ATTENTION JUNIORS AND SENIORS

The Alaska World Affairs Council and the Anchorage School District have teamed up to offer a jump start to high school juniors and seniors through speed mentoring with successful industry executives on Wednesday, March 20 from 9:00 a.m. to 1:30 p.m. at the Downtown Anchorage Hilton.

The day will begin with an informational presentation by the Alaska Commission on Post-secondary Education guiding students through tools for identifying careers that connect with their interests and ways to fund their post-secondary learning. Following the presentation, students will rotate through 8-minute mentoring sessions with 56 mentors from a wide spectrum of industries with international scope. Participating students will walk away with the information needed to dive into their post-secondary planning with real-life insights and advice from the people who have stood in their shoes.

Interested students should apply online. The deadline to apply is March 6, 2019. If you have questions, contact Chip Abolafia at 742-4839.
