

## From the MTC

Hello Winterberry Friends & Families,

We hope this newsletter, focusing on Resources, finds you all enjoying the beautiful fall weather with which we are being blessed! Winter is just around the corner, and we can feel it in the nip in the air.

As we settle more deeply into our new school, some of us may be experiencing more feelings of anxiety and stress related to all of the changes. We have noticed some outward expressions of this related to unsafe driving practices entering and leaving our property. Please know

that if you or someone you know is experiencing difficulty with any aspect of the move or new site, the MTC is here to help. We can't promise to be able to fix every problem, but we can listen and hopefully connect you with the right person to help.

You are welcome to attend any of our meetings, every Monday at 3:45 in the staff room. You may also contact any of the MTC members listed on page 11 of this newsletter by email or in person with your concerns.

With Thanks,

MTC

*Winterberry nurtures and promotes the development of healthy, responsible and creative human beings. Our aim is to provide a holistic learning environment and demonstrate that all children are natural and inspired learners who can achieve. Inspired by Waldorf educational methods, our integrated curriculum seeks to provide each student with meaningful, hands-on, developmentally appropriate experiences that inspire learning and personal growth.*
