Getting Started Guide for Students and Parents with www-k6.thinkcentral.com (Go Math)

1. Once you are at www-k6.thinkcentral.com
   • Select your state
   • Select your child’s school district
   • Select your child’s school site

Check the remember my organization box

• Input the username and password given to you from your child’s teacher.
• Click on the “Log In” button

2. Once you have logged in your page should look like below:
“Things to Do” is where your child will find any assignments/homework/tests given by their teacher.

“My Library” is where your child’s textbook and other daily resources can be found.

“My Test Scores” is where your child can view any assessment results.
