JOIN US MARCH 29 @ TASTEE FREEZ

Every year Gladys Wood has partnered with Tastee Freez for Tastee Freez Takeover.

This year, instead of TAKING OVER, we are planning to RUN OVER!

We ask families to RUN OVER to Tastee Freez and get a treat (Dine-In or To-Go) on **Tuesday, March 29 from 3:30 - 9pm.**

Students will be given a voucher to present to the cashier so part of the purchase goes back to Gladys Wood.

We hope you will RUN OVER to support our wonderful School Business Partner- Tastee Freez, wave to your teachers, and get a bite to eat or a sweet treat!

2022–23 PTO BOARD OPENINGS

Next year's PTO Board has openings for parents and staff members. This is a great opportunity to get involved with the school! The board oversees and guides the PTO initiatives and funding. Experience in fundraising, event planning, finance, and communications are always helpful, but all that's needed is an interest in helping out the Gladys Wood school and its community. Volunteer hours are flexible. If you or someone you know may be interested in volunteering, please email gladyswoodpto@gmail.com and include the position you are interested in.

OPENINGS:

PRESIDENT

The president presides over all meetings of the organization and of the governing board. The position coordinates the work of all officers and volunteer committees of the PTO, to ensure that all objectives are being accomplished. The position can be shared between two people.

Time Commitment Outside Monthly Meetings: 2-3 hours a week, more on activity weeks

SECRETARY

Attend all meetings including executive board meetings and participate in discussion and decision making. Take minutes of the organization's meetings, and then distribute a summary of the minutes at the beginning of the next meeting. Work with the President to create and disseminate monthly PTO newsletter. In the event that the president and vice president are unable to attend a meeting, the secretary will preside and perform their duties.

Time Commitment Outside Monthly Meetings: 2-6 hours per month

MEMBERSHIP

Attend all meetings including executive board meetings and participate in discussion and decision making. The membership officer leads and coordinates membership throughout the year for parents/guardians, teachers, and staff (most activity is during the first few months of the school year). This is promoting our organization and collecting volunteer information for family events. This also may include calling volunteers from our sign ups to assist in events. Managing current list of members, reporting this monthly.

Time Commitment Outside Monthly Meetings: 2-3 hours a month

AT LARGE MEMBER

The At Large members attend executive board meetings in addition to general meetings. They volunteer throughout the year on different committees and take lead roles (example: Parent Teacher Conference Luncheons, Teacher Staff Appreciation Week, Picture Days, etc.).

Time Commitment: 2-3 hours a month
