

# COVID Testing Sites

for ASD Staff and Students

The Anchorage School District and Capstone Family Medicine are working together to provide ASD staff and students with COVID testing sites conveniently located at five different schools.

ASD staff, students, or members of their household are encouraged to sign up at [covidsecureapp.com](https://covidsecureapp.com) if they need to be tested for COVID because of exposure or symptoms.

After registering with [covidsecureapp.com](https://covidsecureapp.com), go to one of the following locations Monday through Friday between 8 a.m. and 4:30 p.m. to be tested.

These locations are for walk-up only. Please be prepared to be outside.

## Testing Locations:

### Abbott Loop Elementary

This site is next to the playground.

8427 Lake Otis Pkwy, Anchorage, AK 99507
