Spring Intensive May 2019

Intensives are wonderful, unique learning opportunities for teachers and students. They will take the place of our regular classes from Monday, May 6th through Wednesday, May 22nd.

Some of the Intensives have a cost attached to them, but we do not want that to dissuade you from following your passion. Our school works hard to raise scholarship money for students who might need assistance paying for Intensives. Scholarship applications are available online and in the front office. **Scholarship applications are due to the office Thursday, April 4th by 8 AM.**

Register for your Intensive by visiting the Polaris website (polaris.asdk12.org) and click on the Quick Link titled Secondary Intensive Registration.

If you are interested in taking an Intensive that is not in your grade level range, you may write a letter to the Intensive teacher explaining why you want to take that particular class and why you feel you are qualified. If appropriate, the teacher will work with you and your family to accommodate your request.

Once students are placed in their intensive you can pay online at <u>https://parentconnect.asdk12.org/</u>. Fees should be paid by Thursday, April 11th. Intensive fees cover the cost of materials and field trips. If you anticipate needing more time to pay an intensive fee, contact the instructor directly. Students who have not paid their intensive fee by the start of intensives may be moved to another intensive.
