Semester Long electives are classes that occur for half of the year; semester one or semester two. In order to fill up two periods of classes for the whole year, you would need to have **FOUR** semester long classes. Many of these classes are very popular and fill up. This means that we need you to pick at least **SIX** classes that you would like to take. Mark each choice in order of preference. 1st, 2nd, 3rd, etc.
