffle Proceeds

In FY 2019-20, the State of Alaska instituted an Education Raffle where residents can purchase raffle tickets when applying for their Permanent Fund Dividend. Half of the proceeds from the raffle are dedicated to go directly to school districts and are distributed to all districts on the basis of AADM. For FY 2021-22, the District is expecting approximately \$0.15 million in revenue generated from the raffle.

Additional Local Contribution

The State allows boroughs and municipalities the opportunity to contribute additional funds to education above the amount legally required. The maximum additional allowable amount is calculated as the greater of a 2 mill tax levy on the local tax base or 23 percent of the total of Basic Need, the Quality Schools Grant, and other supplemental funds provided outside of the Foundation Formula, if applicable. ASD has historically used the latter method. The total amount of local contributions as allowed by the State is shown here:

Basic Need	\$ 445,140,075
Quality Schools	1,201,052
Supplemental Funding	-
Total	\$ 446,341,127
	23%
Total Allowable Contribution	\$ 102,658,459

Local Revenue

The District is a component unit of the Municipality of Anchorage and has no ability to levy taxes itself, therefore, any tax appropriations must be levied by the Municipality for the benefit of the District and are subject to the State's allowable local contributions as described above.

Local Property Taxes

The District is fortunate to have a community that is very supportive of public education and expects to receive tax appropriations equal to the maximum allowed under State law. Total local property tax contributions are expected to increase by \$4.11 million, about 1.95 percent, due to an increase in property values that shifts funding responsibility from the State (\$4.40 million), partially offset by a decrease in the additional allowable contribution that is due to lower overall enrollment (\$0.29 million).

Additionally, the District is subject to a local tax cap defined in Municipal Charter. Information on the District's mill rate and local tax cap can be found in Appendix D - Local Property Tax Mill Rate and Appendix E - Municipal Tax Cap Limitation, respectively. The District can only collect the lesser of the State Allowable Local Contribution or the Municipal tax cap.

Fund Balance

The District has not used fund balance, the governmental equivalent of savings, as a local revenue source in FY2021-22 due to the effect the pandemic has had on overall District revenue and expenditures. The usage of fund balance for FY2021-22 is \$8.33 million less than FY 2020-21.

E-Rate

The E-Rate program is intended to help school districts offset the costs of telecommunications, including bandwidth and telephone services. E-Rate revenue is expected to remain consistent with FY 2020-21.

Other Local Revenues

Other local revenues include interest earnings, facility rentals, user fees and other miscellaneous revenue. For FY 2021-22, the District is expecting a few changes including:

- Interest earnings – the District is projecting a decrease in interest earnings of \$0.5 million. This is primarily due to recent decreases to the Federal Funds Rate, which has declined from 1.75 percent to 0.25 percent over the last year.
- User fees – user fees, including facilities rentals, are expected to remain consistent with FY 2020-21.

Federal Revenue

Federal revenue consists of Federal Impact Aid, JROTC instructor funding and Medicaid claim reimbursements. Budgeted Impact Aid is expected to decrease from FY 2020-21 levels by \$0.14 million or about 0.87 percent. The decrease is primarily due to fewer students living on Joint Base Elmendorf Richardson (JBER). Based on current on-base students, the decline in revenue would have been closer to \$3.175 million, however, the Federal Government has passed the Federal Impact Aid Coronavirus Relief Act which allows school districts to use their student counts from their FY21 application to calculate their share of Impact Aid. Federal Impact Aid revenue is normally based on the number of eligible students in the fiscal year immediately prior to the funding year. Therefore, FY 2021-22 Impact Aid funding would have been based on FY 2020-21 eligible students, which declined as a result of Covid-19 but was mitigated by this Congressional appropriation.

The total General Fund Revenues are shown in the chart on the following page.

Expenditures

By law, the District is required to have a balanced budget where revenues are equal to expenditures. Given that the District has no authority to levy taxes or raise additional funding, balancing the budget when revenue declines generally results in a reduction of budgeted expenditures. The District spends nearly 90 percent of its revenue on salaries and benefits so reductions in expenditures predominately come from personnel.

The District has made reductions across nearly all functions since 2013 as revenues have been flat or declining for the past several years. The table below shows the authorized FTE by State Function since 2017. The description of each State Function can be found in Appendix A – State of Alaska Chart of Accounts, as well as a more detailed description of which positions are in each function, in Appendix B – General Fund Detailed Personnel History. A detailed summary of changes can be found in Appendix C – Summary of FTE and Significant Discretionary Budget Changes.

The State of Alaska has separated the State Functions into two distinct categories for the purposes of recognizing the amount that is classified as instructional activities. Functions 100 through 400 have been defined as instructional activities while function 450 through 780 are defined as support services. Up until fiscal year 2016-17, when AS 14.17.520 was repealed, Alaskan districts were required to spend a minimum of 70 percent of operating funds on instructional activities. Anchorage School District has always been well above the minimum requirement and continues to see the value in providing the calculation to demonstrate the funds being directed to each category. The chart below shows expenditures by State Function for the General Fund and the calculation of instruction vs support.

Pupil Transportation Fund Overview

The Pupil Transportation Fund is used to account for the operation of the District's home to school and school to school transportation programs. Transportation costs for other extracurricular or instruction purposes, such as sports and educational field trips, are recorded in the fund and function in which the activity applies.

The District is anticipating a decrease in State revenue for FY 2021-22 based on enrollment and a stagnate appropriation of \$481 per ADM that has remained unchanged since FY 2016. The District is requesting \$2.68 million in local tax revenue to supplement the Pupil Transportation Fund, a decrease of \$1.37 million, as the District has reached the Municipal Tax Cap due to the increase in the RLC. Additionally, the Transportation Fund expects to be able to use \$0.5 million in fund balance and receive a contribution from the General Fund of \$1.86 million to support operations. The overall Pupil Transportation revenues and expenditures are expected to decrease by \$0.10 million or about 0.4 percent.

The chart below shows total revenue for the Pupil Transportation Fund. Additional detailed information on Pupil Transportation Fund expenditures can be found in the Other Funds section of this document.

Grants Fund Overview

The Grants Fund is used to account for revenues from sources, which include categorical State and Federal grants or contracts used to supplement the District's educational programs.

The District anticipates receiving \$112.619 million in grants in FY 2021-22, a decrease of 14 percent. Federal grants, including contingency, are expected to increase by approximately \$53.2 million, predominantly due to receiving stimulus funds which the District intends to use in FY 2021-22.

Within the State grants, the District has reduced the contingency for targeted legislative appropriations by \$71.90 million, as it is not expected that request will materialize in FY 2021-22.

Federal grants constitute approximately 85 percent of the Grants Fund with contingency for other Federal awards which have not yet been received providing another 10 percent. State and local grant awards make up the remaining 5 percent. The graph below shows the amounts and percentages of local, State and Federal awards which are expected for FY 2021-2022. Additional detailed information on local, State, and Federal grant expenditures can be found in the Other Funds section of this document.

