

CREEKSIDE INSIDER

March 29th, 2021

Dear Parents,

We have enjoyed having all students back in the building and are starting out the 4th quarter invigorated and ready to learn!

Each spring, Alaskan students are provided an opportunity to show what they know. When students show what they know, teachers and parents can partner to promote student success.

The Performance Evaluation for Alaska's Schools (PEAKS) is Alaska's summative assessment administered to students in Grades 3-9 (English language arts and mathematics) and grades 5, 8 and 10 (science) each spring. The purpose of a large-scale, summative assessment is to provide parents and schools an overall picture of a student's progress in meeting the Alaska standards at his/her grade level. The assessment is taken on the computer and is not timed, but each content area takes approximately 100-180 minutes.

Parents can locate resources for the PEAKS assessment, including directions for PEAKS Practice tests, called Online Tools Training and PEAKS Tutorials on the ASD website at www.asdk12.org/PEAKS.

Students will not be tested in a remote setting. ASD Virtual students can request to be tested by completing the following link:

Please contact Mr. Christal or Mrs. Rosser to answer further questions.

If you would like to opt your child out of the PEAKS assessment please contact the building principal, David Christal.

If you have any questions, feel free to contact us at 742-1550 or email at askcreekside@asdk12.org.

Sincerely- David Christal & Cherry Galloway
