

## **World Language Requirements for College/University Admission & AP Language Credit Policy Information**

(For all institutions, years required must be in the **same** language)

Be sure to check out both admission and exit requirements.  
A college or university may not require a world language for admission.  
However, a language is often a requirement of many degree programs.

\*For additional information about the following schools, to check for current information or to find a school not listed here, try: **[www.princetonreview.com](http://www.princetonreview.com)**

\*For additional AP language credit and placement policy information, go to the individual school Web sites or the College Board's Web site: **[www.collegeboard.com/ap/creditpolicy](http://www.collegeboard.com/ap/creditpolicy)**