Debt Service Fund Overview

The Debt Service Fund is used to pay expenditures associated with voter-approved bonding for the purpose of major capital outlay relating to acquisition, construction, and renovation of capital facilities as well as debt incurred through the Municipality of Anchorage's master lease program. Annual debt service payments used to pay long-term principal, interest and related costs are expected to be \$70.57 million, about \$11.82 million less than the current year, or a 14.4 percent decrease. The District's total gross bonded debt as of June 30, 2020 is \$489.914 million, down from \$710.688 million a decade ago.

Funding for repayment of principal, interest, and other expenses comes primarily from the State Capital Debt Reimbursement program and local property taxes. The calendar year tax assessment for the repayment of bonds is estimated at 1.14 mills for 2021, about 2.2 percent above 2020. The table below shows the revenue sources by agency and the expenditures by type for the Debt Service Fund.

Capital Projects Fund Overview

The Capital Projects Fund is used to account for the acquisition and major repair of school facilities and equipment. Capital projects are financed by proceeds from general obligation bonds, local, State, and Federal grants and transfers from other funds. For upper limit spending authority purposes, the District budgets for additional spending authority for funds received outside of voter-approved bonds. There were no Legislative grants issued during the 2015, 2016, 2017, 2018, 2019 or 2020 sessions and the total of \$10.0 million is included to preserve upper limit spending authority within the fund if any grants are received. Additional information regarding the administrative costs and personnel of the Capital Projects Fund can be found in the Other Funds section of this budget document.

Student Nutrition Fund Overview

The Student Nutrition Fund is used to account for the operation of the School District's student nutrition program. Funding is provided by user fees and proceeds received under the National School Lunch and Breakfast Programs as well as from the State of Alaska's Fresh Fruit and Vegetable grants. For FY 2021-22, the District has included \$0.1 million in transfers from the General Fund to pay for uncollectible, unpaid meal balances, primarily for students in foster care or who subsequently became eligible for free or reduced meals.

Overall revenue for the Student Nutrition Fund is expected to decrease by \$0.152 million or about 0.6 percent. The anticipated revenue is shown in the chart below and detailed statements of expenditures and personnel can be found in the Other Funds section of this budget document.

STATEMENT OF PROGRAM:

OMB's principle responsibility is for the planning, development, compilation, execution and monitoring of the district's budget and financial planning. This includes developing extensive revenue projections based on state statute, evaluating prospective changes to statutes, estimating future costs of labor, benefits, supplies and services and assessing the risk in each area. Additionally, OMB provides training for school and administrative staff and provides support in financial modeling and reporting to other departments.

STATEMENT OF PROGRAM:

The Elementary Education division strongly supports partnerships with parents and the community and believes that such partnerships are critical to the success of the District's mission of education students for success in life. We believe that all children can and will learn in our classrooms and schools. All of our efforts are aimed at improving academic achievement in safe and caring schools and classrooms. Each school is encouraged and expected to create opportunities to ensure academic progress and success for every child at every grade level.

STATEMENT OF PROGRAM:

The Assessment and Evaluation Department serves schools and students within the learning community by supporting the multiple systems of support that contribute to our mission to ensure success in life for all students. The department oversees data collection including state required and district adopted assessments and data analysis by supporting research and evaluation projects. The department, in close collaboration with the Information Technology Department, strives to provide accurate data and analysis to support key decision makers from the classroom to the boardroom so that the district can deliver the best possible education to all students.

STATEMENT OF PROGRAM:

The Music and Fine Arts Department provides funding, instruction, and direct supervision for the elementary band, 6-12 orchestra, and middle school choir programs. Our itinerant instrumental music and choral teachers teach more than 5000 students throughout the District. The M & FA budget also funds orchestra and band in the secondary optional programs. In addition to funding and supervision, The M & FA Department also provides support and event coordination for the entire K-12 Music program and K-12 Art program. This includes curriculum support, teacher in-service, professional development, resource materials, festivals, concerts, art shows, and a variety of other services to all schools.

STATEMENT OF PROGRAM:

Career and Technical Education (CTE) helps students discover their talents, plan a career, and build a future. The department designs, develops and coordinates career preparation programs aligned to in-demand industry clusters and career pathways. CTE priorities include teacher professional development, quality instruction, rigorous CTE curriculum, work based learning experiences and post-secondary connections to the workplace and advanced education. CTE programs serve students in 6th through 12th grade, creating educational pathways that prepare students for the demands of the workplace and post-secondary education. Programs are influenced and guided by the CTE Advisory boards, industry partners and post-secondary education institutions to ensure students can successfully transition out of high school to pursue their career and educational goals.

STATEMENT OF PROGRAM:

The Development and Grants Department acts as the central oversight for ASD's external funding opportunities. The Department provides research, prepares competitive grant proposals, and plans for growing the peripheral relationships and networking capacity for ASD to gain funding prospects. The staff works closely with ASD leadership and Academic Services to identify school/instructional funding needs and to strategically align with ASD's long-term goals/objectives. Under the Finance Department, the Development and Grants Dept. works closely with Accounting staff regarding notification of awards, post-award compliance training, budget adjustments, and new award criteria.

STATEMENT OF PROGRAM:

The Rentals Department coordinates district and community use and rental of ASD facilities for school, community, cultural and recreational events. Spaces available for facility rentals include auditoriums, gyms, multi-purpose rooms, classrooms, outside spaces and more. The department uses a web based program that allows community rental groups to check site availability and to schedule their own rental requests. The department's goal is to make tools available that support rental groups' facility scheduling needs and provide more customer service assistance.

STATEMENT OF PROGRAM:

The Community Resources Department works closely with classroom teachers, community-wide resources and special events coordinators to enhance the instructional process for students. This is achieved by scheduling assemblies, speakers and field trips for ASD classrooms. The department uses a web based program that allows school staff to submit requests online, track requests and status changes, and receive immediate email notifications. Throughout the year, the department schedules People Mover buses for many field trips. Use of People Mover increases classroom mobility, eases congestion and decreases overall District transportation costs.

STATEMENT OF PROGRAM:

Alpenglow Elementary School is set in the picturesque Eagle River Valley, a local K-6 neighborhood school. While high academic achievement continues to be a success story, its best attribute is the cohesive community of parents and staff who work together to make each day a positive experience. Alpenglow is a high achieving school that fosters both high expectations and consideration for the social emotional development of the whole child. Alpenglow enjoys strong parental involvement and is dedicated to continuing and expanding its partnership with the community. We are proud to hold a high standard at Alpenglow and pleased to celebrate the many successes of all our hard working students.

STATEMENT OF PROGRAM:

Baxter Elementary provides a comprehensive educational program for students in Kindergarten through sixth grade. Baxter is the alternative site for the MSI (Multi-Sensory Instruction) program in the Anchorage School District. MSI is a structured, systematic, explicit approach to teaching Language Arts and Reading. The approach is highly effective with students with Specific Language Disability and those that struggle in reading, writing, and spelling. Baxter has two Life Skills classes for students with disabilities. The Baxter staff is dedicated to providing a safe and positive educational environment in which students are challenged, excellence is expected, and diversity is valued.

STATEMENT OF PROGRAM:

Bayshore Elementary School provides a well-rounded education for children in grades K-6 in a traditional neighborhood setting. The rigorous program is focused on district and state standards. Our dedicated 90-minute literacy and math blocks help students learn in flexible groups based on regular review of performance. Reading and math instruction is provided according to students' specific needs. We also use assessment-driven instruction in writing. PTA and staff members are dedicated to providing personal development activities for students such as: chorus, choir chimes, community service, Student Council, spirit days and numerous sports opportunities.

