Parent and Teacher Conferences

Conferences will be scheduled during the week of October 24th. K-8 students will not have school on October 25th and 26th as conferences will be scheduled during the day. High school will still have classes as conferences will be scheduled after school.

6-8 Grade Updates

Greetings and Salutations!

The link below leads to our classroom news and information folder. Every week you will find a new "Week at a Glance" and current MS Newsletter here:

<https://drive.google.com/drive/folders/16rtRGDZHPL4txMmkntSaVOhy1aotMcv3?usp=sharing>

Thank you in advance for checking it regularly every week. In addition, there is a

forms folder where you can find things like Reading Logs and Book Report forms in case your student forgot to bring one home on Thursday.

Reminder: Students have a Khan Academy session on weekends to help prepare for the weekly math lessons. ***We are starting Integers this week--so please make sure your student completes the Khan Academy assignments prior to Tuesday!***

Please don't hesitate to let me know if you have any questions or concerns--we are all in this together!

Fish Skeleton

This year our Life Science class had the opportunity to exam the skeletal structure of a halibut. They were able to share their learning with some of our K-8 students.
