

Dear Winterberry Families,
We hope that you are looking forward to participating in this year's School Climate & Connectedness Survey. This is Winterberry's fourth year collaborating with ASD to offer this survey. The responses are sent anonymously and offer insight to areas that can be improved and areas where we can excel.

Survey:

- Survey Window for families is open Now until March 25.
- Language Options: Survey is available in English, Spanish, Tagalog, Hmong, and Samoan. Families can toggle to their target language in the upper left-hand corner.

This Week's Virtue

Simplicity

Simplicity is being content with the basic gifts of life. We live reflectively and mindfully, aware of what is important and what is not. We cherish those we love. We keep around us only what is useful or beautiful. We let go of excess, clutter, and complexity. Simplicity gives us clarity and single pointed concentration. It frees our minds from the stress of overdoing. We appreciate the little things, daily joys, and opportunities to be kind. We live in the moment and savor what is right before our eyes. We enjoy simply being.

The practice of simplicity

- I am satisfied with what I have.
- I know what I care about.
- I clear my life of clutter and excess.
- I am true to my purpose.
- I appreciate the little things.
- I enjoy living.

I am thankful for the gift of Simplicity. It allows me to appreciate what really matters.
