

2018 Polaris Senior Video

Photos & Music Criteria

The Senior Video will play during the processional at graduation on May 22, 2018. Your personal montage of photos and music will run for 45 seconds as you are escorted to the stage. Since the production of the video is an extremely time-consuming project, we ask for your help as follows:

- ☐ Please **provide 10-15 photos on a CD or Jump Drive on or before Tuesday, January 23, 2018**. Label the CD/Drive with your name.

If you do not have the technology to do this on your own, you can take your photos to Fred Meyer, Target or other photo departments and have them scanned and burned to a CD for a few dollars. Almost any resolution except thumbnail prints will work. Please keep in mind that the larger the print, the better quality your montage will be.

If you take any pictures off Facebook, be sure to use the download option instead of dragging and dropping. If you don't know how to download off Facebook, then please check the support forums.

- ☐ Please **use ONLY the form below to let us know what music you would like to have for your portion of the video by January 23rd. Specify the start time in the song.**

Otherwise, the first 45 seconds of your selected music will be used. Include a digital file of the song on the CD/Jump Drive (MP3 or equivalent). Please do not edit the music for length. Include the entire song on the disk or drive, and indicate below where you would like the song to begin. Important:

- ☐ Please **print a copy of your song lyrics** to be submitted with your other documents.

Thanks for your help in being prompt, and let us know if you need any help!
