

My name is Jessica Frey, and I am a parent of a fifth grader, a second grader, and a future kindergartener who will begin in the fall of 2025. I earned a Bachelor of Science in Interdisciplinary Studies from Utah State University in 2004.

Since moving to Alaska in 2008, I have worked with various nonprofit organizations, ranging from local initiatives to my current role as Senior Director of Development for a national nonprofit. Within the school itself I have served as an active member of the RSV since 2019 and served on the board as President from 2021 until 2023. Additionally, I have co-chaired the Christkindlmarkt for the last 3 years. My experience in donor relations, community outreach, special events, and board management has equipped me with the skills necessary to be an effective advocate for this school and a valuable member of the APC Board.

With six years already spent at Rilke and another eight ahead, I am deeply committed to the continued success of this program. I am passionate about ensuring that all students benefit from the exceptional educational and cultural experiences offered here and am dedicated to doing whatever I can to support that mission.

Thank you, Jessica Frey
