

Polaris Secondary Staff Recommended Remote Learning Opportunities

Dear Students & Families - Below is a short list of recommended resources for continued and supplemental learning at home. While we strongly believe that an online resource cannot provide the same learning rich environment of a classroom, we encourage you to take this opportunity to explore what is literally at your fingertips. Map your own course and perhaps you will find a new interest or passion to share upon your return. Just like you, our staff is seeking out meaningful ways to keep our minds and bodies healthy, active and engaged. We invite you to join us in this endeavor!

Anchorage Public Library	http://www.anchoragelibrary.org/	PreK - Adult	Free downloading and streaming content with your Anchorage Public Library card.
Scholastic	https://classroommagazines.scholastic.com/support/learnathome.html	PreK - 6+ Excellent option for grades 6-8	While schools are closed, you can keep learning going with these special cross-curricular journeys. Every day includes four separate learning experiences, each built around a thrilling, meaningful story or video. Kids can do them on their own, with their families, or with their teachers. Just find your grade level and let the learning begin.
Khan Academy	https://www.khanacademy.org/	All Grades	Created by experts, Khan Academy's library of trusted, standards-aligned practice and lessons covers math K-12 through early college, grammar, science, history, AP®, SAT®, and more. It's all free for learners and teachers
TED-Ed	https://ed.ted.com/	6-12	TED-Ed is TED's youth and education initiative. TED-Ed's mission is to spark and celebrate the ideas of teachers and students around the world. TED-Ed has grown from an idea worth spreading into an award-winning education platform that serves millions of teachers and students around the world
