

Anchorage School District
Kindergarten Round-up!

Is your child starting kindergarten in the Anchorage School District in the 2016-17 school year? Then come join us!

ASD staff will share what to expect as your child begins kindergarten in the fall. Together we will partner to help your child be best prepared to experience early school success. Information will be available on how to help your child at home and how to enroll in kindergarten. Parents/guardians are encouraged to ask questions and take home resources.
