Dear Coyote Students, Parents and Staff:

Contained within this booklet are the procedures and policies that greatly contribute to the positive, consistent, and fair learning environment at Mirror Lake Middle School. The vast majority of questions related to decorum and expectations are addressed in the subsequent sections. The first portion of this Student Handbook contains information that is uniquely specific to our school. The remaining portion of the Student Handbook contains policies, procedures, and definitions that pertain to all middle schools in the Anchorage School District. We encourage all of our students to participate in the vast co-curricular activity offerings presented by MLMS. Now is the perfect time to try something new!

Reflecting Greatness at MLMS,

Allison Susel
Principal

Mirror Lake is the proud home of the Coyotes. Our school colors are blue and green.

Coyote Guide for Help

There are many people available to help you with problems ranging from jammed lockers to a serious crisis. Identify at least one adult you are comfortable talking to whether a teacher, counselor, administrator, security or custodian, to answer questions. Remember when seeking help from someone in the office, unless it is an emergency, get a pass from your teacher before you come or visit during lunch.

Administrative Assistant is in the main office and can help you with lockers, attendance, and general questions.

Administrators are the Principal and Assistant Principal who can be contacted at the main office to assist students with any issues.

Attendance Secretary/Registrar is at the front counter of the main office and can help with all attendance issues, registration questions and guide you to other help.

Counselors are here to help you with academics and personal goals. Forms requesting to meet with your counselor are available in the office. Our counselors are also easy to see in the MPR during lunch time for questions. Counselors will get back

Administrative Assistant Financial Procurement (AAFP) is the person who deals with all money transactions. If you need to pay for a sport, activity or fee or have a problem with the vending machines see the AAFP. This person also helps with all sports paperwork.

Safety/Security are here to help you with any issues you may have and to help keep our school safe while running smoothly.

Mediation Many student issues can be resolved through medi-ation of the issue. In this process the individuals get together with a counselor or other staff member and work through conflicts and find solutions. If there is a situation you need assis-tance in solving, come to the office or talk to your counselor.

Lockers Keep your combination to yourself

- Only use your assigned locker. See the office if someone knows your combination.
- Close the door gently with your hand. It should easily close and latch top and bottom. If it does not, open it again and check to see what is in the way.
- Keep things organized in your locker. Be careful nothing touches the back of the dial area or the locker will jam.
- Only your belongings go in your locker. You could be suspended or worse for something others put in your locker.

- It works best if your binders and textbooks are arranged neatly on the bottom, well behind the side rails.
- Hang your backpack on the REAR hook (not the top), hang your jacket from the top hooks.
- If the locker is not working correctly or you notice something broken, report it immediately to the front office.
- Remove your lunch daily and take home dirty clothes weekly.
- You may decorate only the inside, not the outside of the locker. Use only transparent tape to hang items.
- Remember that lockers can be searched at any time by the building administration.

Please follow the guidelines noted below when seeking help:

If I have a health problem The school nurse has your health record from your elementary school. If a new health concern has developed for you, if there is a change in your health from the previous school year, or if you need routine medical care, please see the school nurse. See the nurse at lunch, before, or after school. Any other time you must have a pass from your teacher. The nurse's office is near the main office and can be accessed by the main hallway.

If I have been abused in any way see your counselor, teacher, the nurse or any staff member. This is very important. Please do not delay. We can help you!

If I am depressed, thinking of running away and/or suicide See your counselor, a trusted teacher, administrator, or any staff member. Depression is serious. We can connect you to many community resources that can help you.

If I need to request a mediation If you are having a hard time resolving a conflict or getting along with someone, a mediation is a good solution. Fill out a "Request To See A Counselor" form and indicate who else is involved. A counselor will set up the mediation as soon as possible, and you will be pulled out of class to attend the mediation. In some cases, the principal or assistant principal will assist with a mediation if a conflict can be resolved without the need for discipline.

If a student is really bothering you first attempt to solve the problem by telling them to stop. If it continues, request a media-tion or ask a teacher or counselor to help you. Tell your parents and have them call the school. If this does not work, see a coun-selor, security or an administrator. If another student is provoking and/or harassing or bullying you, seek help immediately.

If I need help with my school work See your teacher first. This is extremely important! See your counselor if the teacher is not available, or if the teacher is unable to help to your satisfaction.

If I need advice about my classes Fill out “Request to see a Counselor” form and see your counselor. Your counselor is the best person to give you sound advice. If you need additional help after seeing your counselor, see an administrator.

If I need to talk to someone about a personal problem See your counselor, the nurse, one of your teachers or an administrator. Please don’t wait! Please let us assist you.

If I am having trouble with a teacher Always try to solve the problem with the teacher. However, if attempts to work through the problem with the teacher are not successful, see your counselor. If a counselor is not available, please fill out a “Request to see a Counselor” form at a later time. You will be called to the office soon. If it’s an emergency, see an administrator.

If I need resource materials for a class project See your teacher first. If you need additional research/reference material, then go to the library. Here you will find a wealth of resource materials and people willing to help you find them.

If I have questions about sports or activities Come to the main office to speak with the AAFP or the Assistant Principal. Remember, you must have a participation form for the sport and a current physical examination form on file in the office before you are eligible to participate in sports. The coaches can answer specific questions regarding individual sports.

If I have questions about my attendance See the attendance secretary in the front office. It is your responsibility to clear any concerns with attendance.

If I am having trouble with my locker

- Do not spend time trying to open it unless you see an adult who you can call over for assistance.
- Go directly to class - don’t get a tardy over a jammed locker.
- Ask your teacher for a pass to go to the office for assistance.

If I’ve lost an item Check lost and found which is in the MPR. For small valuables like eye glasses, jewelry, etc., check at the front desk. Fill out a loss/theft report form in the office.

If I’ve just moved, what bus do I ride Check at the main office. You will need to know your address for the fastest assistance.

If I need to purchase lunches or apply for Free/Reduced lunch See the lunchroom supervisor in the cafeteria before school or during lunch. Free/Reduced lunch applications may be picked up from the office, filled out and returned to the cafeteria manager in the kitchen.

If I accidentally make a mess in the halls (this includes broken glass, spills, etc.) Please notify the nearest teacher or come directly to the office and see a custodian, secretary or administrator. We will have it cleaned up and issue you a pass to your class. Please do not leave a mess for others to clean up.

If I see someone commit a crime or break a rule Report your observation to an administrator or the Security Office immediately! This is your school and we are all part of the Coyote Pack. If you knowingly hide knowledge of a crime or someone breaking the rules, you too are partly responsible and become subject to discipline sanctions.

If I need extra support with personal, home or school issues contact your counselor who has a variety of information about what is available.

Library The purpose of the library is to help students and faculty to complete successful research projects, discover enjoyable reading, and utilize current information technology to its greatest advantage.

- **Hours:** The library is open most days 8:00 a.m. until 3 p.m. for student use.

School-Issued Chromebooks

All Coyotes are issued a personal Chromebook to be used for school purposes. While all Chromebooks and chargers remain the property of the Anchorage School District, each student is responsible for the appropriate care of their issued equipment.

- Always carry a Chromebook with two hands.
- Do not decorate the device with stickers or other additions.
- Charge your Chromebook each night in preparation of a full day of learning. Not having your Chromebook charged and ready to go could have a major impact on your ability to participate in class.
- Lost or damaged Chromebooks are the responsibility of the student (see Chromebook fines list).
- If you are having any trouble with your device, please see the front office for assistance.
