March 27, 2020

**Spirit of Tomorrow Award Luncheon Postponed to 2021**

As the coronavirus outbreak continues to spread throughout the communities where we all live and work, we have consistently looked for ways to help protect the health and safety of our community.

In an effort to do our part, School Business Partnership has decided to postpone our Annual Spirit of Tomorrow Award Luncheon scheduled for April 22, 2020. We believe that is the right thing to do. In fact, I believe it is our duty—to do all we can to help keep one another safe in this unprecedented time.

That also means:

- If you or your organization already purchased a table or chose to sponsor the event, a full refund will be issued to you here shortly.

- If you nominated a student, school, educator or business for award recognition, your nomination will be included in next year’s application pool. No additional work will be needed.

- If you purchased a Spirit of Tomorrow Raffle ticket, please see the person who sold you the ticket for a full refund. We will conduct a new raffle next year with the same prize list.

Know that we will continue to work closely with Anchorage School District Administrators and public health officials throughout the state to understand how to best support our community. We’ll continue to share information with our school and business partners as we move forward together into a future that’s hard to predict.

In the meantime, thank you for your understanding, your patience and, most of all, for being a part of this incredible community. Our collaborative efforts remain a vital part of who we are, especially in moments like this.
