yearbook

Our yearbook is going to be done a little differently this year. We will send information out as soon as we can. You will be able to order the yearbook with Picture Day orders online or by paper order form- in March!

We are not submitting our yearbook for printing until the end of the school year (normally it is done before Spring break). This will delay the arrival until Summer, but we will have photos of students in-person if we hold off on submitting it!

Pick up for the yearbooks will be set when we know the arrival date- tentatively the first part July.

Send any photos you would like to share of your student learning online:
