

IMPORTANT NEWS FROM THE ADVISORY BOARD

ATTENTION DRIVERS OF NORTHERN LIGHTS ABC STUDENTS

During our last PTA & ABC Board Meetings it was clear that there are several concerns about the drop-off and pick-up traffic. This has been a consistent problem for several years, but we do all agree the situation is becoming more and more frustrating.

Some of the items witnessed and reported are as follows:

- Speeding
- Distracted driving (texting, talking, reading, etc.)
- Parking in the spaces reserved for drivers with handicapped tag or license plates
- Dropping off in the parking lot, not in the drop-off lane
- Not parking within the lines
- Aggressive behavior to other drivers
- Cursing at other drivers
- Inappropriate hand gestures to other drivers

This type of behavior will **NOT** be tolerated. At the beginning of the year, all parents and students signed the “Philosophical Agreement” which clearly states; “Ensure student safety by modeling safe and respectful behavior in the parking lot at all times.” Northern Lights is a proven successful alternative program, and we pride ourselves in following the 18 character blocks shown here: <https://www.asdk12.org/domain/3594>

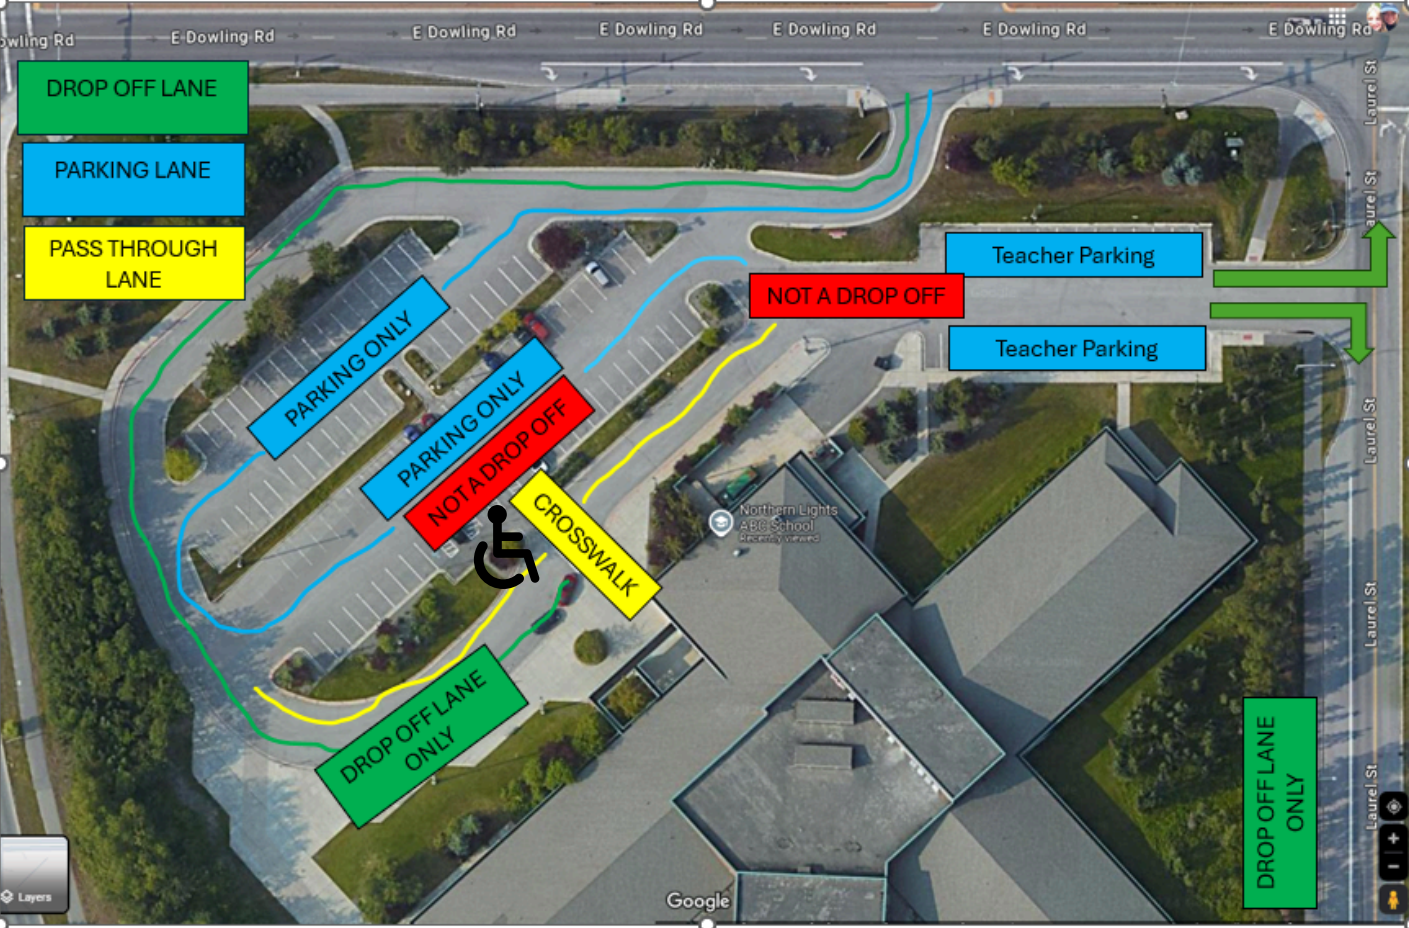

We all care about the well-being of our NLABC students, and it would be an absolute tragedy if the result of this continued behavior results in something worse.

