

Nyob zoo ASD tsev neeg,

Muaj kev zoo siab rau lub semester kawg no! Kuv xav pib qho Covid-19 cov lus los ntawm hais tias kuv zoo siab npaum li cas ntawm peb cov kawm ua thaum zoo kawg.

Ib lub semester ntawm kev kawm tas hnuv tau los txog rau qhov tsis muaj kev kaw lossis kev sib kis COVID-19 nyob rau hauv ASD. Txuas ntxiv mus, peb tau ua kom cov kawm cov hom phiaj kev tseem ceeb, nrog rau kev ua ub ua no tsis tu ncuva, kev ua kis las tseem muaj, thiab tseem muaj concerts thoob plaws hauv cov tsev kawm.

Cov lej kis tau tus mob hauv Anchorage tau qis zuj zus thiab Lub Nroog Anchorage's (MOA) kev txiav txim xwm txheej ceev tau raug tshem tawm. Peb tus kheej qhov kev sim COVID-19 tam sim no qhia tau tias muaj kev poob qis thiab cov neeg mob hauv tsev kawm ntawv tseem qis thiab.

Kuv tau qhia tias peb pab neeg yuav rov ntsuam xyuas cov phiaj xwm txo qis thaum qee yam pauv. Kuv nkag siab tias qhov pauv tshiab ua rau peb nrog cov lus nug tsis teb. Txawm li cas los xij, peb ua tau ntau los npaj rau tsev kawm ntawv lub neej nrog COVID.

Piv txwv li, cov tshuaj tiv thaiv COVID-19 tau muaj txhij rau txhua tus menyuam yaus hnuv nyoog kawm ntawv tau ntau lub hlis tam sim no, thiab cov tshuaj tiv thaiv muaj rau cov hnuv nyoog 16 thiab laus dua. Raws li koj paub, ASD tau ua lub luag haujlwm tseem ceeb hauv kev tsim cov tshuaj tiv thaiv rau txhua tus menyuam kawm ntawv hnuv nyoog kawm ntawv, tuav cov chaw kho mob loj thoob plaws lub November, thaum muaj ntau dua 3,000 qhov tshuaj tiv thaiv.

Yog li ntawd, kuv ntseeg siab tias ASD muaj peev xwm pauv mus rau "parent-informed masking" thaum peb rov qab mus kawm ntawv thaum lub January 3. Nws txhais tau tias "parent-informed masking" yog rau niamtxiv txiav txim siab txog qib kev pheej hmoo hauv lawv tsev neeg thiab txiav txim siab rau lawv tus kheej yog tias lawv xav kom lawv tus menyuam mus kawm ntawv rau daim mask.

Koj nco qab thaum lub caij ntuj sov tsev kawm ntawv thaum tsis tas yuav tsum siv daim mask, kwv yees li 40 feem pua ntawm cov neeg ua haujlwm thiab cov kawm txuas ntxiv siv daim mask. Cov kev npaj txo kev kis tus kab mob covid, ua nrog kev kuaj sai hauv cov tsev kawm ntawv, ntxuav tes tas li, kev nyob sib nruv deb thaum ua tau, thiab kev nyiaj huv ntxiv. Cov menyuam kawm ntawv uas caij npav tseem yuav tau ua raws li tsoomfwv txoj cai rau kev thauj mus los rau pej xeem.

Yog tias theem kev pheej hmoo hauv zej zog pauv, peb yuav rov ntsuas dua thiab rov qab mus rau qhov yuav tsum tau siv daim mask Kuv tseem yuav qhia rau koj paub tom ntej no. Zoo siab txais tos koj los koom kev lom zem nrog tsev neeg thiab phooj ywg, thiab kuv cia siab ntsib koj hauv 2022.

Cheers,  
Deena Bishop, Ed.D.
