

*Engaging community to inspire youth
toward a vibrant future*

Business Recognition Ideas

- Recognize your business partners in your school newsletters and on your school website and other social media.
- Hang signs, bulletin board or banner in school hallway.
- Invite business partners to have information tables at school events (Back to School, family night etc.).
- Host a partner breakfast or lunch.
- Offer school event tickets to business partners (school plays, athletic activities, concerts, etc.)
- Reserve "Special Guest" seating at school events for business partners.
- Invite business partners to assemblies and staff meetings and introduce them.
- Offer student performances at partner businesses.
- Write and send traditional thank you notes. (student or teacher notes appreciated)
- Invite business partners to PTA/PTSA meetings and introduce them.
- Collaborate with business partners on a service learning project. (garbage pick-up, hanging lights, planting flowers, etc.)
- Share social media posts about your partners and partner events.
- Highlight business partners in school articles through a student written article.
- Write a letter to the editor recognizing the partnership and the importance of volunteers and community service.

Partner Engagement Opportunities

Partners...

- Can be mentors or tutors.
- Can volunteer to be subject matter experts for science fairs, spelling bees or other events.
- May offer to support student and/or staff recognition efforts.
- May provide presentations on special subjects and support class curriculum.
- May support school during sport activities, field trips or special tours.
- May display student art or other special student works.
- May collaborate on service-learning projects. (garbage pick-up, hanging lights, planting flowers, etc.)
- May support college, career life ready efforts for schools including resume building, interview support or career fairs.
- May support college, career life ready efforts for schools by providing speakers to develop public speaking, problem-solving, interpersonal skills, support attendance goals, etc.
- May provide reading buddies to support reading objectives.
- Partners and schools may customize their partnership to utilize the personal expertise and resources of an organization.