STATEMENT OF PROGRAM:

Birchwood ABC is a neighborhood school in the Anchorage School District with an alternative curricular program. The staff emphasizes basic academic skills and subject matter along with character building, citizenship, and patriotism. The school seeks to build a sense of responsibility, confidence, and community. Parent participation is a key component to our success as many parents volunteer six or more hours of their time each quarter. This partnership creates the optimal climate for promoting student success.

STATEMENT OF PROGRAM:

Campbell STEM Elementary is ASD's first official STEM (science, technology, engineering and math) alternative school serving the Campbell neighborhood and students throughout Anchorage who are interested in STEM. In addition to PE, Music, Health, Art, and Band or Orchestra for 6th graders, Campbell STEM includes integration of science, technology, engineering and math into all subject areas. Campbell STEM places an emphasis on engineering design process, project-based and place-based learning, and STEM career exposure at every grade level as well as STEM labs and maker-spaces. Campbell STEM utilizes partnership businesses, UAA and high schools to provide STEM experiences for students.

STATEMENT OF PROGRAM:

Chinook is an elementary school providing a comprehensive instruction program for grades K-6. The staff is committed to improving student achievement. Our focus on reading, language arts and the Common Core State Standards continue throughout all grade levels. The staff welcomes focused and intensive staff development to increase their knowledge and skill set. Chinook is also fortunate to have two active parent associations, the PTA and Chinook Optional School Association (COSA). These associations work together to benefit all students and provide enriching experiences for our students.

STATEMENT OF PROGRAM:

The students at Chugach Optional Elementary develop a sense of responsibility for themselves and others while becoming confident, independent learners. The open method at Chugach focuses on “doing” and reflects an experiential approach to learning. In practice this means extensive use of manipulative teaching materials, formulation and testing of hypotheses, numerous field trips and classroom visits by a variety of resource persons. Chugach has a strong sense of community with close home school connections.

STATEMENT OF PROGRAM:

Offered within the walls of Chugiak Elementary one will find our Natiya Program, an academically rigorous educational program working harmoniously with the District's only one-way Spanish Immersion School. Adding to the richness of our school one will also find an award winning art program, a high-energy physical education program that is committed to lifelong fitness, a state of the art library, and a music program offering the regular music curriculum as well as a handbell choir, an honor choir, and regularly scheduled performances. We are also fortunate to have caring and dedicated support staff in our Teacher's Assistants, office personnel, recess attendants, and bus drivers.

STATEMENT OF PROGRAM:

Eagle River Elementary is a community of learners, with students and staff taking an active role in creating a safe and positive learning environment. Teachers set high academic standards for all of our students while still recognizing and honoring the strengths and challenges of each child. Our neighborhood and open optional programs provide students with opportunities to grow and develop as learners and citizens of the school community. ERES was closed in FY20 and FY21 due to earthquake damage and is scheduled to reopen in FY22.

STATEMENT OF PROGRAM:

Huffman Elementary is a K-6 neighborhood school emphasizing strong, caring relationships and high academic expectations. In addition to the K-6 neighborhood program, Huffman offers a K-6 Extended Resource program for children with significant cognitive delays. We are committed to providing a well-rounded education where students are challenged to take academic risks and share their unique perspectives. We strive to meet the individual needs of every student. Parent and community involvement are vital to Huffman's success and we are lucky to have a strong and involved PTA and parent group. Huffman emphasizes our motto, "We are safe, respectful, responsible, friendly, and caring" everyday.

STATEMENT OF PROGRAM:

Kasuun Elementary School is a neighborhood school. In addition to our traditional K-6 education program, our school provides bilingual support and fulfills gifted education needs. We also house an Early Intervention Preschool Program. We are committed to providing a safe and engaging environment for the success of all of our students. Our well-rounded academics incorporate technology, art, music and character building. We stress a strong commitment to the relationship between home and school and encourage our families to become involved at the school. By working together this approach will set up our students to become life-long learners.

STATEMENT OF PROGRAM:

Kincaid Elementary is a neighborhood K-6 school. We prepare our students with strong academic foundations while promoting an environment based on respect and responsibility. Our school community emphasizes good citizenship and responsible social conduct. We celebrate our unique diversity and embrace the gifts and talents of all students. Our school helps students succeed through quality staff, parent involvement and community partnerships. Parents play a crucial role in making sure their children do well in school. Principals share school achievement data with parents and actively seek parents' suggestions, comments and participation in developing plans for continuous school improvement.

STATEMENT OF PROGRAM:

Lake Hood Elementary is a preK-6 school that celebrates its wide diversity and development of respect for all. The academic, physical, social and emotional needs of all of our students are addressed throughout the building and in every classroom. Our Power of Positive Students program helps us maintain a positive school environment. We directly teach social and emotional learning skills (SEL) through our Connected and Respected lessons. SEL is also incorporated into content areas. Through our RTI process we regularly review student academic progress and apply interventions when necessary. We have an active family community.

STATEMENT OF PROGRAM:

Lake Otis Elementary School provides a complete education for children in grades K-6 in a traditional neighborhood setting, adjacent to Wendler Middle School and the University of Alaska. A strong focus on the individual child is evident daily. Lake Otis offers an excellent academic program, as well as before and after-school activities that support the physical and academic growth of our students. Our PTA and staff are dedicated to providing additional learning experiences for students such as chorus, community service, student council and bicycle rodeo. We are proud of our school's accomplishments and look forward to improving all aspects of our education community.

STATEMENT OF PROGRAM:

Mountain View Elementary is a Pre-K through 5th grade Title 1 school, located in northeast Anchorage. Our student population is comprised of multiple racial and ethnic groups who speak a wide variety of languages. We celebrate diversity in our school and in our neighborhood. Our instruction is data-driven and district curricula are implemented with fidelity and integrity. Science and math have often been strong areas for our students and we have fielded several winning Math Derby teams in the last several years. Our mission statement: At Mountain View Elementary we are dedicated to promoting a safe productive learning environment in which all students can thrive academically and socially.

STATEMENT OF PROGRAM:

North Star has a richly diverse population of pre-kindergarten through sixth grade students who are supported by highly qualified teachers, paraprofessionals and multiple programs. These programs include after school tutoring provided by 21st Century and Supplemental Educational Services. Other programs include: Indian Education student support; a neighborhood preschool and a Child in Transition/Homeless (CIT/H) preschool; Language & Cultural Liaison and self-contained Preschool and K-2 classes for children who experience autism. English Language Learners tutors support students whose primary language is not English. North Star is a Title I school that has free breakfast and lunch.

STATEMENT OF PROGRAM:

Northern Lights ABC K-8 School is an alternative program in the Anchorage School District known for its back-to-basics approach to education. The parents, teachers, and staff believe the purpose of education is to provide children with the skills necessary to live successfully as responsible citizens and contribute to their community. The academic program at Northern Lights ABC is based on the premise that many students learn best within the framework of a structured environment, where self-discipline is encouraged and boundaries are consistently applied. The program challenges students to take responsibility for their own learning and to have pride in their work.

