

Honoring Dena'ina Land

We acknowledge that we gather here today on the traditional lands of the Dena'ina people of Upper Cook Inlet. For thousands of years, the Dena'ina people have been and continue to be the stewards of this land. ASD is committed to diversity and inclusion, and it is with honor and respect that we recognize all Indigenous people who live and learn in our community.

The ASD Indigenous Education Department and the Anchorage School District extend their gratitude to the Native Village of Eklutna for collaborating on this land acknowledgement. Chin'an, thank you to the Native Village of Eklutna for your continued partnership and dedication to our community.
