

T.I.G.E.R. Reading Awards Overview 2019-2020

The goal of NLABC's T.I.G.E.R. Reading Club is to encourage young readers to become avid and consistent recreational readers.

As adults and parents, we know that the intrinsic rewards of reading include [increased vocabulary, increased academic achievement](#), entertainment, and relaxation - along with many more benefits! Our students, however, are excited about the extrinsic awards and the Tiger STORE! Luckily for us, students are gaining these intrinsic benefits while being extrinsically rewarded! Here's an overview of the T.I.G.E.R. Reading Prize structure.

There are 2 ways to win prizes with T.I.G.E.R. Reading - through accumulating pages-read, and by meeting the monthly reading goal.

1. Students accumulate pages read from kindergarten to 6th grade. These [accumulated page counts](#) are recognized at the levels shown on [this chart](#) during RW&B Assemblies and most of the prizes are given in class.
 - a. Parents receive notification when students will be recognized at T.I.G.E.R. Reading assemblies.
 - b. At assemblies, students stand in place to be recognized for the white box levels.
 - c. At assemblies, students go forward to shake hands (BR2, Level 5) or receive prizes (Level 19, Level 20).
2. Each month students are rewarded for reaching the monthly goal (500 pages Kinder & 1st; 700 pages 2nd - 6th grades) or double goal (October and March). For 2019-2020, one Tiger Buck is awarded for meeting the monthly goal. Often there is an additional monthly contest, and this is shown on the T.I.G.E.R. Reading bulletin board. For example, students who meet the September monthly goal will get to enter a contest to guess the number of carnival tickets in a jar, with the winner receiving \$10 in NLABC Fall Carnival tickets.

Questions? Please contact your child's classroom teacher to ask about accumulated page counts, and collins_alta@asdk12.org to ask about the program.