STATEMENT OF PROGRAM:

O'Malley is a K-6 grade school where parent participation is a major component. Cooperative efforts among teachers, students, and parents help provide a program that promotes personal responsibility, develops useful study and work habits, and emphasizes student mastery of language arts and math. O'Malley Elementary is a safe, positive, and caring community that is dedicated to high academic and behavioral standards. The staff works closely with parents and the community to provide a learning environment where students experience academic and interpersonal success through self-discipline and positive decision-making.

STATEMENT OF PROGRAM:

The mission of Orion Elementary School is to ensure optimal learning and safety for all and help make respect, courtesy, and consideration for others a common practice. Located on Joint Base Elmendorf Richardson, Orion serves approximately 450 Pre K-6 students, most of whom are military dependents. Students attend art, health, library, music, and physical education classes in addition to classroom instruction. Parent and community involvement, participation, and support of our exceptional teaching and classified staff are key ingredients to Orion's educational program and positive learning environment.

STATEMENT OF PROGRAM:

Ravenwood Elementary School offers a complete instructional program in grades Pre K-6. We share a commitment to working toward continued academic progress, providing a positive, safe, enriched environment, encouraging lifelong learning, and fostering cooperation and respect. We expect that each student will become a contributing, successful member of our culturally diverse and technologically advanced society. Ravenwood will continue to stress the importance of maintaining high academic standards and behavioral expectations, a positive and purposeful school environment, a strong parent-teacher relationship, and parental involvement in the educational program.

STATEMENT OF PROGRAM:

Rogers Park Elementary School provides a climate that promotes instructional excellence through a student-oriented program that focuses on the development of the whole child. Recognizing that individual students have unique learning styles, Roger Park School affords every person opportunities for success with access to special services and resources for those students who are exceptional. At Rogers Park, two educational programs exist; a neighborhood K-6 program and a K-6 for highly gifted students. Cooperation of school professionals, parents, and community members ensures support for each student to achieve positive academic, emotional, physical and social growth.

STATEMENT OF PROGRAM:

"Leading with Respect, Learning for a Lifetime" is more than a vision statement; it is a way of life at Sand Lake Elementary School. As a "Leader in Me" School, Sand Lake is a strong community of learners with students, teachers, parents and the community partnering to provide the best opportunities for every student. Sand Lake has a vibrant neighborhood program and is home to the Japanese Immersion Program. The staff is recognized for its commitment and the school benefits from involved parent groups. While Sand Lake is the largest elementary school in the Anchorage School District, the sense of community gives it the feel of a much smaller school.

STATEMENT OF PROGRAM:

Scenic Park Elementary provides a complete K-5 instructional program using the Anchorage School District curriculum. Students learn the language and culture of China from our certificated Chinese teacher. Chinese classes are taught 20-30 minutes twice a week. We also provide bilingual students and native students with support through English Language Learners and the Cook Inlet Tribal Council program. We strive to promote a safe and healthy environment where students are taught how to solve problems and make good choices. We are a community committed to the success of all learners as they become knowledgeable, responsible, and caring citizens.

STATEMENT OF PROGRAM:

Spring Hill Elementary School is a neighborhood school and provides a complete K-6 educational program. Spring Hill also serves as a regional site for Special Education Extended Resource serving kindergarten through sixth grade students. We believe in educating students for success in life with a focus on both academic skills and personal responsibility. A teacher is available for students who qualify for the gifted program. Spring Hill offers students in our neighborhood an instructional program based on the curriculum adopted by the Anchorage School Board. Emphasis is placed on development of the whole child using a standards-based approach to teaching and learning.

STATEMENT OF PROGRAM:

Student scores from AIMSweb, and COREK12 and informal tests determine student needs. The school day is structured with a 90 minute literacy block, 60 minute math block for k-4 and 75 minute math block for 5-6, 30 minute writing block and 30 minute intervention block for grades 1-6, to provide differentiated instruction for all students. Staff professional development is provided through study groups, grade-level collaboration, district training, and staff meetings. Second step lessons along with Conscious Discipline are regularly directly taught to students. Our leadership team is working on the development of school wide policies and expectations.

STATEMENT OF PROGRAM:

Turnagain Elementary provides educational opportunities for K-6 students. The Turnagain educational community believes all children can learn and be successful in a safe, nurturing environment where a respectful relationship exists between staff, students, and parents. We are dedicated to improving student achievement and to providing opportunities for students to acquire strategies and coping skills that foster good citizenship and life-long learning. In addition to a neighborhood school program, a Russian Immersion Program is available through a lottery process. Our goal is that all students will become literate, independent, positive and respectful citizens who take pride in themselves.

STATEMENT OF PROGRAM:

William Tyson Elementary School provides a comprehensive elementary curriculum that strives to develop each. It is our vision that people in our community will become aware that we have many constructive choices for dealing with conflict, and encourage our students to develop skills that will help them make those choices. We are dedicated to increasing respect for our own and others cultures, and above all, believe Tyson has a powerful role to play in creating a more democratic, just and peaceful world. We are committed to providing a safe and peaceful learning environment for everyone.

STATEMENT OF PROGRAM:

Ursa Major Elementary, a K-6 school with special education preschool, is located on Joint Base Elmendorf Richardson. All of our students are dependents of military personnel. We have a highly mobile population at Ursa Major, with most students staying a maximum of three years. We offer a supportive environment for our military families stationed in Anchorage. We focus on rigorous learning experiences for all students. All teachers are highly qualified in the subjects they teach. Ursa Major provides the following support programs to our students: bilingual tutoring, resource, gifted, speech-language and counseling.

STATEMENT OF PROGRAM:

The Alaska Native Cultural Charter School is operating in its new building. The K-8 school offers a curriculum that is similar to Anchorage School District adopted curriculum with an emphasis on Native subsistence life styles and rural Alaskan culture. Several Native languages are introduced to students and various Native groups and organizations present special programs and provide guest helpers in the classroom to enrich the children's' educational experience. The school provides free and reduced breakfasts and lunches as well as makes available Title I assistance for all students. The school is open to all students in ASD and uses the lottery system to determine enrollment.

STATEMENT OF PROGRAM:

Aquarian serves students in grades K-6 and is currently residing in an ASD facility. The program philosophy statement says that Aquarian provides an educational community which supports a learning environment based on high expectations within an academic foundation, experiential hands-on learning and a commitment to personal character. The instructional program follows many aspects of an enrichment model, with Spanish inclusion in all grades, a solid core curriculum, which is aligned to State Performance Standards, fine arts, thematic instruction and technology integration.

STATEMENT OF PROGRAM:

Eagle Academy is a K-6 charter school. It offers an academically challenging program requiring students to master Eagle Academy's performance standards before progressing to the next level of curriculum. Students are placed in instructional levels after teachers analyze the results of standardized tests and classroom assessments. The Spalding Method of Integrated Language Arts is the basis for instruction across curriculum in all grades, employing a multi-sensory learning approach. Saxon Math is used across all levels for math instruction. All students receive an hour of instruction in art, music, physical education, and technology weekly.

