Traffic

- No Cell Phone Usage in the Pickup/ Drop Off Line
- Parents and students must cross at a crosswalk.
- When dropping off, we would like all students entering through the gym doors. Please pull all the way forward. This will help move the line along.
- Have your yellow card visible for staff to call your student. We have yellow cards in the office now.
- Please be kind and patient.

Reminders

- Have you turned in your driver form?
- Did you get your volunteer form in?
- Sign up for the Boxtop App! Proceeds benefit our library.
- The fallcarnival is September 14th from 3-6.

Science Fair Information

Dear Aquarian Families,

The 2020 Science Fair Packet is now posted on Aquarian's website. The science fair will take place on January 30th and 31st this year. In the past, the science fair and Treasure Book deadlines were very close together. We are choosing to hold the science fair earlier in the year in hopes that it alleviates any stress your child and family may have experienced when completing two projects at the same time. Entry forms are due to teachers on December 9th and projects are due on January 30th. It's never too early to start planning projects. Please download the packet and encourage your children to start brainstorming! A hard copy of the science packet is in the office if you wish to make a copy there. Individual Science Fair Projects are required for students in the third through sixth grades. Kindergarten through second grade classrooms will be completing in-class group projects with their teachers, but are welcome to complete individual projects as well. We will be looking for 30-40 volunteer judges on January 30th from approximately 8:00-11:00 am. Parents, family members, and friends are welcome. For more information, or if you're interested in committing, please contact Robert Stagg (see email below). If you have any questions, please contact us.

Your science fair committee,

Lisa Botero botero_lisa@asdk12.org

Chelmo chelmo_lisa@asdk12.org

Robert Stagg stagg_robert@asdk12.org

Marie Russell Russell_marie@asdk12.org

After School Activities

Math Whizz- Offered Monday/ Wednesday and Tuesday/ Thursday for 3rd -6th
This computer program offers individualized maths lessons for every student, providing that extra attention to their needs and pace of learning that can accelerate progress.

Lexia Lab- Offered Monday/ Wednesday or Tuesday/ Thursday for K-3rd
Lexia provides practice of oral language, reading, spelling, and writing skills. Students will practice fundamental reading skills and teacher's will count this on reading logs!

Lego League- Offered Monday/ Wednesday 5th and 6th
LEGO League engages students with real-world engineering by challenging them to build LEGO-based robots to complete tasks.

Chess Club- Offered Tuesday/ Thursday 4th-6th
Do you love chess? Come play with your friends and challenge your skills. Want to learn how to play? We would love to have you!

Running Club- Offered Monday/ Wednesday for 1st-6th
Help your child become for physically fit. Enroll them in running club. They will not only get a good workout in, but they will have an opportunity to practice good sportsmanship.

Jungando- Offered Monday/ Wednesday for K-2nd
Come play with Senora Rita and friends! Relax after a long day of working hard!

Dolphin Strings (Orchestra)- Offered Tuesday and Thursday for 5th and 6th
5th and 6th graders looking to explore their musical talents should definitely sign up!

Band- Offered Tuesday and Friday for 5th and 6th
Is your child interested in brass, percussion, woodwinds, flutes, clarinets, or trumpets. If so, sign up for band!!
