Highland Weekly

Highland Families,

Empower Tips and Tricks

We are officially wrapping up our first full week of school. We have really enjoyed welcoming back our returning students and meeting our new students. Thank you to all of the families that were able to join us for the Open House on Tuesday. We had a great turnout!

We've had a few families reach out about carpooling opportunities. If you are interested in carpooling with other families, please fill out [this form](#).

Safety reminder - as you are dropping off and picking up students, please drive slowly and watch for students in the parking lot. The parking lot can get congested and we want to be as safe as possible.

MAP testing is right around the corner, so please be on look out for more information next week.

PARENT TEACHER STUDENT ORGANIZATION (PTSO) INFO

The PTSO is a great way to get involved with our Highland community. A family membership cost \$10.00, with all dues going back to the school, supporting student learning and activities. Their next meeting is September 14th at 5:30. If you want to get involved, but aren't able to offer time, they are also looking for donations (granola bars, breakfast bars, trail mix, string cheese, etc.) for the breakfast cart, which is free to all Highland students. We appreciate all of your support!