STATEMENT OF PROGRAM:

Family Partnership is a K-12 alternative school. "Parent directed education" defines this program. It is based on the premise that a partnership between students, parents, professional educators, and community members is an ideal educational environment for children. This partnership is established between a family and a certificated ASD teacher who share similar educational philosophies and work together to create customized educational programs for each student.

STATEMENT OF PROGRAM:

Highland Academy serves as a model for educational entrepreneurship and illustrates a paradigm shift in education and learning. Highland Academy serves 6th - 12th graders from the Anchorage School District. Students are expected to follow a dress code resembling casual business dress. Since students will be going into the community, a professional appearance and stature is expected. The facility promotes a digital learning environment, which integrates technology, connectivity and digital content into the classroom. Student learning is rigorous and demanding and students must pass each level with at least an 80 percent proficiency in each of the eight content areas.

STATEMENT OF PROGRAM:

The school was opened in the fall of 2007 and serves K-8 students. The program philosophy states that this school will provide an immersion program in the German language for students who attend the school. There will be an emphasis on being responsible citizens of the community and the world. The Anchorage School District curricula will be followed in all classes except German. The school will be open to all students selected through the lottery application process.

STATEMENT OF PROGRAM:

Special Education Administration is responsible for all functions of the Special Education Division which supports students ages 3 through 22 who are eligible for services under the IDEA. Section 504 is also supervised by Special Education. The Special Education division provides Special Education instructional and related services to students in district schools, special school programs, and community sites. Services are implemented through collaboration with the general education divisions and under the supervision of the Deputy Superintendent. In addition, guidance and support is provided to ensure District compliance with state and federal statutes and regulations.

STATEMENT OF PROGRAM:

The Alaska State School for Deaf and Hard of Hearing is mandated to serve all deaf and hard of hearing students within the State whose IEP requires this centralized program of comprehensive services. This budget details funding necessary to operate the preschool through age 22 program. AKSDHH students receive instruction in a variety of settings. They are included with non-disabled students as part of a school within a school at Russian Jack Elementary, Clark Middle School, East High School, King Tech, and ACT programs.

STATEMENT OF PROGRAM:

The gifted program provides services for identified gifted students requiring a curriculum with acceleration and enrichment. These students have been determined to need extensions beyond the regular classrooms. The elementary program consists of two components: IGNITE and Highly Gifted (HG). The IGNITE program is a pull-out model which offers enrichment supplemental to the regular classroom to students in grades two through six and who are identified as superior in the range of intelligence. The HG program is a self-contained full time program for the highly gifted in kindergarten through grade six and is housed at Rogers Park Elementary School.

STATEMENT OF PROGRAM:

Whaley School provides special education services to students who require an intensive, specialized program designed to meet the specific educational, behavioral, and social/emotional needs as determined by the student's Individual Education Program (IEP) team. The school primarily serves students in grades 5-12. The School and staff are dedicated to addressing the concerns of special education students whose severe emotional/behavioral needs justify placement in this separate day school program.

STATEMENT OF PROGRAM:

The mission of the Psychology Department is to assist teachers, parents and administrators to meet the academic, emotional and social needs of the Anchorage School District students. This includes accurate, timely evaluations for special education provision of direct and indirect services to students, and consultation and short-term counseling to ensure the total health and wellness of students and staff in an environment free of emotional and psychological barriers to learning. Psychologists will directly respond to and assist staff in responding to crises created by violence in schools, student and/or staff injury or death.

STATEMENT OF PROGRAM:

Middle School Special Education provides special education services to support students with disabilities in grades 7-8, as well as grade 6 in certain schools. Students receive instruction in their least restrictive learning environment, with access to the general education curriculum as determined by the student's IEP team. Specialized, research-based curriculum is used to address reading, writing, math, and/or behavioral skills for students based on their individual needs. Middle School Special Education provides a continuum of services to address all levels of student need.

STATEMENT OF PROGRAM:

The Outreach Program provides special education services for students with an Individual Education Program (IEP) who have received a long term out-of-school suspension, expulsion, or alternative placement in lieu of suspension or expulsion. The Outreach classroom is housed at Whaley School. Students receive their special education services and have the opportunity to earn credits through online instruction. Certificated staff may provide educational services at various community locations such as the library, community center, or jail (for incarcerated students).

STATEMENT OF PROGRAM:

The ACT Program (Adult Community Transition) provides instruction for special education students who have completed four years of high school, have not received a diploma, and who are eligible for services as determined by their IEP. Students are eligible for participation in ACT through age 22. The program's goal is to give students as much independence as possible in their adult lives through instruction to promote job skills and functioning in a variety of settings. Instruction concentrates on work maturity, self-help, communication, social and recreation/leisure skills. The program utilizes multiple community settings, including leased space at the Trust Authority Building.

STATEMENT OF PROGRAM:

The Special Schools Program provides educational programs outside traditional school settings for students who experience physical, medical, emotional, or behavioral conditions which affect the student's ability to attend school. These services are provided at various residential treatment centers and hospitals within the municipality of Anchorage. Fifty to sixty percent of the students served are from the Anchorage area, and forty percent from outside the district. In addition, visiting teacher services are provided to students who are physically unable to attend school due to temporary or chronic medical conditions. These services are provided in the hospital or home settings.

STATEMENT OF PROGRAM:

The Health Services program improves and protects the health of students in a supportive learning environment. School nurses prioritize health maintenance, injury and disease prevention, and health restoration. Nursing interventions support educational staff in providing students with a safe, caring and educationally relevant school program. Students with disabilities are provided nursing services as identified in the Individual Education Plan (IEP). Health Services program administration supports supervision, delegation, evaluation of nursing practice and employee training. Mandatory first aid training is provided promoting safe and caring schools.

STATEMENT OF PROGRAM:

Mears Middle School provides seven instructional periods daily. All students are enrolled in four required academic courses, physical education and electives. Remedial and gifted course work is offered in language arts, science and mathematics. Electives include computer and industrial technology, arts/crafts, family consumer science, foreign languages and music. Growth in traditional academic areas is emphasized. Students are also encouraged to participate in career and leisure time activities. Intramural, interscholastic and after school extracurricular activities are available to all students. Mears' parents, staff and school business partners work together to build a dynamic community.

STATEMENT OF PROGRAM:

Bartlett High School is located near Elmendorf Air Force Base, and draws students from both the military base and the Muldoon community at large. The Staff has a strong commitment to meet the unique individual needs of the diverse student population. Through varied instructional methods, extracurricular activities, and consistent support, students at Bartlett have an opportunity to achieve their highest potential and be independent and self-reliant. The school community seeks to provide each student with the tools to function responsibly in our world. The school bears the responsibility to foster an atmosphere where the student is challenged to strive for "Excellence Without Exception!"

STATEMENT OF PROGRAM:

The Martin Luther King Jr. Technical High School is a hybrid model with full time and part time students. King Tech is a full time school for ASD juniors and seniors; it combines career technical education with regular core classes in a design- your- own-education format. King Tech students work with a mentor to design a personalized learning plan that could include the following: career path, relevant electives, core classes, King Tech classes, internships (on the job training), District options outside King Tech, and digital learning (APEX, ASD iSchool).

