What is the PSAT?

The PSAT is a practice SAT offered by the College Board.

It is advantageous for all students to take a practice test before taking the SAT or ACT.

This year the test is being offered digitally.

If a student scores exceptionally well on the test (top 1%), then they have the opportunity to be named as a National Merit Scholar. (10 to 15 seniors in the ASD are NMS Finalists each year.). There are fantastic opportunities for National Merit Scholarship Finalists.
