

# Family Resources

## Language-Based Zooms

The ELL Liaison team has been hosting regular family outreach meetings over Zoom this year, to share district updates and community resources, and answer parents' questions. ASD families with Preferred or Home language listed as Spanish, Samoan, or Hmong are receiving text and email invitations before each meeting. Recordings of past meetings are posted online. Please encourage your families to attend! The meeting schedule, Zoom login, and past meeting links can be found here: [Language Based Zooms - Quarter 2](#). Here is a flyer that can be shared with Hispanic/Latino families: [Latino Chat Flyer](#)

## ASD Multilingual Resources for Families

Many of the district's announcements and support documents are being translated into our top languages and we need your help in making sure students, families, and coworkers are able to access those supports! Staff can check the ELL [Family/Student Support Google Folder](#) to search for translated documents by category. Families can be directed to the ASD [Language Support page](#), which has links to translations by language. Thank you for your help in getting these important translations to our families.

## Municipality of Anchorage COVID Multilingual Resources

The Municipality has public health and community resource information in many languages, organized on their Coronavirus Response page: [Municipality of Anchorage Coronavirus Response](#). This includes a weekly audio recording in 17 languages, summarizing the latest COVID numbers, local and state mandates, and community resources.

## Anchorage COVID Peer Leader Navigators (CPLNS)

Limited English Proficient community members now have a free resource to help them find help during COVID. The COVID Peer Leader Navigators are community members who speak many languages and can help families find and apply for assistance with paying for rent and utility bills, food, childcare, health information, government programs, and other community resources. Please help refer families who would benefit from this support, by filling out this Google Form: [bit.ly/CPLNhelp](https://bit.ly/CPLNhelp). CPLNs can also be reached by phone or text at 907-290-3639, or by email at [AnchoragePLNS@gmail.com](mailto:AnchoragePLNS@gmail.com). Here are fliers that can be shared with families. Click to download: [English Flyer](#) [Spanish Flyer](#).