STATEMENT OF PROGRAM:

Chugiak High School offers a standard high school program in line with the expectations of the Anchorage School District. Spanish Immersion, World Discovery Seminar, NJROTC, AP and CTE Courses are some of the special programs offered. Chugiak High School is a partnership of students, staff, families, and the community. This partnership works to graduate students who communicate effectively, think logically and critically, discover and develop their own creative talents, and possess essential career and technical skills. Included in this vision is the encouragement of all facets of educational levels and future career goals as they pertain to each individual student.

STATEMENT OF PROGRAM:

East High provides a safe and positive educational environment for a highly diverse population of students. High expectations for academics and decorum are the norm. Students are served by a curriculum encompassing a range of remedial through advanced placement courses, and opportunities in fine arts, world languages, JROTC, career technology, and physical education. Extra-curricular offerings in both athletic and academic teams, clubs, and organizations are available, and an intentional focus on building positive one-to-one adult-student relationships for every student occurs through a four-year advisory program.

STATEMENT OF PROGRAM:

As an accredited alternative high school for students in grades eleven and twelve, SAVE provides the opportunity for credit recovery. The program is designed to meet the requirements for high school graduation. The school day for students is made up of academic classes accompanied by vocational training at King Tech or work experience through employment in the community. Academics are tailored to individual student needs utilizing a variety of instructional methods delivered in an alternative high school environment.

STATEMENT OF PROGRAM:

Steller Secondary is an open optional school of choice that serves students in grades 7-12 from across the Anchorage School District. The emphasis of the school program is attaining an education through responsibility to self and to the community. Students, parents, and staff participate in the democratic process of setting school policies. Students participate in all aspects of the school program from planning and scheduling activities, mentoring and assisting younger students, and designing coursework through independent study and peer taught classes. Students acquire leadership and responsibility for both their school and their community through participation in operation of the school.

STATEMENT OF PROGRAM:

West High School has served the community for over fifty years making it the original high school for Anchorage. This history in the community has fostered and supported a tradition of academic excellence that includes an International Baccalaureate program, a Highly Gifted strand, and a School Through the Arts Program. Additionally, over sixty nine percent of graduates attend post secondary schooling. The population at West is a direct reflection of Anchorage, diverse in both ethnicity and economic status. Accredited by Advance Education and partnering with over 25 local businesses, West offers a balanced and varied comprehensive high school curriculum.

STATEMENT OF PROGRAM:

South Anchorage High School is dedicated to the academic excellence and success of all students. Through a dynamic and engaged staff South offers its students a tradition of learning that encompasses a solid foundation in the basics of education allowing our students to succeed in advanced course work in language arts, biology, chemistry, physics, engineering, and mathematics. In addition to academics, South Anchorage High boasts a vibrant list of extracurricular activities in the arts, JROTC, sports, and foreign languages. This complete learning environment is only possible with the collaboration of generous parent and community partners who support the efforts of a strong student body.

STATEMENT OF PROGRAM:

Eagle River is a comprehensive high school that serves students in grades nine through twelve. The student body is evenly comprised of students from the local Eagle River community and from Joint Base Elmendorf/Richardson. Annual enrollment fluctuates due to a high mobility rate amongst the 45% of students who are military dependents and the school provides a variety of transitional supports. Despite being the smallest of the ASD high schools, ERHS provides a full compliment of fine arts, world languages, Advanced Placement offerings, and CTE programs. The school also supports a regional autism program.

STATEMENT OF PROGRAM:

McLaughlin School provides educational services for residents of McLaughlin Youth Center. Youth are placed at MYC as a result of their criminal activity and placed in a detention or a long-term treatment unit (based on court ordered disposition). The educational program is an essential component of each student's treatment plan. This requires additional academic assessment, appropriate class placements, and differential curriculum to meet the unique educational and treatment needs of each student.

STATEMENT OF PROGRAM:

P.A.I.D.E.I.A. Cooperative school's mission is to provide a cooperative, yet individualized learning environment where students can pursue and develop their passions while inspiring academic success, a love of learning, respect for others, and community involvement. P.A.I.D.E.I.A serves students in grades kindergarten through twelve who reside with the Anchorage School District area. In the practical application of diverse parent guardian educational philosophies and curriculum choices, each student will be encouraged to develop the necessary skills and concepts to his/her capacity in alignment with the State of Alaska Content and Performance Standards.

STATEMENT OF PROGRAM:

The Adult Crossing Guard Program was established to provide area students with safe passage across streets with heavy vehicle traffic. The program is monitored by the Executive Directors of Elementary and Secondary Education and the principals of each school where guards are provided. Specific locations for Adult Crossing Guards are recommended by the Hazardous Transportation Committee which is chaired by the Director of Transportation Services.

STATEMENT OF PROGRAM:

The Food Service Administration is responsible for the planning, organizing, coordination, accountability, regulating, control and evaluation of all Student Nutrition Program functions within the District, i.e., administration, unit operations and delivery. The administrative staff role is to assess the program needs; set measurable goals; maintain advisory groups as appropriate; meet and respond to inquiries from students, staff, parents and the community. The main department goal is to provide proper student nutrition to enhance their overall wellness, to increase their participation, and to provide resources for employees to be creative and to promote good practices.

Functions

FUNCTION is used to group within a fund the different broad classifications of financial activities or services performed; for example, Instruction is function 100, a broad group of activities and services performed. Functions provide for the reporting of financial information in a manner, that is useful to school boards, superintendents, the Department of Education and Early Development, the Legislature and in some instances provides for the accumulation of expenditures in such a manner as to show compliance with law or regulation.

For school districts that wish to accumulate financial information in greater detail than the required function level many required functions are further subdivided into optional functions. Optional functions provide for the grouping of activities or services in further detail; for example, Instruction 100 is a required function but could be further broken out into the optional function Correspondence Instruction 120. The optional functions are components of the required functions and if optional functions are used, then they should be aggregated and reported at the required function level. When establishing coding for required functions the explanations and detail provided in the optional functions should be considered.

- 100 **INSTRUCTION** - Instruction includes the educational activities directly involving the interaction between teachers and students. Instruction may be provided in the school classroom, in another location such as a home or hospital, or in other learning situations such as student curricular field trips. It may also be provided through some other approved medium such as televisions, radio, computer, multimedia, telephone, or correspondence. Technology that is used by students in the classroom or that has a student instruction focus should be coded here. Included here are the certificated classroom teachers or other certificated personnel who are performing as classroom teacher and classroom aides or classroom assistants who directly assist in the instructional process. Examples of the types of expenditures to include are salaries, employee benefits, teaching supplies, textbooks, equipment and equipment repair directly used in the teaching process, and travel between schools or other locations for instructional purposes. Inservice teacher training, conferences and workshops that are for the benefit of teachers for staff development are not included here but in Support Services - Instruction, function 350. **(Required)**
- 120 **BILINGUAL/BICULTURAL INSTRUCTION** - Bilingual and bicultural instruction includes the educational activities directly involving the interaction between teachers and students of limited English-speaking ability. Included here are the certificated bilingual and bicultural classroom teachers or other certificated personnel who are performing as the bilingual and bicultural classroom teacher and classroom aides or classroom assistants who directly assist in the bilingual and bicultural instructional process. Examples of the types of expenditures to include are salaries, employee benefits, teaching supplies, textbooks, equipment and equipment repair directly used in the teaching process, and travel between schools and other locations for bilingual and bicultural instructional purposes. Specific inservice teacher training, conferences and workshops for bilingual and bicultural staff development are also included here. **(Optional)**

