ALL AGES AND GRADES ENCOURAGED!

(Strongly encouraged for 5th/6th grade)

Students will informally present their projects to their classes throughout the week of March 20-24. On Family Science Share Night (Friday, March 24th), they will have an assigned time to speak with an Adult Science Mentor about their project.

Other activities on Science Share Night include a science scavenger hunt for each grade level.

1. Registration opens March 1st and runs through March 20th. In order to guarantee a time slot with a mentor, **YOU MUST REGISTER WITHIN THIS WINDOW.** For more information visit: <http://chugachscience.wixsite.com/scienceshare>
2. Questions? Want to volunteer to be a science mentor? Contact the Science Share Team:
