***Online classes should be 60% complete this week.**

***Post-tests need to be proctored**

Thanks to parents, staff and students!	It was great to see so many families during conferences and at our Open House Potluck. It is always nice to spend time with families to learn about why PAIDEIA works for them and what we can continue to do to support student learning.
PTA	We will have a meeting for any interested parents who would like to form a PTA on Monday, November 5th at 5:30pm at PAIDEIA.
Tobacco-Vape-Drug Usage	PAIDEIA strives to maintain a positive and healthy school environment. It is important to remember that smoking/vaping of any substance is illegal on and around campus. Students who make the choice to smoke/vape on campus will be held accountable and will be subject to the consequences outlined in the ASD handbook which could include notification to the Anchorage Police Department. Please be sure to speak with your child about the harmful effects of tobacco.
FASFA Info for College bound Students	Join us in Moose Room, level 2 at Loussac for FAFSA Night. Representatives from the Alaska Commission on Postsecondary Education (ACPE) will be on hand to answer questions and help you complete your FAFSA application by the end of this two hour session. Be sure to bring your 2017 tax returns and W2.
Allotment Reimburse-ments	Please begin gathering your 1st semester receipts dated through Nov. 30th to turn in NO LATER THAN DEC. 6th at 3:00 p.m. Submit ORIGINAL receipts with the reimbursement form attached to the office. *For any online purchases, submit the invoice/order form, and packing slip for proof of delivery, as well as proof of payment such as a credit card statement/Pay pal. (This process will come to a standstill if any of the parts are missing so please ensure you have followed the protocol!)
ALICE Drills	I will be emailing an ALICE Drill flyer for families to review this week. This flyer identifies the procedures schools use in case of an intruder. During the course of the year teachers will review different protocols and procedures for practice. Please take some time to review this information with your child as well. We do not want students to be scared or nervous...we want them to be aware.

Canned Food Drive	<p>This year classes will be participating in a canned food drive to support The Thanksgiving Blessing Program sponsored by our local food bank in partnership with First Presbyterian Church. This year we have been asked to collect cans of corn. We will have pizza party for the school if we can bring in 200 cans. The winning class will also receive an ice cream party. For more information regarding the Thanksgiving Blessing program please go to the following website.</p> <p>http://www.foodbankofalaska.org/docs/Thanksgiving%20Blessing%20(1).pdf</p>
6-8 Grade Updates	<p>Greetings and Salutations!</p> <p>The link below leads to our classroom news and information folder. Every week you will find a new "Week at a Glance" and current MS Newsletter here:</p> <p>https://drive.google.com/drive/folders/16rtRGDZHPL4txMmkntSaVOhy1aotMcv3?usp=sharing</p> <p>Please take note: There is a new section in the newsletter regarding Health course curriculum guidance.</p> <p>Thank you in advance for checking it regularly every week. In addition, there is a forms folder where you can find things like Reading Logs and Book Report forms in case your student forgot to bring one home on Thursday.</p> <p>Please don't hesitate to let me know if you have any questions or concerns--we are all in this together!</p>