-
- 130 **GIFTED/TALENTED INSTRUCTION** - Gifted and talented instruction includes the educational activities directly involving the interaction between teachers and students who exhibit outstanding intellect, ability, or creative talent. Included here are the certificated gifted and talented classroom teachers or other certificated personnel who are performing as the gifted and talented classroom teacher and classroom aides or classroom assistants who directly assist in the gifted and talented instructional process. Examples of the types of expenditures included are salaries, employee benefits, teaching supplies, textbooks, equipment and equipment repair directly used in the teaching process, and travel between schools and other locations for gifted and talented instructional purposes. (Optional)
- 140 **CORRESPONDENCE STUDY INSTRUCTION** - Correspondence study instruction includes the educational activities directly involving the interaction between teachers and students when the primary medium of instruction is communication between the instructor at one physical location and the student at another physical location when the student does not attend a designated school on a regular basis. Included here are the certificated correspondence study teachers or other certificated personnel who are performing as the correspondence study teacher and classroom aides or classroom assistants who directly assist in the correspondence study instructional process. Examples of the types of expenditures to include are salaries, employee benefits, teaching supplies, textbooks, equipment and equipment repair directly used in the teaching process, telephone, internet, courses and postage, and travel to visit correspondence students for instructional purposes. (Optional)
- 160 **VOCATIONAL EDUCATION INSTRUCTION** - Vocational education instruction includes the educational activities directly involving the interaction between teachers and students in state approved vocational education classes. Included here are the certificated vocational education teachers or other certificated personnel who are performing as the vocational educational teacher and classroom aides or classroom assistants who directly assist in the vocational education instructional process. Examples of the types of expenditures to include are salaries, employee benefits, instructional supplies, textbooks, equipment and equipment repair directly used in the teaching process and travel between schools and other locations for vocational instructional purposes. (Optional)
- 200 **SPECIAL EDUCATION INSTRUCTION** - Special education instruction includes the educational activities directly involving the interaction between teachers and special education students in the classroom or other facility. Included here are the costs of instruction for the student who deviates from the average or normal child in mental, physical or social characteristics to such an extent that he or she requires a modification of school practices or special education services in order to develop to his or her maximum potential. Included here are the certificated special education teachers or other certificated personnel who are performing as the special education teacher and classroom aides or classroom assistants who directly assist in the special education instructional process. Examples of the types of expenditures to include are salaries, employee benefits, instructional supplies, textbooks, equipment and equipment repair directly used in the

teaching process, and travel between schools and other locations for special education instructional purposes. Included are specific inservice teacher training, conferences or workshops for the special education teacher's staff development. General instructional inservice attended by special education teachers is **not** included here but in Support Services - Instruction, function 350. **(Required)**

- 220 **SPECIAL EDUCATION SUPPORT SERVICES - STUDENTS** - Special education support services - students includes educational activities designed to assess and improve the well being of special education students. Special education students are those who deviate from the average or normal child in mental, physical or social characteristics to such an extent that he or she requires a modification of school practices or special education services in order to develop to his or her maximum potential. Included here is the special education director/coordinator/manager. Also included are the costs of such activities as special education guidance, health services, social work, psychological services, speech pathology services, audiology services, and physical therapy services provided to students as the result of an Individualized Education Program (IEP). Examples of the types of expenditures to include are salaries, employee benefits, instructional support supplies and equipment, equipment repair directly used in special education support services, and travel when assisting students through special education support services-students activities. **(Required)**
- 300 **SUPPORT SERVICES - STUDENTS** - Support services - students includes activities designed to assess and improve the well being and health of students and to supplement the instruction process. Included here are guidance services, health services, attendance and social work services and boarding home costs. Examples of the types of expenditures to include are salaries, employee benefits, professional and technical services for specialists involved in support services - students, supplies and equipment and equipment repair directly used in support services - students, and travel when assisting students through support services-students activities. **(Required)**
- 303 **BOARDING HOMES** - Boarding homes includes the expenditures for providing food and shelter for students who must live on or near the school grounds. "Child care" programs not directly involved with the instructional programs are **not** included here but in Community Services, function 780. Boarding home costs related to special education and short-term vocational education are **not** included here but in their respective functions. (Optional)
- 310 **ATTENDANCE AND SOCIAL WORK** - Attendance and social work activities includes those activities designed to improve student attendance and that attempt to prevent or solve student problems involving the home, the school, and the community.

Attendance services consist of such activities as early identification of patterns of absence, promotion of pupils' and parents' positive attitudes toward attendance, analysis of causes of absences, and enforcement of compulsory attendance laws. Included here are the

