-- Vision,
Mission, and
Purpose --

-- Finding Your
Future at King
Tech --

- **Vision:** To be an exceptional Alaskan Career and Technical Education (CTE) school that offers students a variety of validated industry courses that lead to certifications, postsecondary opportunities, and employment.
- **Mission:** To prepare all students for postsecondary and the workforce.
- **Purpose:** To provide 11th and 12th grade students in the Anchorage School District the opportunity to experience career technical education and to develop the necessary industry skills to pursue career pathways.

Innovative, adaptive, engaging...this is the way of KTHS instructors!!!
