Polaris Ski & Snowboarding Intensive

Course Expectations and Gear List

Expectations

- Students will increase their skill level and fully engage in scheduled lessons.
- Students are responsible for keeping a journal with weekly writing prompts.
- Students will fully participate in all activities and follow all safety rules.

Schedule – Intensives are January 3-14, 2022. We will be at Alyeska T/W/R/F the first week and M/T/R/F* the second week. On the first Monday (1/3), students will be on campus and meet and dismiss at the regular times (8:15AM-2:00PM). The second Wednesday (1/12) is a Rest & Recovery day and NO SCHOOL for skiers/snowboarders.

On regular Alyeska days, buses will depart from Polaris at 9:00AM and return at approximately 5:30PM. On the second Friday (1/14), we will have afternoon lessons and then NIGHT SKIING! Students report to school no earlier than 11:15AM. Buses will leave at 11:45AM and return at approximately 8:45PM. For those subscribing to Remind (details attached), a daily text will be sent when we depart from the day lodge. Please be courteous to the intensive teachers and arrange for on-time pick up at Polaris.

Attendance – Attendance is crucial during the Intensive. Fees cannot be refunded due to illness or absence. Time on the mountain or engaged in another winter sport will need to be documented and turned into Heidi or Allie by March 1st to receive credit for days missed. Extenuating circumstances will be considered on a case-by-case basis.

Rentals – If you are renting gear or are unsure what to purchase, we highly recommend working with the rental shop at Alyeska. These professionals will ensure that you are properly fitted for gear by size, conditions, and ability. All crucial to student maximizing their lesson experience. The rental shop technicians can only work on Alyeska gear at no charge. Students are not allowed to switch gear with each other at any time during intensives.

Behavior & Good Citizenship – Students are guests at Alyeska representing Polaris K-12 School. Safety is the primary concern. Any behavior inappropriate for school is inappropriate on the mountain. Students are expected to ski and snowboard courteously within the groomed areas. If a student violates any safety or ASD policy, they will be asked to stay in the day lodge with an adult and a parent conference will be held before the next day on the mountain.

We will be traveling by bus each day. Students must assist in loading and unloading gear from the buses. Please clean up your trash before leaving the bus.

Lessons – Everyone will be taking lessons during the intensive. Each student is expected to fully participate the lesson and practice new skills on their own. The eight-lesson package is the BEST VAUE and where participants see the most gains. This is the right choice for most participants. Upper intermediate participants may choose a four-lesson package. Advanced, high school, participants, usually those enrolled in another ski/board programs, may opt for the two-lesson package *with prior approval*. The Mountain Learning Center reserves the right to place students in the lesson group deemed most appropriate after the first day evaluation. *If a change is made in the interest of safety, families will be notified after the first day and assume any additional costs.* Students will be courteous to all Alyeska staff and instructors.

Lunch – *Don't forget to bring water/beverages/snacks/lunch to sustain you throughout the day.* The Carve, The Bake Shop, and The Bore Tide Deli *may* be open if you wish to bring money to purchase your lunch, but are subject to weekday closures. Pick up all of your trash and bus your own tables in the day lodge.

Buddy System – Each student must be responsible for their own safety by skiing or snowboarding with a group or a partner AT ALL TIMES.

Clothing – Alaska can be very cold this time of year. Make sure you have lots of warm layers to keep you warm on the mountain. You can always leave extra clothing in the lodge. Avoid cotton clothing – it gets wet and stays wet! Store your gear neatly and out of the way of others in the day lodge.

Grading Policy

- 60% Preparedness and Effort (daily)
- 20% Journal Entries (weekly)
- 20% Evaluation from lesson instructor at Alyeska (end of intensive)

RESPONSIBILITY CODE

Skiing and snowboarding can be enjoyed in many ways. At areas, you may see people using alpine skis, snowboards, telemark skis, cross country skis, and other specialized equipment, such as that used by differently abled individuals. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing/snowboarding that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers and riders the responsibility for a great mountain experience.

- Always stay in control and be able to stop or avoid other people or objects.
- People ahead of you have the right of way. It is your responsibility to avoid them.
- You must not stop where you obstruct a trail or are not visible from above.
- Whenever starting downhill or merging into a trail, look uphill to yield to others.
- Always use devices to help prevent runaway equipment.
- Observe all posted signs and warnings. Keep off closed trails and out of close areas.
- Prior to using any lift, you must have the knowledge and ability to load, ride, and unload safely.
- Inverted aerials are not recommended.
- Use of alcohol or drugs that impair the safety of yourself or others is not allowed.
- If you are involved in a collision with another skier/boarder, you must stay at the scene until ski patrol arrives.
