Highland Families,

Progress Reports
and Student-Led
Conferences

Quarter one ends on Thursday, October 20th. Please mark your calendars for Student-Led Conferences on Thursday, October 26th. All conferences will be scheduled with your child's advisor and will include a progress report with feedback and comments from all of their teachers. Be on the lookout for communication in the next few weeks to schedule your child's individual time slot.

If you would like to request an academic progress check, please reach out to your child's advisor or directly to their content teacher.

WANT TO RECOGNIZE A STAFF MEMBER?

Is there a staff member going above and beyond to support your child? Consider recognizing their hard work by submitting a [Spotlight](#) to the Anchorage School District.

This week is full of celebrations and thank you's! A huge shout out to our parent and family volunteers! We had a number of field trips this week, and they could not have happened without your assistance. Thank you for supporting our staff and students!

We've got another volunteer opportunity coming up. On Tuesday, October 10th our juniors and seniors will be going to a College and Career Fair at UAA. If you are interested in chaperoning this field trip, please contact Mrs. Cunningham (cunningham_meghan@asdk12.org).

I'd also like to thank staff, students, and families for successfully completing our first ALICE Drill of the school year. These drills are important and serious, and often raise a range of emotions and feelings. I encourage you to debrief the drill with your child, and please send any questions or concerns to me. We will have two additional ALICE Drills over the course of the school year.

Through donor's choose, Highland staff have received full funding on a variety of projects and resources to support student growth and learning. From color printers to art supplies, PE mats to social emotional supports and reading materials, we are appreciative for the support!

Have a wonderful weekend!
