Viewing Custodial Job Postings

To view open custodial positions:

1. On the Work for ASD page, click the blue View positions open to internal applicants button.
2. On the next page, find the header labeled Custodial and click the link to open it.
3. You will see a list of jobs that are currently open. Positions with a red (Internal Only) note are currently only open to ASD employees who already work as custodians.
4. Look at each position to find one that you want to apply for. The main header shows the title, date posted, and work or department location.
5. Next to Additional Information, click Show/Hide to view the description of the job. Click the link again to hide the description.

6. If you want to apply for a position, click the red Apply button in the upper right corner of the vacancy summary. This will open a window to either create a new application or, if you have applied using this system before, you will log into your existing profile.
Filling Out the Application

After clicking Apply on the job posting, a new window will open for you to start or log into your application. There are several options on the application login screen. Click the one that applies to you.

- **Start**: Creates a new profile and application for applicants who have never applied for Anchorage School District jobs using Recruiting & Hiring.
- **Login**: Allows applicants who applied with Anchorage School District in the past to log in and update their profile and/or apply for another job. Note that returning applicants should review any existing information and update it as needed.
- **Import**: Allows new applicants who have previously applied to a different school district that uses the Recruiting & Hiring/AppliTrack system to import basic information into their new ASD profile. Note that this option only brings over basic information that is the same in both systems.

System Basics

After you have logged in, you’ll see the following on each page. Use these buttons to work in the application.

- When completing each page, click Next Page at the bottom right so that the system will accept your information and move you forward in the application.

- You may save your application at any time in the process by clicking Save as Draft. When you return later, click LOGIN and enter your email address and password. Remember that when you click Save as Draft the application has not yet been submitted— you have not yet applied for a position.

- Questions with a red asterisk ☠️ are required for the application to be complete.
- When you have finished answering all of the questions, click Finish and Submit.

  - Note that if an application is started but is never submitted, the system will automatically delete it after 30 days.
Application Pages

As a current employee working in the Custodial bargaining unit, when you apply for another custodial position you will fill out a transfer application. It is shorter than the full application.

1. To begin, click START if you have not used the Recruiting and Hiring system before. Or, if you originally applied for your job in the Recruiting and Hiring system, click LOGIN.
   a. If you click LOGIN, you will enter the email and password that you first used to apply for a job with us.
2. When you are in the application, either enter your personal information or update anything already there that might have changed. The email address you enter will become the username for your profile. Remember this email and password so that you can log in again in the future.
3. On the first page, enter your name and basic contact information:
   a. Your email address.
   b. A password. This will allow you to save a partly completed application and come back to it later, or to apply for additional positions in the future.
   c. Choose a secret question and type in the answer. This will help you to log in to your account if you forget your password.
4. Click the Next Page arrow at the bottom right of the screen to continue.
5. On the second page, choose *I am a regular employee of the Anchorage School District and applying for a position within my position’s same bargaining unit.*

6. On the next page, fill in your mailing address under Permanent Address. If you are temporarily receiving your mail at another address, enter this second address under Present Address. Click *Next Page* to continue.
7. The Vacancy Desired page lists all jobs that are currently open. Scroll down the list to find the section labeled Custodial and make sure that the job title and JobID you applied for is already marked.
