

2021
YEARBOOK

Polaris

THE STORY
OF OUR LIVES

Polaris Senior Richie Robbins kicked off the most unique school year ever with a big smile and encouragement from his family.

Events are canceled.

People are not!

Tell your story.

**Celebrate our
collective story.**

Kindergartener Grayson Baker lost his first tooth five minutes before joining his peers on Zoom where his teacher read Arthur's Tooth" to help him mark the day.

Calling All Polarian Journalists!

So many great milestones are STILL happening in our community and the story of our year deserves to be told. More than ever, our yearbook will be a collaborative effort for our entire community. Think of yourselves as journalists on assignment: **The assignment of your life!**

Everyone is invited to be a contributing author and photographer! Have you:

- Learned how to drive with a masked driving instructor?
- Discovered a new book series, hobby, or passion?
- Been an essential worker during the pandemic?
- Learned to bike without training wheels?
- Engaged in a unique online/virtual experience/celebration?
- Found creative ways to keep in touch with friends and family?

We want to know about it! The options are endless to tell your story of the 2020/21 school year. Parents are invited to work with their children to help capture their ideas and words. **Our first submission deadline is November 1, 2020.**

Ways to contribute:

- A feature article/short story (approximately 100-500 words) with a photograph(s).
- An original poem/song lyrics
- Original artwork
- Photographs with caption information
- New ideas!

Submit your contributions:

Please send your writing, photos and more to polarisyearbookstaff@gmail.com. Or visit Polaris.asdk12.org --> [Yearbook Tab](#) to submit photos directly to staff.

Grade 4/5 Teacher Sophie Wallace greeted her Family Group on the first day of school with enthusiasm and her trademark pizzazz!

Special Assignments:

Be looking for special assignments from the Yearbook Editors Team! We will be sending these out via email and posting on the Polaris social media accounts. Follow [Polaris K-12 School on Facebook](#) and [Polaris Yearbook on Instagram](#).

**Purchasing Information:**

The only way to guarantee a copy of your 2021 Yearbook is to pre-purchase. Extra copies are not ordered for sale at distribution. The earlier you purchase, the more you save! See purchasing information on the [Polaris website](#).

Distribution:

It is very important to note that due to our schedule this year and the impact of COVID, our books will not be delivered until Fall 2021. All purchasing students will receive an autograph section for their friends to sign in the spring. These inserts can then be added to the yearbooks when they arrive. School portraits are tentatively scheduled for February 2021.

Our yearbook is going to be much like this year - exactly what we make it! We are incredibly excited to be creating and collaborating with our Polaris Community. We are humbled and honored to be entrusted with the important task of preserving and sharing our stories.