Please be careful out there, and know we are all trying to drop-off and pick-up our children safely.

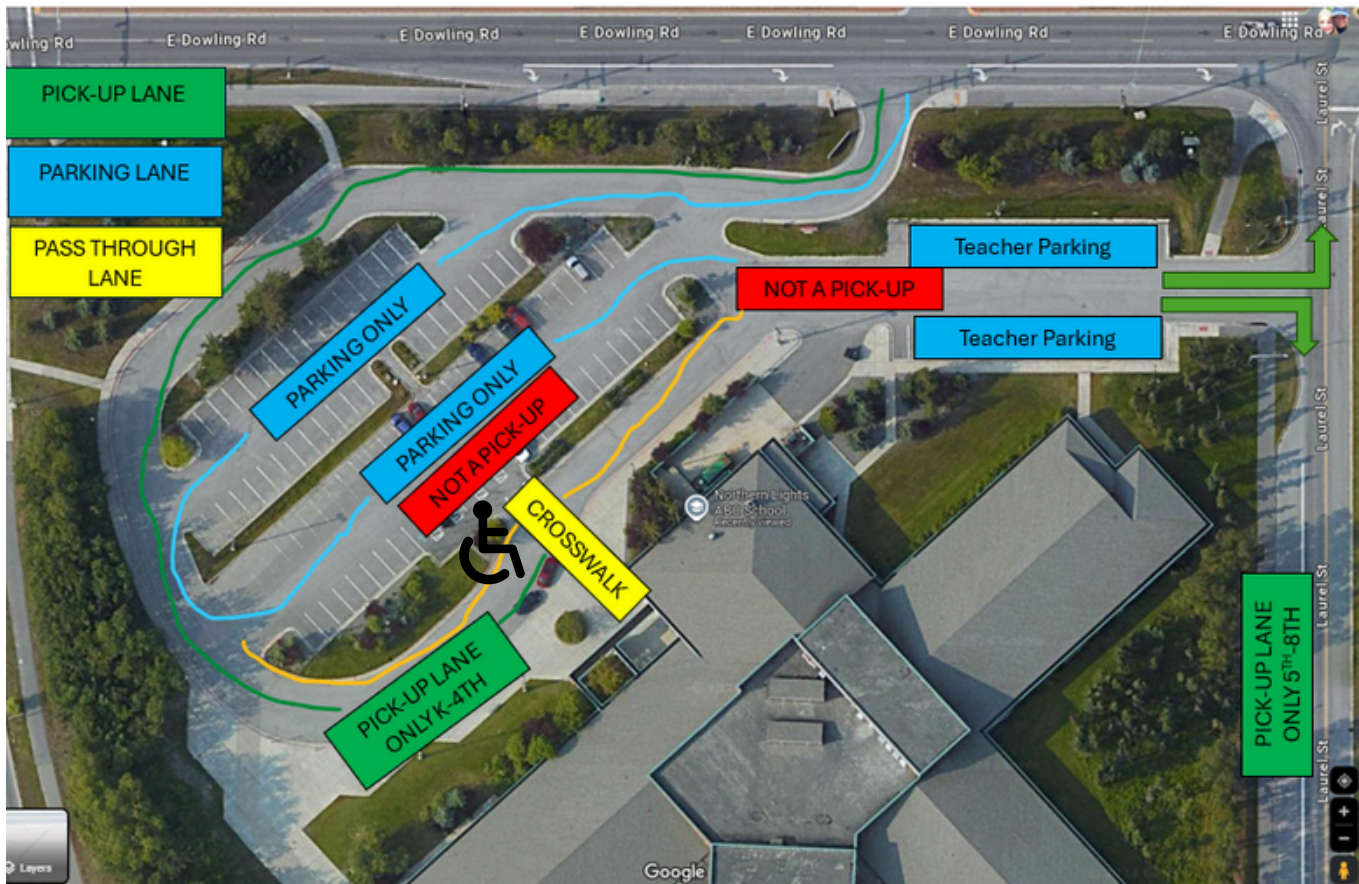

BE PART OF THE CHANGE NOT THE PROBLEM

If you have questions or concerns, please don't hesitate to email the Advisory Board at nlabcbboard@gmail.com.