- personnel with applicable training who are directly assigned to social work and attendance. The time spent on attendance recording and reporting on a district wide basis is charged to District Administration Support Services, function 550. Secretarial or other general duties should be recorded in their respective functions. Examples of the types of expenditures to include are salaries and employee benefits. (Optional)
- 320 **GUIDANCE SERVICES** - Guidance services include those activities designed to help students assess and understand their abilities, aptitudes, interests, environmental factors and educational needs; assist students in increasing their understanding of educational and career opportunities; and aid students in the formulation of realistic goals. Included here are personnel with specialized training and who are directly assigned to guidance services. Secretarial or other general activities should be recorded in their respective functions. Examples of the types of expenditures to include are salaries and employee benefits. (Optional)
- 330 **HEALTH SERVICES** - Health services include those activities that pertain to physical and mental health student services, that are not direct instruction or classified under a special education function. Health services includes psychological services; medical, dental and nursing services; speech and audiology services, and pupil testing and assessment costs when related to health services. Included here are personnel with specialized training and who are directly assigned to health services. Secretarial or other general activities should be recorded in their respective functions. (Optional)
- 350 **SUPPORT SERVICES - INSTRUCTION** - Support services - instruction includes those activities that assist instructional staff with the content and process of providing learning experiences for students. Included are improvement of instructional services (curriculum development and techniques of instruction), library services, and inservice training. Included here are the costs of nonteaching director/coordinator/managers who are specifically trained and directly assigned to instructional programs and librarians and library aides. Also included here are general teacher inservice expenditures whether provided for by the director/coordinator/manager of curriculum, by outside professional consultants or through conference attendance. Examples of the types of expenditures to include are salaries, employee benefits, supplies, inservice and curriculum development materials, travel, and conference fees. See function 360, Instructional-Related Technology, for all E-Rate eligible expenditures. **(Required)**
- 351 **IMPROVEMENT OF INSTRUCTIONAL SERVICES** - Improvement of instructional services includes activities that assist instructional staff in planning, developing and evaluating the process of providing instruction to students. - 450 **SUPPLIES, MATERIALS AND MEDIA** - Expenditures for supplies, materials, and media items as listed in optional codes 451 through 479. A supply item is any article or material which meets one or more of the following conditions: (1) it is consumed in use; (2) it loses its original shape or appearance with use; (3) it is expendable, that is, if the article is damaged or some of its parts are lost or worn out it is usually more feasible to replace it with an entirely new unit rather than repair it; (4) it is an inexpensive item whose small unit cost makes it inadvisable to capitalize the item; or (5) it loses its identity through incorporation into a different or more complete unit or substance. (See Appendix A for additional guidance in supplies vs. equipment.)
- Costs and delivery costs of teaching supplies, textbooks and bindings or repairs, library books, periodicals and newspapers, and audio-visual costs are recorded here. Costs associated with materials and supplies used by district maintenance employees in the repair and upkeep of buildings, apparatus, equipment and grounds, and custodial supplies. Also included are office supplies, shop tools, office appliances, home economics dishes and kitchen utensils, items for science laboratories, athletic equipment, gasoline and lubricants used for the district's vehicles or equipment, food and milk. **(Required)**
- 451 **TEACHING SUPPLIES** - Expenditures for instructional supplies for all grades and instructional departments including physical education. Included are delivery costs for such supplies. Textbooks, library books and audio-visual costs are **not** recorded here. (Optional)
- 452 **MAINTENANCE AND CONSTRUCTION SUPPLIES AND MATERIALS** - Expenditures for all materials and supplies used by the district for the construction, repair and upkeep of buildings, apparatus, equipment and grounds. (Optional)
- 453 **JANITORIAL SUPPLIES** - Expenditures for all custodial supplies consumed in use, such as brooms, mops, sweeping compound, soap, paper towels, and other such supplies. (Optional)
- 454 **OFFICE SUPPLIES** - Expenditures for all supply items necessary for the operation of an office, such as printed stationery and forms, duplicating supplies, pencils and pens, and minor office equipment not capitalized. (Optional)
- 455 **SCHOOL BUS MAINTENANCE, SUPPLIES, AND MATERIALS** - Expenditures relating to the maintenance, supplies, and materials of the student transportation vehicles. These include lubricants, tires and tubes, repairing and replacing parts for school buses and other transportation vehicles, repairing and replacing parts for equipment, fuel (gasoline and diesel) for buses and other equipment, and inspecting vehicles for safety. (Optional)
- 456 **WAREHOUSE INVENTORY ADJUSTMENT** - Recorded here are inventory shrinkage determined by an audit or count of items held in a store or warehouse inventory.

Alaska Department of Education and Early Development
Uniform Chart of Accounts and Account Code Descriptions

- Expenditures for the purpose of these items are generally debited to an Asset account, and are charged to the proper appropriation as they are requisitioned. Only a loss should be charged to this account. If the physical inventory reflects an overage in items, the excess is debited to the Asset account "Inventory." (Optional)
- 457 SMALL TOOLS AND EQUIPMENT - Expenditures for articles not readily classified as supplies but as minor equipment. Items are inexpensive and are expendable, including but not limited to: shop tools, office appliances, home economics dishes and kitchen utensils, items for science laboratories, and athletic equipment. (Optional)
- 458 VEHICLE GASOLINE, DIESEL, AND OIL - Expenditures of all gasoline, diesel and lubricants used for the district's vehicles or equipment. (Optional)
- 459 FOOD - Expenditures of all food to be served in the school food service program. Food purchased for instructional purposes are **not** included here but in Teaching Supplies, object 451. (Optional)
- 460 MILK - Expenditures of all milk to be served in the school food service program. (Optional)
- 471 TEXTBOOKS - Expenditures for prescribed books purchased for students or groups of students and resold or furnished free to them. Included are the costs of textbooks and binding or repairs. (Optional)
- 472 LIBRARY BOOKS - Expenditures for regular or incidental purchases of library books available for general use by students, including any reference books, even though such reference books may be used solely in the classroom. Included are costs of binding or other repairs to school library books. (Optional)
- 473 PERIODICALS - Expenditures for periodicals and newspapers for general use in the school library. A periodical is any publication appearing at regular intervals of less than a year and continuing for an indefinite period. (Optional)
- 475 SUPPLIES-TECHNOLOGY RELATED - Technology-related supplies include supplies that are typically used in conjunction with technology related hardware or software. Some examples are CDs, flash or jump drives, cables, monitor stands, E-readers (including tablets and mobile devices), printers, copiers, software costs, and cloud-based applications that do not meet the capitalization criteria (See Appendix A) should be reported here. Any items that meet the capitalization criteria are not included here, but in object code 512, Technology-Related Hardware or object code 513, Technology Software. (Optional)
- 479 OTHER SUPPLIES, MATERIALS, AND MEDIA - Expenditures for all other supplies, materials and media items that cannot be accounted for elsewhere. (Optional)

MUNICIPALITY OF ANCHORAGE

ASSEMBLY INFORMATION MEMORANDUM

No. AIM 42-2021

Meeting Date: March 9, 2021

From: MAYOR

**Subject: BUDGET ADVISORY COMMISSION ANCHORAGE SCHOOL DISTRICT
FY 21-22 BUDGET RESOLUTION**

Attached is a resolution from the Municipal Budget Advisory Commission recommending the Assembly continue to support public education and approve the FY 2021-22 Proposed Budget.

Prepared by: Lance Wilber, Director, Office of Management & Budget
Respectfully submitted: Austin Quinn-Davidson, Acting Mayor

Budget Advisory Commission Anchorage School District FY 21-22 Budget Resolution
Resolution 2021-1

Resolution recommending the Anchorage Assembly approve the school district budget

Whereas; The Budget Advisory Committee had received and reviewed the Anchorage School District Fiscal Year (FY 2021-2022) budget at the February 4th and March 4th meetings;

Whereas; The Anchorage School District explained the challenge and difficult choices they considered given the fiscal constraints they faced in development of the proposed budget;

Whereas; Anchorage School District has submitted its FY 2021-22 budget with a requested upper limit spending authority of \$841,318,521, of which \$255,406,416 would come from local property taxes;

Whereas; Recent property tax amounts contributed by the Municipality include \$245.6 million in FY19, \$248.9 million in FY20, and \$255.88 million in FY21;

Whereas; The total decrease in taxes is for the General Fund (+\$4.11 million, of which \$4.40 million is due to increased Required Local Contribution, partially offset by lower additional allowable contributions), Transportation (-\$1.37 million), and Debt Service (-\$3.21 million);

Whereas; of the FY22 amount being requested, \$2.68 million is being requested to fund Pupil Transportation to keep the same level of service currently being provided;

Whereas; the District has included \$37.79 million in AO 2021-23 to pay for the unfunded portion of the State Bond Debt Reimbursement Program;

Whereas; The District cannot levy taxes and is reliant upon the Municipality to collect on its behalf;

Whereas; The District is subject to a cap by the State on how much funding the Municipality can contribute. Anchorage has continued to provide the full amount of support, allowed by state law, for many years;

Whereas; The BAC encourages the Administration and Assembly to request that the legislature reexamine the Base Student Allocation (BSA) formula.

Now Therefore Be it Resolved: that the Municipal Budget Advisory Commission recommends the Anchorage Assembly continue to support public education and approve the FY 2021-22 Proposed Budget.

Passed and approved on this date: 04-Mar-2021

Budget Advisory Commission, Chair
